## THE PRIZE FIGHT.

**Money Wagered For the Pugilists—The Law Takes Them in Hand.**  
From reliable source we learn that there was a prize fight in our county Wednesday, which took place in No. 9 township. A nice amount of money was put up on both sides for the pugilists. We withhold, by request, the names of the participants. Quite a large number of people of that community witnessed the battle, and no damage is reported from it, save some bad scratches. But the end has not yet come. The law took it in hand at once and the parties were tried before E. J. Herring.

## Another One Caught.

Policeman Blackwelder, Charlotte's reputable officer, came over last night after a negro that Policeman Best pulled out of a box car the other night, which it seems he had broken into at Charlotte, and remained in the car until he arrived at this place.

Policeman Best and Blackwelder took the negro back to Charlotte last night and this morning a fine was put on him of ten dollars, and not being able to pay it, he goes to the Mecklenburg chain gang. He claims his home is in Salisbury. His name is Walter Robbins.

## WARNING.

We wish to caution all users of Simmons Liver Regulator on a subject of the deepest interest and importance to their health—perhaps their lives. The sole proprietors and makers of Simmons Liver Regulator learn that customers are often deceived by buying and taking some medicine of a similar appearance or taste, believing it to be Simmons Liver Regulator. We warn you that unless the word Regulator is on the package or bottle, that it is not Simmons Liver Regulator. No one else makes, or ever has made Simmons Liver Regulator, or anything called Simmons Liver Regulator, except J. H. Zeilin & Co. and no medicine made by anyone else is the same. We alone can put it up, and we cannot be responsible, in other medicines represented as the same do not help you as you are led to expect they will. Bear this fact well in mind, if you have seen in the habit of using a medicine which you supposed to be Simmons Liver Regulator, because the name was somewhat like it, and the package did not have the word Regulator on it, you have been imposed upon and have not been taking Simmons Liver Regulator at all. The Regulator has been favorably known for many years, and all who use it know how necessary it is for Fever and Ague, Bilious Fever, Constipation, Headache, Dyspepsia, and all disorders arising from a Diseased Liver.

We ask you to look for yourselves, and see that Simmons Liver Regulator, which you can readily distinguish by the Red Z in wrapper, and by our name, is the only medicine called Simmons Liver Regulator.

## MR. PULLMAN'S WILL.

**His Estate Valued at Only \$7,600,000—George and Sanger on Short Rations—Wife and Daughter Well Provided for.**  
Chicago, Oct. 27.—The will of George M. Pullman was filed for probate this afternoon. To his widow he left the homestead Prairie avenue. Sufficient sums are also set aside to provide her with an income of \$50,000 yearly, during her life. One million dollars each is left in trust for his two daughters, Mrs. Frank O. Lowden, of Chicago, and Mrs. Carolan, of San Francisco. An income of but \$3,000 yearly is provided for his sons, George M., Jr., and Sanger W. Mrs. Lowden is also given the summer residence known as Castle Rest, on an island in the St. Lawrence river.

About \$150,000 in sums of \$10,000 and \$20,000 is left to various charitable institutions in Chicago. A sum of \$200,000 is given for the erection of a Manual Training School in Pullman, which is also endowed with \$1,200,000. Five old employees are given \$5,000 each. Two sisters and two brothers of the dead millionaire are given \$50,000 each, and another brother gets \$25,000. If the estate shall be more than sufficient to satisfy all the devises, trusts and legacies named, the executors are directed to divide the excess into two equal shares and add the same respectively to the portions set aside for the daughters, Mrs. Lowden and Mrs. Carolan.

The total value of the estate is shown by the petition for letters testamentary to be \$7,600,000. Of this amount \$6,800,000 is personal property and \$800,000 realty. Attorney Rannels, who prepared the will said that these figures are a conservative but fair estimate of the value of the estate.

## The Fair Will Be Good.

The STANDARD man took a peep into the rooms of the Ladies' Benevolent Fair today and found it very creditable indeed, even before the babies and the good things to eat arrived on the scene; what will it be then! The stock of curios is sufficient to entertain one for many hours, and surprises one to find what all is stowed away as objects of interest in private families in the town. These have an interest far deeper than the external display indicates. Spectators with a fondness for such will be royally entertained. The art gallery has some very pretty displays and the ladies' fancy work would grace such exhibit anywhere. We are proud of the get-up of our city's fair ones. The fair will be good.

## "Dat's Hit."

The New Orleans Times Democrat says that in fumigating the baggage cars after they are left sealed for an hour and the malehyde gas has been blown in, a bottle of yellow fluid is thrown in as soon as the door is opened to destroy the order of the gas. A gentleman the other day asked the darkey doing the job what that was for.  
"Dat," said the negro, who wanted to appear entirely familiar with the process of disinfection, "dat's ter disavow de smell uv de family-hide gas yer know; hit kill de bugs and den dey got to git something ter kill hit."

## Whose are They?

Yesterday (Wednesday) evening some one found three and one-half pairs of brand-new brogan shoes, under the warehouse at Cannon's factory. It is very probable that these shoes were stolen by some one and left there for a while. A mortise lock was also found with the shoes.
