CONCORD, N. C., FRIDAY SEPTEMBER 3, 1897

WHOLE NO. 1,86

A WATERLOO.

The Concord and Salisbury Base Ball Teams at Southside Park Thursday Afternoon.—The Concord Team Holds Its Famous Record.—The Score 19 to 3.

Salisbury sent down her baseball team Thursday morning fully confident that they would return with the laurels, but such was not the case. The Concord team was simply too much for them.

The game opened at 3 o'clock in the presence of a large and interested crowd of spectators eager to witness the game, as it had been reported that Salisbury would interest our boys more than any team with which they had crossed bats this year.

The Salisbury team is composed of the following gentlemanly young men and played as follows: Baughan, p; Feimster, c; Pool, s s; Henderson, 1b; Busby, 2b; Milstead, 3b; Ruffy, rf; Mickey, cf; Woodson, lf.

Concord played as follows: Weddington, p; Reed, c; Caldwell, s s; Van Pelt, 1b; Misenheimer, 2b; Fisher, 3b; Brumley, rf; Rogers, cf; Gibson, lf.

The efforts of the Salisbury team to put up good ball were certainly appreciated by the full grand stand and other spectators, but interest fell, when in the sixth inning the visitors made a score. Baughan, Salisbury's swift pitcher, made a fine start but during the game succeeded in striking out only two men, while Billy Weddington, the pitcher for the home team, struck out 21 men out of 27.

The score by innings was as follows:

Salisbury—0 0 0 0 1 0 0 2—3.
Concord—0 4 0 1 3 6 2 3—19.

Mr. Y C Caldwell umpired the game and his fair and impartial decisions gave perfect satisfaction.

Concord has played six games with opposing teams during the season, scoring 82 runs in the six games while the opposing teams have scored only 12, Concord in several cases not playing the last inning.

Concord has not lost a game during the season and has the reputation of being one among the best teams, if not the best, in the State.

Cutting Scrape.

Last Saturday evening a difficulty occurred between Jim Murphy and Lester Conrad at the close of a singing at the Methodist church at Star-town. Both of the boys used knives and marked each other considerably, but no serious damage was done. They were arraigned before W P Fye, Esq., and bound over to court. Conrad gave bond, but Murphy was sent to jail, but has also given bond since. Some weeks ago Conrad sold Murphy a razor on a credit and on this occasion dunned him for the money, and this was the cause of the difficulty.—Newton Enterprise.

They were arraigned before A D Shuford, Esq., Monday morning and the crime conclusively proven on each. In default of bond they were sent to jail.—Newton Enterprise.

Forest Hill News.

Considerable excitement prevailed here at 10:30 o'clock today by the fire alarm being given. It was discovered that house No. 8, on Forest Hill street, a one and a half story frame structure just behind Mill No. 4, was on fire, but the fire engine was put to work and in two minutes there was a good stream of water playing on the fire. It was extinguished with but little damage. The origin of the fire is unknown. It caught near a window on the second floor.

Furniture and Horses.

Some horses can be bought for \$5 others will cost \$100, any difference. So with Furniture. Ours is the Standard. We get more for our goods. Why? It costs more to make them, they are better, they last, they give satisfaction, insuring comfort. Customers see these points and are willing to buy a good horse. We have just bought two car loads of furniture, each weighing from 12,000 to 15,000 pounds. Does this mean anything? Why of course, when freight rates on small shipments are as high as \$2.49 per hundred pounds. We wish to please our customers, therefore we carry all grades of furniture. Hat racks from 10c. to 5 00, 7 00, 8 00 to 25 00. Rockers from 40c. 75c, 1 00, 1 25, 2 00, to 10 00. Parlor suits Silk and Plush from 15 00, 20 00, 25 00, 35 00 to 50 00. Ward Robes 5 00, 7 00, 8 00, 10 00 to 30 00. We have over 100 bed room suits from 8 50, 12 00, 18 00, 20 00, 25 00, 65 00 to 100. Over 2000 chairs from 40c. 50c. 75c. 1 00 to 10 00, 12 00. Extension tables 3 00, 5 00, 7 00, 8 00 to 25 00. We do not say we will sell you goods as cheap, but less. Why? Because we have the inside track, though we are not as swift as Star Pointer, who paces a mile in 1.59, but we mean business, i. e. to sell goods and a "heap of 'em." We do our own work, therefore we discount all bills. Store open from 6.30 a. m. to 8.30 p. m.

Yours respectfully,

Bell, Harris & Co.

P. S.:—The Undertaking Department is under the care and management of Mr. W. L. Bell. Calls promptly attended to day or night.
