BASE BALL ENDED.

With Wednesday's Victory, the Club Disbands—An Exciting Game in Charlotte Between the Home Team and Mountain Island—Clean Ball and Fair—Ten Innings Were Played—The Score 11 to 10 in Our Favor.

Charlotte is an old town and there was a warm time in that particular part of the universe Wednesday. Concord was represented by fully two hundred of her 7,000 population, who accompanied the base ball team to the Mecca of the State to witness one of the closest contested games that was ever played on the Charlotte diamond.

When the party arrived in the city Wednesday morning, Mayor Springs turned the town over to the "Rooters" and their followers, and the boys felt free and easy from start to finish.

Charlotte was, almost to a person, pulling against Concord for Mountain Island, but despite her efforts to dethrone and rob her of her laurels, our boys were victorious and they still wear the belt, having won every game during the season.

The game was witnessed by five hundred or more people and not only Concord, but every spectator was wild with enthusiasm and excitement.

In the seventh inning Concord and Mountain Island had scored nine runs each, and in the eighth and ninth neither made a run. In the tenth inning, Mt. Island scored one run and Concord made two, giving the home team 11 and its antagonist's 10, the score by innings being as follows:

Concord—0 0 1 0 4 0 4 0 0 2—11.
Mt. Island—3 0 3 1 0 1 1 0 0 1—10.

Mr. Eugene Graham, of Charlotte, umpired the game and his impartial decisions won for him a great place in the hearts of our people. He was certainly fair.

Parker, Mountain Island's pitcher, and Jenkins, the catcher, make a good strong battery, but nothing to compare to Weddington and Reed, when our pitcher is in good shape. It is greatly regretted that he was too unwell to show the people of Charlotte and community what's in him. When Mr. Weddington left the box in the third inning, his temperature was 101, hence the necessity for playing Mangum and Baily as the battery. Weddington's falling out caused Caldwell to go to pieces, but he soon picked up and came to himself again on the home stretch. It was a terrible effort for our boys to play Charlotte and Mountain Island both, but they succeeded admirably well. "We are the victors, having got the game and the spoils."

The game of yesterday wound up baseball for this season, the club having disbanded. Several of the team will leave for school tomorrow, while others will apply themselves to books and their respective work at home.

The inaccuracy of yesterday's report and the lateness of the paper was due to the fact that the forms were held for the result, and as the game was not through until such a late hour it was impossible to get anything over the telephone except what was picked up on the streets in the city.

USED DYNAMITE.

Some One Put Dynamite in the Water and Killed the Fish—Little Boys Sold Them.

It will be remembered that several days ago THE STANDARD made a note of the fact that a number of dead fish were seen floating down stream in Buffalo creek, but gave no cause for their death. Alfred Vanderburg, who works at night in the Cabarrus mill, says that some one put dynamite in the water, killing the fish. He says he heard the report and saw the smoke at the time, but paid no attention to it.

Wednesday morning three little white boys peddled several bunches of fish around Cannonville, and it is believed that the boys gathered up the dead fish that had been dynamited Monday night.

Fifteen Days.

Walter Brem, a negro tramp, was arrested this morning by Policeman Bost, charged with "beating" trains. The negro attempted to assault the officer by drawing a rock, for which he was found guilty and sent to the chain gang to serve a term of fifteen days.

Watermelon Rogues Frightened By School Boys.

Several little boys who were returning from Charlotte Wednesday evening had quite a scare at Newell's, their train having been sidetracked there. A convenient watermelon patch was raided by the young passengers and the High School boys having overheard the plot to make the second charge, secreted themselves in the patch and when the little fellows were fairly in the field, the school boys opened fire, which frightened the "phines" away, and giving the Newell boys the laugh on them.
