THE NASHVILLE TRIP.

Arrangements Complete for the Editors Who Will Visit the Nashville Exposition.

Secretary J B Sherrill has returned from Nashville, where he went last week to complete arrangements for the entertainment of the members of the North Carolina Press Association.

The editors will leave for Nashville on the night of the 20th, and will spend Tuesday, the 21st, at Lookout Mountain and Chickamauga Park, near Chattanooga, and on the 22d they will congregate in Nashville.

Mr. Sherrill has secured reduced rates for the editors and their families at the Price College Hotel, the nearest hotel to the exposition grounds and on the main car line to the grounds.

Passes to the exposition grounds will be given out at the editors' headquarters at the Price College Hotel. Forty or fifty members are expected to go.

Secretary Sherrill will issue a circular at once, giving all necessary information concerning the trip.

Back Doors Open.

Mr. R Will Johnston, the night watchman, discovered the back doors of the Bell, Harris & Co's furniture store open Saturday night sometime between midnight and morning. At 12 o'clock the doors were locked, but about 2 o'clock Mr. Johnston found that someone had been there and opened up by pulling the latch string, which hangs just on the inside beside a convenient hole in the window pane. Nothing has been missed from the store-room, but there is no doubt of a midnight visitor.

CAN'T COME.

Mountain Island Won't Give Concord Two Games—Baseball Probably Ended For the Season.

It was a great disappointment to the lovers of baseball this morning when Mountain Island telephoned that they could not come to this city for two games this week. Saturday the Mountain Islanders made a proposition to come for two games, which was accepted, but gave us no definite answer as to whether or not they would come until this morning.

Baseball for this season is a thing of the past for Concord, but there is consolation in knowing that when our boys have been called upon they invariably put up the proper stuff to win every game. Good material will have been developed by next season, and our boys will be found doing business in the same old style as this year.

WILL PLAY IN CHARLOTTE.

At a late hour this afternoon a message was received from Mountain Island accepting the proposition of the Concord boys to meet them in Charlotte Wednesday afternoon. These two nines are probably the best in the State, and will put up a good game. As many as a hundred Concordians will witness the game.

For Over Fifty Years

Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for Diarrhoea. It will relieve the poor little sufferer immediately. Sold by druggists in every part of the world. Twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind.

Trinity High School.

Trinity High School opened well September 1, with forty-six students. Others are coming in daily. The prospects for the coming year are very bright. To those wishing to attend school we would say Trinity High School offers the very best advantages. It is the regular fitting school for Trinity College and ranks among the best High schools of the State.

It is filling an important place among the educational institutions of this State in preparing students thoroughly for college and for the active duties of life.

[The principal sends us the above and we gladly give the news to our readers. We have nothing better to give them than the news of prosperous schools.]

A Beautiful Flower.

Residents on Spring street were treated to a beautiful sight Sunday night about 9 o'clock at the home of Mrs James R Ervin. The attraction was the opening of a cactus blossom, which, when opened, was about the size of the crown of a man's hat. Its petals were about five inches long, and being white, emblematic of purity, the blossom was lovely to behold. One peculiarity of the flower is that it blooms only at night, and another is that its loveliness is seldom equaled.

Furniture and Horses.

Some horses can be bought for \$5 others will cost \$100, any difference. So with Furniture. Ours is the Standard. We get more for our goods. Why? It costs more to make them, they are better, they last, they give satisfaction, insuring comfort. Customers see these points and are willing to buy a good horse. We have just bought two car loads of furniture, each weighing from 12,000 to 15,000 pounds. Does this mean anything? Why of course, when freight rates on small shipments are as high as \$2.49 per hundred pounds. We wish to please our customers, therefore we carry all grades of furniture. Hat racks from 10c. to 5 00, 7 00, 8 00 to 25 00. Rockers from 40c. 75c, 1 00, 1 25, 2 00, to 10 00. Parlor suits Silk and Plush from 15 00, 20 00, 25 00, 35 00 to 50 00. Ward Robes 5 00, 7 00, 8 00, 10 00 to 30 00. We have over 100 bed room suits from 8 50, 12. 0, 18.00 20 00, 25.00, 65 00 to 100. Over 2000 chairs from 40c. 50c. 75c. 1.00 to 10.00, 12.00. Extension tables 3.00, 5 00, 7.00, 8.00 to 25.00. We do not say we will sell you goods as cheap, but less. Why? Because we have the inside track, though we are not as swift as Star Pointer, who paces a mile in 1.59, but we mean business, i. e. to sell goods and a "heap of 'em." We do our own work, therefore we discount all bills. Store open from 6.30 a. m. to 8.30 p. m.

Yours respectfully,

Bell, Harris & Co.

P. S. —The Undertaking Department is under the care and management of Mr. W L Bell. Calls promptly attended to day or night.
