FOREST HILL NEWS.

Quarterly Conference—Will Begin Housekeeping Soon—Missionary Tea a Success.

Rev. J D Arnold held the last quarterly conference at Bay's chapel last night, for this year, he being appointed to fill Rev. J R Scrogg's place as presiding elder on this occasion.

Mr. W A Wilkinson is preparing to build a handsome stable.

The new house of Thos. Litaker, on North Church street, is receiving the finishing touches. We think Thos. intends house keeping soon.

This Missionary Tea given by the Woman's Missionary Society at the Methodist parsonage last night was a decided success and a pleasant affair in every respect, which consisted of music, songs and recitations and last, but not least, refreshments were served, which the good ladies had prepared in abundance. Messrs H M Barrow and F O Howland sang some solos, accompanied by Mrs. R A Brower's master hand at the piano, while Miss Hoover and Masters Ralph and Arthur Odell rendered some excellent recitations. There was no admission fee charged but a box was prepared and placed near the door for contribution, which was found to contain, when opened, \$7.91. This organization has 55 members and each member had the privilege of taking a friend, consequently about one hundred persons were present.

Mrs. Samuel Cauble, who has been visiting her daughter, Mrs. Chas. Furches, of Statesville, has returned home.

The Coming Woman

They will be troubled with loss of appetite, headaches, sleeplessness, fainting or dizzy spells. The most wonderful remedy for these women is Electric Bitters. Thousands of sufferers from Lame Back and Weak Kidneys rise up and call it blessed. It is the medicine for women. Female complaints and Nervous troubles of all kinds are soon relieved by the use of Electric Bitters. Delicate women should keep this remedy on hand to build up the system. Only 50c. per bottle. For sale by P B Fetzer.

He will be pleasantly remembered in this city as the popular excursionist of Charlotte, having carried the people to Asheville, Wilmington and elsewhere within the last few years. Mr. Bridges is an all round hustler. He is now temporarily engaged with Mr. J T Pounds, the furniture dealer, of this city. He is stopping at Mrs. Laura Walter's, on West Corbin street.

Some Impudent Tramps.

Yesterday (Thursday) when Mr. T H Hall, who carries the mail for the people of Forest Hill, was going from the depot to Forest Hill, up the railroad, he was tackled by some tramps in a rather suspicious way. As he got near the Cannonville switch he noticed five tramps lying beside the railroad track, and when he got near them one of them called to him to wait and continually tried to sell him spectacles. Mr. Hall, suspecting something wrong about his action, remarked to the man that he did not care to be followed any further by him, at which the man stopped. Mr. Hall at once notified policeman Penninger, and a search was made for them, but they had left town. Two were found afterwards that seemed to be of the gang, and they were sent out of town immediately. As Mr. Hall says, these fellows might not have meant anything wrong, but their actions seemed rather suspicious.

Yellow Jack Killed.

Cascarets Candy Cathartic kills Yellow Jack wherever they find him. No one who takes Cascarets regularly and systematically is in danger from the dreadful disease. Cascarets kill Yellow fever germs in the bowels and prevent new ones from breeding. 10c., 25c. and 50c. all druggists.

Confesses Her Crime.

Mollie Traylor, the divorced wife of Charles Traylor, of Salisbury, who was tried and convicted at the last term of Superior Court at Monroe for forgery, has been arrested in Atlanta for robbing and setting fire to a dwelling, and has made a full confession of her crime. When asked about herself she gave the following account:

"I was born in Randolph county, Alabama, and my maiden name was Mary Catharine Yarbrough. My father was killed in the Confederate army at the battle of Seven Pines. My mother died in 1881. I was raised in DeKalb county, Georgia, and have relatives there now. We moved to Georgia just after the war. I married Chas. Traylor, and afterwards separated from him. He is now living in Salisbury, N. C. I have told everything about the crimes I committed, and now I don't care what they do with me."

• WARNING.

We wish to caution all users of Simmons Liver Regulator on a subject of the deepest interest and importance to their health—perhaps their lives. The sole proprietors and makers of Simmons Liver Regulator learn that customers are often deceived by buying and taking some medicine of a similar appearance or taste, believing it to be Simmons Liver Regulator. We warn you that unless the word Regulator is on the package or bottle, that it is not Simmons Liver Regulator. No one else makes, or ever has made Simmons Liver Regulator, or anything called Simmons Liver Regulator, but J. H. Zeilin & Co., and no medicine made by anyone else is the same. We alone can put it up, and we cannot be responsible, if other medicines represented as the same do not help you as you are led to expect they will. Bear this fact well in mind, if you have been in the habit of using a medicine which you supposed to be Simmons Liver Regulator, because the name was somewhat like it, and the package did not have the word Regulator on it, you have been imposed upon and have not been taking Simmons Liver Regulator at all. The Regulator has been favorably known for many years, and all who use it know how necessary it is for Fever and Ague, Bilious Fever, Constipation, Headache, Dyspepsia, and all disorders arising from a Diseased Liver.

We ask you to look for yourselves, and see that Simmons Liver Regulator, which you can readily distinguish by the Red Z in wrapper, and by our name, is the only medicine called Simmons Liver Regulator.

Baking Powder by the Car Load.

Monday, November 15th, the Southern Manufacturing Company, of Richmond, Va., will send out over the Southern railway a solid train consisting of 21 cars of baking powders for the following points: Four for Jacksonville, Fla., Mobile 2, Montgomery 2, Wilmington 2, Charlotte 4, Pensacola 2, Atlanta 3, Macon 1 and Norfolk 1, (via Greensboro.) Each car will bear a large sign extending the length of the car, showing it to be a solid car of baking powder; also shippers name and destination.
