CONCORD, N. C., FRIDAY SEPTEMBER 24, 1897

WHOLE No.—1,105

WEDNESDAY, OCTOBER 6TH

Mr. Ed. F. White and Miss Maggie Burleyson to be Married on that Day.

Invitations are out announcing the marriage of Mr. Ed F White and Miss Maggie Burleyson, which will take place at the home of the bride on Wednesday evening, October 6th, at 7 o'clock. Mr. White is one of Concord's most sterling business men, and is a member of the firm of Swink & White, while his bride-elect is the accomplished daughter of Mr. Benjamin Burleyson, a prominent and prosperous planter of No. 10 township.

Mr. Chalmers White, of this city and Miss Lou Burleyson, a sister of the bride, will be the only attendants.

After the ceremony a grand reception will be tendered the guests, a number of whom will be from the city.

Mr. and Mrs. White will leave the following day on a bridal tour, and among other places they will visit will be the exposition at Nashville.

That Mocksville Extension.

The latest news in railroad circles is furnished by the Salisbury Sun, which says that it is reliably informed that the railroad being surveyed from Mocksville will make a turn at a point three miles this side of Cleveland and run parallel with the Western road to Salisbury. This will give Salisbury direct connection with the Norfolk & Western at Winston, and will cause freight that now goes via Greensboro, to go direct to that place. The Sun says the road may be extended to Mooresville, but not for some time.

To Release Some and Secure Others

J. W. M. H. A. Caldwell's business at Raleigh is to ask Governor Russell for the release of Thomas and Morton Petrea, two white men who are serving a sentence of two years on our county chain gang, convicted of having thrown dynamite under the house of an old man named Bowen, who lives in No. 9 township. The Petrea men have served about sixteen months.

Another mission is to lease thirty convicts from the penitentiary to be worked on the county roads.

It is very improbable that Mr. Caldwell will be able to secure the desired help from the penitentiary, as it is claimed thirty men that can be used for that purpose are not available.

Another Negro Postmaster.

A special to the Raleigh News and Observer from Scotland Neck, Halifax county states that Collier P. Anthony, a negro barkeeper, has been appointed postmaster at that place. Anthony is a member of the board of county commissioners and is said to be a negro of good business capacity. The white people of the section are very sore over the appointment of a negro, but they have no personal prejudice against Anthony.

KILLED FIFTY-ONE.

Pink Misenheimer Sees Mr. Suther's Forty-Nine Sparrows and Goes Him Two Better.

Mr. P. M. Misenheimer, bookkeeper at the Fenix Flour Mills, breaks all previous records at killing birds, of the English sparrow specie.

He had read and heard a great deal about the killing of forty-nine sparrows, at one shot, by Mr. V. Y. Suther, several weeks ago, and raises that number by two.

On Wednesday afternoon the street in front of the mill was covered with the little birds, and getting his shot gun, Mr. Misenheimer fired into them, and by actual count killed fifty-one.

It will be remembered that about one year ago this same gentleman killed fifty at one shot, while the birds had flocked at the mill to feed on the scattered grains of wheat.

Concord Roasting.

Under the above caption the Stanly Enterprise of this week copies the following from THE STANDARD:

"The Concord cotton market is following close in the footsteps of her excellent baseball team. She beats everything in the State, and is of course the best."

And then comment on it in this way:

"Now come off brother, don't get such a hump on yourself. Why didn't you play the Mountain Island boys? You disbanded your team too soon. And as for cotton, your market has been behind Albemarle all the season. Concord is a great State."

If the editor of the Stanly Enterprise isn't at least four weeks behind time in both baseball and cotton circles, he would admit, with pleasure, that we are the people and do actually lead this section of the State in paying the highest price for all cotton, Stanly cotton especially.

As to the Mountain Island baseball boys, the Concord boys met them in Charlotte on Wednesday, the 8th day of September and defeated them in a fair and square game.

Brother Rufus A. Crowell is the one who should get a hump on himself.

NORTH CAROLINA AT LARGE.

Davidson College has matriculated 160 students, the highest number ever entered so early in the session. Dr. Shearer thinks the number will reach 180, which will surpass all previous records.

The party that cannot run the penitentiary without bankrupting it, nor the insane asylum without disgracing it, is the same party that knows more about everybody else's business than they do themselves, says the Greensboro Telegram.

—Mr. J. M. Hudson, of Charlotte, was in the city today.

Furniture and Horses.

Some horses can be bought for \$5 others will cost \$100, any difference. So with Furniture. Ours is the Standard. We get more for our goods. Why? It costs more to make them, they are better, they last, they give satisfaction, insuring comfort. Customers see these points and are willing to buy a good horse. We have just bought two car loads of furniture, each weighing from 12,000 to 15,000 pounds. Does this mean anything? Why of course, when freight rates on small shipments are as high as \$2.49 per hundred pounds. We wish to please our customers, therefore we carry all grades of furniture. Hat racks from 10c. to 5 00, 7 00, 8 00 to 25 00. Rockers from 40c. 75c, 1 00, 1 25, 2 00, to 10 00. Parlor suits Silk and Plush from 15 00, 20 00, 25 00, 35 00 to 50 00. Ward Robes 5 00, 7 00 8 00, 10 00 to 30 00. We have over 100 bed room suits from 8 50, 12 00, 18 00 20 00, 25 00, 35 00 to 100. Over 2000 chairs from 40c. 50c. 75c. 1 00 to 10 00, 12 00. Extension tables 3 00, 5 00, 7 00, 8 00 to 25 00. We do not say we will sell you goods as cheap, but less. Why? Because we have the inside track, though we are not as swift as Star Pointer, who paces a mile in 1.59, but we mean business, i. e. to sell goods and a "heap of 'em." We do our own work, therefore we discount all bills. Store open from 6.30 a. m. to 8.30 p. m.

Yours respectfully,
Bell, Harris & Co.

P. S.:—The Undertaking Department is under the care and management of Mr. W. L. Bell. Calls promptly attended to day or night.
