MAY BUILD.

The Graded School Commissioners May Build a Home on the School Grounds.

A matter of considerable importance is being considered by the board of graded school commissioners.

A movement is on foot to build a suitable residence for the superintendent on the graded school grounds. The idea is a good one and if the plans are carried out the construction of such a home will meet hearty approbation of the city at large.

Plans and specifications are being drawn up, and the movement may materialize within the next few days.

The grove in which the home will be built is one of the loveliest locations in the city and the most desirable available place.

Fortune for a Tramp.

San Francisco, Cal., Sept. 8.—Jacob Wilson, aged 52, who came to this State a tramp last March, and applied for work in Tulare county for his board, has received word that the United States Supreme Court has decided in his favor a suit that will give him a good portion of a \$15,000,000 estate. The suit was brought in the New York courts in 1886, and affects the estate of Jacob Wilson, Sr., banker and broker of Wall street.

Young Wilson, according to his story, in 1873 married a woman who was a nurse in the family. The family raised a row and Wilson went to Australia with his wife.

In 1884 his father died, cutting off Wilson without a dollar. In 1886 he brought suit to break the will, and during the eleven years interim has been penniless and a wanderer. Last week he received news that his suit had been successful, but he is only modestly elated over it.

He is particularly bitter against his sisters. One of them lives in Pittsburg, where her husband is the president of a large manufacturing company. Wilson says that in 1893, after the hardships of an overland tramp from California and sick and hungry, he went to the door of her home in the aristocratic part of Pittsburg and sought help.

He was treated as one of the outcasts of the world, and there was neither food nor money for him. After working on a ranch in Tulare for a few months for his board, Wilson got a place on a small weekly newspaper at Dinuba and was making barely enough to keep himself alive when he received the news of his good fortune. Wilson is now in Stockton arranging with a firm of lawyers to obtain his inheritance.

The Schools are Doing Well.

The following from the Horner Military school, at Oxford, N. C., adds one more to the uniformly encouraging reports that greet us this fall from almost every institution of learning:

"We are much pleased with our opening. A larger number of new students than for several years."

Submitted to Manslaughter.

In the criminal court at Charlotte, the case of 10-year-old Johnnie Austin for the murder of his playmate, Kell Eaton, was called Thursday. A case of manslaughter was entered against the boy, and the youthful criminal will be arraigned before Judge Sutton tomorrow morning to receive his sentence.

RAN OVER HIS LEG.

Monroe Suthard Badly Injured at the Southern's Station.

Monroe Suthard, a young white man, who says he hails from Danville, Va., was seriously injured in the yard of the Southern passenger station this morning at 5 o'clock.

It seems that Suthard beat his way to Charlotte on the local freight from the north. After arriving at Charlotte the train was sidetracked and Suthard lay down underneath one of the cars for a nap. When the shifting engine was making up the train this morning some one of the train hands heard Suthard yell and on reaching him found that one of the wheels of a freight car had passed over his left leg between the knee and ankle.

He was sent to the hospital, where he was attended by Dr. R. L. Gibben the Southern's surgeon. Dr. Gibben does not think that amputation will be necessary.—Charlotte News.

Music Will Be Taught in All the Grades.

Mr. R. L. Keebler will have charge of vocal music in the Graded Schools this year. All the grades will have music. Mr. Keebler will divide his time equally among the three buildings.

The ninth grade will be revived this year and the proposed course of study will be given to the public in a few days.

She Was a "Trash Mover."

The little 8-year-old ginger case negro daughter of Hattie Harlan went into the rear end of Bell, Harris & Co.'s furniture store Thursday afternoon while Mr. Bell was engaged in the front, and stole a handsome work basket, filling it with drawer handles and other furniture fixtures. She was seen on the streets with her plunder and was at once suspected of being a rogue. When questioned as to where she got "those things," she said that she found them in a trash pile in rear of the store above mentioned. Mr. Bell was notified and succeeded in securing his goods from the girl with but little persuasion.

Will Have to Play With Yarn Balls.

This morning's Observer says: "It has been suggested that Charlotte play Concord."

If such a game should ever be played, Charlotte merchants who deal in sporting goods will have to wake up or the Charlotte team will have to do their playing with yarn balls. It's a positive fact, a baseball could not be found in Charlotte.

Death at Milton.

Mr. G. G. Richmond received the sad intelligence that his brother Nathaniel Richmond died this morning at his home at Milton, of typhoid fever. Deceased had been sick for some time. His sister, Mrs. Judge W. J. Montgomery left for Milton last night. Mr. Richmond will leave tonight to attend the funeral.

LAWN PARTY TONIGHT.

Ladies Will Serve Ice Cream and Cake at Mrs. J. S. Fisher's.

If this intensely hot weather holds out the party to take place on the beautiful lawn of Mrs. J. S. Fisher tonight will very likely be a great success and entirely in season.

The event will be given under the auspices of the ladies of the Lutheran church. The public is cordially invited to be present.

Do not fail to go—it's for an excellent cause.

Furniture and Horses.

Some horses can be bought for \$5 others will cost \$100, any difference. So with Furniture. Ours is the Standard. We get more for our goods. Why? It costs more to make them, they are better, they last, they give satisfaction, insuring comfort. Customers see these points and are willing to buy a good horse. We have just bought two car-loads of furniture, each weighing from 12,000 to 15,000 pounds. Does this mean anything? Why of course, when freight rates on small shipments are as high as \$2.49 per hundred pounds. We wish to please our customers, therefore we carry all grades of furniture. Hat racks from 10c. to 5 00, 7 00, 8 00 to 25 00. Rockers from 40c. 75c, 1 00, 1 25, 2 00, to 10 00. Parlor suits Silk and Plush from 15 00, 20 00, 25 00, 35 00 to 50 00. Ward Robes 5 00, 7 00, 8 00, 10 00 to 30 00. We have over 100 bed room suits from 8 50, 12 00, 18 00, 20 00, 25 00, 65 00 to 100. Over 2000 chairs from 40c. 50c. 75c. 1.00 to 10.00, 12.00. Extension tables 3.00, 5 00, 7.00, 8.00 to 25.00. We do not say we will sell you goods as cheap, but less. Why? Because we have the inside track, though we are not as swift as Star Pointer, who paces a mile in 1.59 1/2, but we mean business, i. e. to sell goods and a "heap of 'em." We do our own work, therefore we discount all bills. Store open from 6 30 a. m. to 8 30 p. m.

Yours respectfully,

Bell, Harris & Co.

P. S.:—The Undertaking Department is under the care and management of Mr. W. L. Bell. Calls promptly attended to day or night.

Yours respectfully,

Bell, Harris & Company.
