

Daily Concord Standard.

Vol. XII.—No. 136

CONCORD, N. C., SATURDAY OCTOBER 23 1897

WHOLE No.—1031

A CHANGE.
To the citizens of Concord and the public generally: I wish to return sincere thanks for kindness shown and information given me for the past three and a half years, during which time I have been connected with THE STANDARD as its city editor. If I failed to do my duty and please the public, it was no fault of mine. I did the best I could. With good wishes for your future welfare and happiness, along with the editor and my successor (named below) I bid you one and all adieu.
HARRY P. DEATON.

Our efficient reporter, Mr. H P Deaton, having decided upon a business enterprise by which it becomes necessary for him to withdraw from THE STANDARD, we necessarily proceed under some material changes. It will be noticed that the name of Wade Barrier stands at the head of our local column. We have secured the services of Master Colon Allred, a neat, genteel and promising boy, whose uprightness and efficiency commands our confidence, to do most of our collecting.

Flattering ourselves that the patrons of THE STANDARD recognize the high purpose of it to serve the best interests of its constituency, and hoping that this has not been an empty sentimentalism but a recognized reality, we appeal to all to contribute to its success by furnishing to its representatives such matters of news, kind suggestions and substantial support as will make possible the consummations of its upward and onward ambitions. Friends speak a kind word for us and to us if you feel justified in doing so. We need and should have a larger support.

That human imperfection that crushes the energies of the conscientious in all the walks of life comes with double force in the get-up of the daily paper and bespeaks the charity of its readers while it dispenses its feasts of pleasure to those who look on the bright side of life and realize the real benefits of a good newspaper.

Something to Depend On.

Mr. James Jones, of the drug firm of Jones & Son, Cowden, Ill., in speaking of Dr. King's New Discovery, says that last winter his wife was attacked with La Grippe, and her case grew so serious that physicians at Cowden and Pana could do nothing for her. It seemed to develop into Hasty Consumption. Having Dr. King's New Discovery in store, and selling lots of it, he took a bottle home, and to the surprise of all she began to get better from the first dose, and half a dozen dollar bottles cured her sound and well. Dr. King's New Discovery for Consumption, Coughs and Colds is guaranteed to do this good work. Try it. Free trial bottles at Fetzer's Drug Store.

The New Printing Office.
Messrs Harry P Deaton and Frank Brumley have opened out a job printing office in this city and occupy rooms over Mr. G G Richmond's feed store on West Depot street. These young men are practical printers and will, no doubt, do a successful business. The neat little seminary journal, "The Mont Arconian," will be printed at that office.

BUILDING OF THE SHIP.

The Entertainment at Central Church Decided Success—Large Audience and Attractive Programme.

The building of the Missionary Ship, which took place at Central Methodist church Friday night was a happy hit and a decided success. The juveniles of the two churches, Forest Hill and Central, built the ship with such perfectness that would make an old ship builder think a great deal more than one does ordinarily. An attractive programme of songs and recitations delighted the audience and the evening has been pronounced one of the most entertaining that has passed in this city in some time. The church and galleries were filled to overflowing, many being turned away.

As a result from a financial standpoint, the societies realized \$17.50. The building of the ship will be repeated at Forest Hill Methodist church tonight.

Old People.

Old people who require medicine to regulate their bowels and kidneys will find the true remedy in Electric Bitters. This medicine does not stimulate and contains no whiskey nor other intoxicant, but acts as a tonic and alterative. It acts mildly on the stomach and bowels, aiding strength and giving to the organs, thereby aiding nature in the performance of the function. Electric Bitters is an excellent appetizer and aids digestion. Old people find it just exactly what they need. Price 50c and \$1.00 per bottle at Fetzer's Drug Store.

A Mad Dog's Funks in Sampson.

A son of Mr. Robt. Crumpler, of Sampson county, near Clinton, was in the city Monday, and reported a most exciting adventure with a mad dog. He said that he was at breakfast that morning when he heard a great disturbance among the pigs in the barn lot, and calling his two dogs went out to investigate. When he arrived at the barn a ferocious looking dog, foaming at the mouth and with glaring red eyes, jumped from among the hogs and made for him. His two dogs, however, intervened, and a terrible battle commenced. In the mean time Mr. Crumpler ran to the house, procured his gun and shot the dog dead in the midst of the fight. His two dogs, which he said he would not have parted with for anything, were badly bitten, and were shot immediately. Mr. Crumpler thinks that all the pigs, 31 in number, will have to be killed also.—Fayetteville Observer.

• WARNING.

We wish to caution all users of Simmons Liver Regulator on a subject of the deepest interest and importance to their health—perhaps their lives. The sole proprietors and makers of Simmons Liver Regulator learn that customers are often deceived by buying and taking some medicine of a similar appearance or taste, believing it to be Simmons Liver Regulator. We warn you that unless the word Regulator is on the package or bottle, that it is not Simmons Liver Regulator. No one else makes, or ever has made Simmons Liver Regulator, or anything called Simmons Liver Regulator, but J. H. Zeilin & Co., and no medicine made by anyone else is the same. We alone can put it up, and we cannot be responsible for other medicines represented as the same do not help you as you are led to expect they will. Bear this fact well in mind, if you have been in the habit of using a medicine which you supposed to be Simmons Liver Regulator, because the name was somewhat like it, and the package did not have the word Regulator on it, you have been imposed upon and have not been taking Simmons Liver Regulator at all. The Regulator has been favorably known for many years, and all who use it know how necessary it is for Fever and Ague, Bilious Fever, Constipation, Headache, Dyspepsia, and all disorders arising from a Diseased Liver.

We ask you to look for yourselves, and see that Simmons Liver Regulator, which you can readily distinguish by the Red wrapper, and by our name is the only medicine called Simmons Liver Regulator.
J. H. ZEILIN & CO.
