CONCORD, N. C. THURSDAY DECEMBER 2 1897

Whole No.—1067

FUTURE CHANGES

To Be Amongst Our Business Men at the First of the Year.

There will be several changes of business to take effect at the first of '98, some of which we have been requested to hold until now.

The firm of Lowe & Dick are going out of business, though can not say that they will be out the first of the year. The future business of these two members of the firm is not definitely decided upon.

The store room now occupied by Lowe & Dick will be vacated the first of the year to the firm of Gibson & Morrison.

The firm of Littles & Cornelius, who have been engaged in the grocery business in this city since July, '96, will discontinue their business here the first of the year. Mr. Littles is yet undecided as to what he will be engaged in, while Mr. Chal Cornelius will take a partnership with his brother, E. L. Cornelius, at Gastonia, who is engaged in the dry goods business.

The room occupied by the last named firm, is now rented from the first of next year by Messrs Ervin & Smith, though we are informed authoritatively that the plans of this firm for the coming year is not decided fully.

For Over Fifty Years

Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for Diarrhoea. It will relieve the poor little sufferer immediately. Sold by druggists in every part of the world. Twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind.

Railroad Accident.

The local freight train met with an accident on the side track leading to Odell's factory yesterday (Wednesday) evening. The cause seems to be the same that caused the wreck on the Atlantic & Danville road last Monday night—spreading of the rails. It was delayed two hours, though no serious damage was done, as it was traveling very slowly.

• WARNING.

We wish to caution all users of Simmons Liver Regulator on a subject of the deepest interest and importance to their health—perhaps their lives. The sole proprietors and makers of Simmons Liver Regulator learn that customers are often deceived by buying and taking some medicine of a similar appearance or taste, believing it to be Simmons Liver Regulator. We want you to know that the word Regulator is on the package or bottle, that it is not Simmons Liver Regulator. No one else makes, or ever has made Simmons Liver Regulator, or anything called Simmons Liver Regulator, except J. H. Zeilin & Co. and no medicine made by anyone else is the same. We alone can put it up, and we cannot be responsible for other medicines represented as the same do not help you as you are led to expect they will. Bear this fact well in mind, if you have been in the habit of using a medicine which you supposed to be Simmons Liver Regulator, because the name was somewhat like it, and the package did not have the word Regulator on it, you have been imposed upon and have not been taking Simmons Liver Regulator at all. The Regulator has been favorably known for many years, and all who use it know how necessary it is for Fever and Ague, Bilious Fever, Constipation, Headache, Dyspepsia, and all disorders arising from a Diseased Liver.

We ask you to look for yourselves, and see that Simmons Liver Regulator, which you can readily distinguish by the Red Z in wrapper, and by our name, is the only medicine called Simmons Liver Regulator.

EXECUTIVE COMMITTEE.

The Democratic Committee Met Tuesday Night and Issued an Address.

The State Democratic executive committee met at the Yarbors house Tuesday night in Raleigh.

There was a full and free discussion of political matters without reservation by members of the committee.

Col. Francis D Winston introduced an address which was adopted. The address reaffirms the principles of the Chicago platform, rejoices at the Democratic victories in the recent election, says the greatest victories were won in the States where Wm. J Bryan personally appealed to the people, views with alarm the depressed condition of trade and the low price of products of the farm, thanks those who assisted in carrying the State for Bryan and invites them into the councils of the party, condemns in strong terms the present rule in this State and ends with "To your tents, oh Israel!"

The following resolution was unanimously adopted: "That all white electors who intend to vote with us in the next election, and who desire the re-establishment of Anglo-Saxon supremacy and honest government in North Carolina, are cordially invited to participate in all our primaries."

More Second Growth.

Miss Laura Shoe, of China Grove, presented three nice second-growth pears to THE STANDARD today. While they are remarkable, as all second-growth fruit is, they were not like Mr. Haynes' pear, in that it surpassed the first crop. We recognize the courtesy with thanks.

Leaders.

Napoleon, Gladstone and Depew—each a leader in a different line, each successful because he devoted himself to one line of endeavor and made himself master of it.

If we are successful in our line, it is because we are thorough masters of it. We know every detail from A to Z. Successful merchandising is having what people need, and want to buy and in being able to sell these things at prices people can afford to pay. Now when farm products are cheap and wages and salaries low, that is the time for merchants to double their efforts to buy goods low—so that they can be sold low. Right here we come in. We use all our energies of mind and body to get the right things and at the lowest possible prices. We are here to serve our customers, and our constant effort is to have what you want and need, and to save money for you by giving you lower prices than you would have to pay otherwise.

Whatever our experience, our skill, and our most earnest effort, backed up with Cash, can save in buying, that we give to our patrons. And we do save our customers money. We have evidence of this every day. Lots of customers tell us that. Come to us for what you want. We'll be sure to save you money on what you buy.

We are constantly adding new goods daily, studying the wants of our customers, with the desire of pleasing them.
