### Something to Know.

It may be worth something to know that the very best medicine for restoring the tired out nervous system to a healthy vigor is Electric Bitters. This medicine is purely vegetable, acts by giving tone to the nerve centres in the stomach, gently stimulates the liver and kidneys, and aids these organs in throwing off impurities in the blood. Electric Bitters improves the appetite, aids digestion, and is pronounced by those who have tried it as the very best blood purifier and nerve tonic. Try it. Sold for 50c. and \$1.00 per bottle at Fetzer's Drug store.

### Mr. Query to Wed.

On next Wednesday Mr. Penick Query, of this city, will be married to Miss Lora Propst, of No. 5 township, at the home of the bride. It will be a quiet affair, no one being present but relatives and very intimate friends.

Miss Propst is a daughter of Mr. Martin A Propst, of No. 5 township, and is well known to our people. Mr. Query has been in our city for quite a number of years, engaged in the hardware business.

In advance THE STANDARD extends its congratulatory hand to this couple, and also welcomes them to our city.

## The Methodists Meet in Asheville.

The Western Conference of the Methodist Episcopal Church in North Carolina convened in Asheville Wednesday, Bishop J S Key presiding. The attendance of preachers is full and business was well despatched on the first day.

We recognize the name of Rev. J D Arnold on committee on conference relations and W R Odell on committee on Bible cause.

To the question, "Are all our preachers blameless in their lives and characters?" the answers were in the affirmative, including presiding elders, active and superannuated ministers.

At the night session the Sunday school work was considered. Mr. D B Coltrane, the treasurer of the Sunday school board, made his annual report. Rev. Dr. Atkins, the Sunday school editor, addressed the assembly on that, his favorite theme.

### The Gallant Cavalryman at Home.

From the News and Courier we learn that the gallant old General, Wade Hampton, has arrived in Columbia, not in that feeble health from which he was said to be suffering, but is entirely well and in good spirits. He has watched with the keenest interest the political drifting in his own State and elsewhere. He thinks it a special misfortune that Gorman has been defeated in Maryland. He thinks well of the Senator and says that when a boy starts as page and goes to Senator there is something in him.

### Mrs. McKinley an Heiress.

It is believed that Mrs. McKinley, mother of the President, is about to come in possession of a good little sum from ancestral relatives in Scotland.

We wish to caution all users of Simmons Liver Regulator on a subject of the deepest interest and importance to their health—perhaps their lives. The sole proprietors and makers of Simmons Liver Regulator learn that customers are often deceived by buying and taking some medicine of a similar appearance or taste, believing it to be Simmons Liver Regulator. We warn you that unless the word Regulator is on the package or bottle, that it is not Simmons Liver Regulator. No one else makes, or ever has made Simmons Liver Regulator, or anything called Simmons Liver Regulator but J. H. Zeilin & Co., and no medicine made by anyone else is the same. We alone can put it up, and we cannot be responsible, if other medicines represented as the same do not help you as you are led to expect they will. Bear this fact well in mind, if you have been in the habit of using a medicine which you supposed to be Simmons Liver Regulator, because the name was somewhat like it, and the package did not have the word Regulator on it, you have been imposed upon and have not been taking Simmons Liver Regulator at all. The Regulator has been favorably known for many years, and all who use it know how necessary it is for Fever and Ague, Bilious Fever, Constipation, Headache, Dyspepsia, and all disorders arising from a Diseased Liver.
