A Household Necessity.

Cascarets Candy Cathartic, the most wonderful medical discovery of the age, pleasant and refreshing to the taste, act gently and positively on the kidneys, liver and bowels; cleansing the entire system, dispelling colds, cure headache, fever, habit constipation and biliousness. Please buy and try a box of C. C. C. to-day, 10, 25, 50 cents. Sold and guaranteed to cure by all druggists.

A German Last Night.

A German was given by the Cotillion Club last night in the Phifer dancing hall. It was not as largely attended as usual, but nevertheless highly enjoyed by all the participants. The Keesler orchestra rendered most excellent music for the occasion. The following are the ones that took part:

Misses Emily Gibson, Agnes Moss, Belle Means, Kate Means, Lallah Hill, Sadie Fisher, Grace Fisher; Messrs Richmond Montgomery, Earl Brown, F O Howland, Chas White, G L Smith, C J Harris, Tom White, Will Flowe. The stags were Messrs W L Stark, Joe Goodman, J C Wadsworth, Geo. Patterson, Jones Yorke, Dr. Young and Aubrey Hoover.

Mr. Caldwell's Magnanimity.

We learn that Major Jim Wilson allowed the limit of time for him to appeal his case to the Supreme Court to lapse, which would have virtually placed his opponent, Mr. L C Caldwell, in possession of the chairmanship of the railroad commission. But Mr. Caldwell still agrees, we are told, to extend the opportunity to Mr. Wilson to test the case fully, if done without unnecessary delay. This information is given us from a source that we confide in, and has in it some credit to Mr. Caldwell's magnanimity. We are willing he shall have credit for that or any other virtues he may possess.

Yellow Fever Germs

breed in the bowels. Kill them and you are safe from the awful disease. Cascarets destroy the germs throughout the system and make it impossible for new ones to form. Cascarets are the only reliable safeguard for young and old against Yellow Jack. 10, 25, and 50c., all druggists.

Newbold Caught.

Newbold, the smart constable of dispensary odium that shot down J H Turner because he did not stop at Newbold's command has been arrested. The killing seems to be an unmitigated outrage and the case will be watched with interest.

THE ONLY True Blood Purifier prominently in the public eye to-day is Hood's Sarsaparilla. Therefore get Hood's and **ONLY HOOD'S.**

• WARNING.

We wish to caution all users of Simmons Liver Regulator on a subject of the deepest interest and importance to their health—perhaps their lives. The sole proprietors and makers of Simmons Liver Regulator learn that customers are often deceived by buying and taking some medicine of a similar appearance or taste, believing it to be Simmons Liver Regulator. We warn you that unless the word Regulator is on the package or bottle, that it is not Simmons Liver Regulator. No one else makes, or ever has made Simmons Liver Regulator, or anything called Simmons Liver Regulator but J. H. Zeilin & Co. and no medicine made by anyone else is the same. We alone can put it up, and we cannot be responsible, if other medicines represented as the same do not help you as you are led to expect they will. Bear this fact well in mind, if you have been in the habit of using a medicine which you supposed to be Simmons Liver Regulator, because the name was somewhat like it, and the package did not have the word Regulator on it, you have been imposed upon and have not been taking Simmons Liver Regulator at all. The Regulator has been favorably known for many years, and all who use it know how necessary it is for Fever and Ague, Bilious Fever, Constipation, Headache, Dyspepsia, and all disorders arising from a Diseased Liver.

We ask you to look for yourselves, and see that Simmons Liver Regulator, which you can readily distinguish by the Red Z wrapper, and by our name is the only medicine called Simmons Liver Regulator.

A Convict Shot.

From the Salisbury World we learn that a man named W L Wistley, of Richmond, was put on the chain gang for thirty days by Mayor Linn, but when the prisoner was taken to the gang he refused to work, and at his first chance tried to make his escape. The officers shot at him twice, the loads taking effect each time, having sent one bullet entirely through his arm and freely spotting his back and hips with buckshot. It is not thought to be fatal, though he is painfully injured.
