A GRAND SUCCESS.

Mite Meeting Largely Attended—Prizes Awarded the Young Men.

The meeting of the Mite Society, held at the hospitable home of Mr. and Mrs. Elam King on South Main street Friday night, was a grand success. Its social features have no equal, and the large number in attendance were amused in various interesting ways.

Contests were had on the most expert at sewing, darning, measuring, receipts and sweeping, and the prizes were awarded to the following young gentlemen:

The first prize was awarded to Mr. R L Kessler for the best sewing. It was a Bachelor's Button.

Mr. A Jones Yorke was given a tape measure for the best and latest style ladies sleeve pattern.

Mr. Chal. White won the darning egg for being the most proficient at darning.

A broom was won by Mr. Aubrey Hoover, who handled the broom in sweeping as gracefully as a most any woman.

For the best cake receipt Mr. Bernard Fetzer was awarded a pie.

Misses Lucy Lore, Mary Skinner, Belle Means, Miss Savage and Mrs. S J Lowe were the judges, and the prizes were presented by Miss Belle Moser.

The "Coming Woman" and the "Going Man" were very much in evidence and the evening, with its novel and entertaining programme, was something new and very much enjoyed.

The Mite Society will hold its meeting next Friday night at the home of Mr. and Mrs. S J Lowe, on West Depot street.

The financial feature was not neglected in the least and the mites collected netted several dollars for the society.

For Over Fifty Years

Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for Diarrhoea. It will relieve the poor little sufferer immediately. Sold by druggists in every part of the world. Twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind

"The Mont Amoenian."

Rev. H N Miller will next week begin the publication of "The Mont Amoenian," a sixteen-page monthly magazine. It will be edited exclusively by the ladies of the seminary at Mt. Pleasant.

Rev. Miller is in the city today soliciting subscriptions and advertisements. He tells us there are now 84 students in attendance with new ones coming in every week.—Salisbury Sun.

After using a 10 cent trial size of Ely's Cream Balm you will be sure to buy the 50 cent size. Cream Balm has no equal in curing catarrh and cold in the head. Ask your druggists for it or send 10 cents to us.

ELY BROTHERS,

I suffered from catarrh three years; it got so bad I could not work; I used two bottles of Ely's Cream Balm and am entirely well; I would not be without it.—A C Clark, 341 Shawmut Ave., Boston.

ACCIDENTAL SHOOTING.

Clark Atwell, While Loading a Pistol, Shoots His Six-Year-Old Brother, Fred—Probably Fatally Injured.

A very serious and probably fatal shooting affair occurred at Cannonville this morning a few minutes after 10 o'clock.

Mr. R O Atwell lives in New Town, house No 87.

While his 18-year-old son, Clark Atwell, was loading a pistol, the dangerous fire arm accidentally discharged and the ball took effect in the abdomen of his little six-year-brother, Fred.

Little Fred was standing in the kitchen, with his elbows resting upon the dining table, watching with great interest his older brother clean and load the pistol. Clark was sitting on a board in the kitchen door, and not until after the pistol had discharged and done its fearful work, did the young man realize the dangers of a pistol. Clark could not tell exactly what made the pistol go off. He was not snapping it or handling it carelessly. It was a 32 calibre rim fire pistol.

The child who was shot is a bright looking little fellow. The ball entered just below the breast bone and, it is thought, penetrated the pancreas.

Drs. Young and Smoot were called in to attend the child and dressed the wound. They did not probe for the bullet, which lodged in the child's stomach.

The accident is a very distressing one and may prove fatal.

Who can fail to take advantage of this offer. Send 10 cents to us for a generous trial size or ask your druggist. Ask for Ely's Cream Balm, the most positive catarrh cure. Full size 50 cents.

ELY BROS., 56 Warren St., N. Y. I suffered from catarrh of the worst kind ever since a boy, and I never hoped for cure, but Ely's Cream Balm seems to do even that. Many acquaintances have used it with excellent results.—Oscar Ostrum, 45 Warren Ave., Chicago, Ill.

Dr. S J Welsh, treasurer of Carolina Conclave Improved Order of Heptasophs, delivered to Mrs. Martha Austin, mother of the late V O Austin, a check for \$2,000 yesterday, the amount of insurance carried in that order by Mr. Austin.—Monroe Enquirer.

Muggins—"My wife's new hat cost \$20." Cuggins—"It cost me \$1.50 more." "What? How?" "That was the price of my seat behind it at the matinee."

WARNING.

We wish to caution all users of Simmons Liver Regulator on a subject of the deepest interest and importance to their health—perhaps their lives. The sole proprietors and makers of Simmons Liver Regulator learn that customers are often deceived by buying and taking some medicine of a similar appearance or taste, believing it to be Simmons Liver Regulator. We warn you that unless the word Regulator is on the package or bottle, that it is not Simmons Liver Regulator. No one else makes, or ever has made Simmons Liver Regulator, or anything called Simmons Liver Regulator, but J. H. Zeilin & Co. and no medicine made by anyone else is the same. We alone can put it up, and we cannot be responsible, if other medicines represented as the same do not help you as you are led to expect they will. Bear this fact well in mind, if you have been in the habit of using a medicine which you supposed to be Simmons Liver Regulator, because the name was somewhat like it, and the package did not have the word Regulator on it, you have been imposed upon and have not been taking Simmons Liver Regulator at all. The Regulator has been favorably known for many years, and all who use it know how necessary it is for Fever and Ague, Bilious Fever, Constipation, Headache, Dyspepsia, and all disorders arising from a Diseased Liver.

We ask you to look for yourselves, and see that Simmons Liver Regulator, which you can readily distinguish by the Red F on wrapper, and by our name, is the only medicine called Simmons Liver Regulator.

Ignored Charlotte.

A Charlotte man who was in Greensboro last night tells a News reporter that he had to laugh at a porter calling to the passengers to get aboard. When the train was about to pull out for the South a black, greasy porter yelled out "All aboard for Spencer, Salisbury, Concord and Atlanta!" "It is an actual fact," said this gentleman, "that there were more passengers on this train for Charlotte than for all the rest of the stations between Greensboro and this place."—Charlotte News.

Sure He Has Found a Cure.

Buenos Ayres, Brigentina, Oct. 13. —A telegram from Montevideo, Uruguay states that Dr. Sanarelli, who a few months ago announced his discovery of the yellow fever germ, and who announced a few days ago, the discovery of a curative serum, encountered great difficulties before he perfected the serum. He made experiments on many animals, including horses and oxen, which had been inoculated with fever virus. After hard work he finally succeeded in producing a serum which he found would immunize inoculated animals. After a conference with leading members of the Medical Society of Uruguay, Dr. Sanarelli will go to Rio Janeiro, where he will test his serum on a fever patient. He expressed himself as absolutely confident of the curative powers of the fluid.

and take a look through a big drive in Men's Pants which we opened yesterday—the product of one of the largest pant factories in the country. We closed out 16 lines amounting to over 406 pairs.

We saved all the profit we want in the buying. We are glad to give them to you at wholesale factory prices. Not less than they cost us, but less than the same pants cost a great many merchants who bought 30 days ago.

Give us a look. If prices are not right don't buy. If you buy and find they are not what you need, you get your money back.
