Twenty-Seven Cars of Baking Powder.

The great baking powder train to which reference has been made has been detained in Richmond. It only had twenty-one cars loaded solidly with baking powder, and that was not quite enough. Six more are to be added, and the train will leave Richmond Thursday. It is intended that you shall see it if you want to. It is elaborately decorated and is the largest shipment of baking powder ever shipped, probably. It travels only in daylight. We will try to keep informed and let the people know when to go to the depot to see it, believing all will be pleased.

He Is Coming Down South.

It will probably be remembered by some of our STANDARD readers that some time ago an advertisement was inserted in this paper from Devenny Bros., of Pennsylvania, to arrange an exchange of property for one of their clients. From the McKeesport, Pa., Times, we learn that the advertisement's result was not only a satisfactory exchange, but so many desirable properties were offered that Mr. Devenny, of the firm, will leave in a few days to be absent three weeks, during which time he will visit a number of the principal cities, and will meet quite a number of prominent Southern capitalists and will inspect a large amount of property.

EVANGELIST FIFE

Holding a Meeting at Lexington—Large Crowd Attending—Town Growing Fast.

The following letter was sent THE STANDARD this (Tuesday) morning from one of our friends, Rev. J S Dunn, in regard to his Lexington trip:

Lexington, Nov. 15, '97.

EDITOR STANDARD:—Evangelist Bill Fife is holding a meeting here in the court house. The house was well packed both Sunday morning and Sunday night to hear this man. He had quite a revival here about four years ago. The meeting will go on all the week. I hope he may give the old town a good shaking up. Lexington seems to be still growing—new buildings are to be seen almost in all parts of the place. J. S. DUNN.

It is Not Dead But Sleepeth.

The infant child of Mr. and Mrs. James Blackwelder died at their home near Concord on Sunday and was buried at Cold Water church Monday, Rev. S D Stuffy conducting the funeral rites.

Our sincere sympathies are extended to this young couple that must thus yield their first born offspring to the grave, but knowing that what He doeth now we know not, but shall know hereafter, we commend them to the Source of all comfort in times of sorrow and distress.

Burglary in Charlotte.

Henry Willis has been confined to jail in Charlotte on the charge of entering the house of Alf. Caldwell, and also striking Caldwell when he jumped out of bed. Both parties are negroes. The evidence seems to be very plain.

• WARNING.

We wish to caution all users of Simmons Liver Regulator on a subject of the deepest interest and importance to their health—perhaps their lives. The sole proprietors and makers of Simmons Liver Regulator learn that customers are often deceived by buying and taking some medicine of a similar appearance or taste, believing it to be Simmons Liver Regulator. We warn you that unless the word Regulator is on the package or bottle, that it is not Simmons Liver Regulator. No one else makes, or ever has made Simmons Liver Regulator, or anything called Simmons Liver Regulator, but J. H. Zeilin & Co., and no medicine made by anyone else is the same. We alone can put it up, and we cannot be responsible, if other medicines represented as the same do not help you as you are led to expect they will. Bear this fact well in mind, if you have been in the habit of using a medicine which you supposed to be Simmons Liver Regulator, because the name was somewhat like it, and the package did not have the word Regulator on it, you have been imposed upon and have not been taking Simmons Liver Regulator at all. The Regulator has been favorably known for many years, and for Fever and Ague, Bilious Fever, Constipation, Headache, Dyspepsia, and all disorders arising from a Diseased Liver.

We ask you to look for yourselves, and see that Simmons Liver Regulator, which you can readily distinguish by the Red & m wrapper, and by our name, is the only medicine called Simmons Liver Regulator. J. H. ZEILIN & CO.

SERIOUS CUTTING AFFAIR.

Henry Stirewalt the Victim—May Prove Fatal.

A serious cutting affair took place just beyond Knoxville this (Tuesday) morning soon after midnight. Our policemen are in possession of the description of the man that is believed to have done the cutting, but not the name. The victim is Henry Stirewalt.

The wound is a fearful one and may prove fatal. The knife entered the side just under the ribs and ranged a little upward piercing the spleen.

The hemorrhage was very profuse. Dr. Wethers, of Knoxville, was in attendance and Dr. Steyens was called into consultation.

As usual, the difficulty seems due to intoxication, though the affair seems shrouded in secrecy. Dr. Steyens knows nothing beyond the condition of the patient, for whose recovery he entertains a fair degree of hope.

Gone to Goldsboro.

Mr. and Mrs. J J Turner left this morning for Wilson, near Goldsboro, where they will be for a few days, and from there they will go to Goldsboro, to make it their future home. Mr. Turner will work in the insurance business there.

We hate to lose Mr. Turner from our midst, as he is considered by all a most excellent man. Mr. Turner says he will visit our town occasionally, as he is too much of an admirer of it not to pay us a visit occasionally.
