**HOOD'S Sarsaparilla** has over and over again proved by its cures, when all other preparations failed, that it is the One True **BLOOD Purifier**  
Mr. John O Leslie and wife, of Charlotte, spent Thanksgiving at the home of his mother, on West Depot street. They returned this (Friday) morning.  
The sudden and serious illness of Mr. C A Cook spoiled the musical programme at St. James' church for the Thanksgiving service. Mr. Cook's splendid tenor is an important factor, and his sickness deprived the choir also of Mrs. Cook's material aid. The select and choice songs had to be abandoned.  
Mothers praise Hood's Sarsaparilla, because, by its great blood-enriching qualities, it gives rosy cheeks and vigorous appetites to pale and puny children.  
Hood's pills are the favorite family cathartic and liver medicine. Price 25c.

**Carbuncles**

**Appeared Each Season Until Blood Was Purified With Hood's Sarsaparilla—An Indolent Ulcer.**  
"For several years I was troubled with carbuncles on my left side and my back. They would disappear in winter and return the next summer. I began taking Hood's Sarsaparilla and have never had any carbuncles since. My little son had a fever and an indolent ulcer appeared on his left limb and spread half way around it. Our physician recommended a blood purifier and I gave the boy Hood's Sarsaparilla with gratifying results." A. G. B. JAMES, Poplarville, Miss.  
"I have been a great sufferer from muscular rheumatism and in October began taking Hood's Sarsaparilla. I continued its use until January when I could go about as well as any one and I have had no acute pains since." I. W. MINNICK, Grand Isle, Louisiana.
