WHOLE No.—1069

THE TAX LAW.

The Rockingham County Case Decided.

In regard to the delinquent taxpayers, the Supreme Court, on Tuesday, November 30th, decided the Rockingham case as follows:

"That defendant in this case is not indictable for failure to pay taxes under the late act of the Assembly, since the county of Rockingham is excepted from the general provisions of the revenue law as to the time when taxes may be collected by distraint and sale. The sheriff of that county cannot sell property for taxes until the 15th day of March, and hence the defendant could not be lawfully indicted for non-payment of his taxes before that time."

This will probably settle the matter for all the counties in the State.

STONEWALL CEMETERY.

The Graves of North Carolinians Marked in This Famous Place.

From the Raleigh Press-Visitor, we learn that Rev. James B Avirett has raised the money for the monument to be erected to the North Carolina Confederate dead, who are buried in Stonewall cemetery at Winchester, West Virginia. He also gives the following facts of interest to our people:

"These monuments overlook the graves of 823 unknown men, who fought and died. Stonewall Cemetery proper contains the remains of 2,534 Confederate soldiers, the following States being represented: Virginia, 410; North Carolina, 448; Texas, 5; Kentucky, 3; Arkansas, 20; Georgia, 289; Tennessee, 29; South Carolina, 148; Mississippi, 66; Alabama, 73; Louisiana, 69; Florida, 38; Delaware, 1; Maryland, 14.

This cemetery has the distinction of being the first cemetery instituted for the reception of soldiers, dead, either north or south, and buried within its walls also some of the most distinguished statesmen and soldiers of both the Revolution and civil wars.

It also contains the ruins of the first Lutheran church built in America.

The President's Mother Paralyzed.

Mrs. McKinley, mother of the President, was stricken with paralysis Thursday. The stroke is but slight, but being 87 years of age, little hope is entertained for her recovery. Indeed she is said to be sinking. The President is at her bedside and may not be at the Capitol at the meeting of Congress.

The home of Mr. J R Wood, on North Spring street was visited by supposed burglars last night, who were frightened away by Mr. Wood's dog. Mr. Wood's children have a pet shephrd dog which sleeps on a rug in their room beside the bed and last night the dog aroused the children by trying to get out and little Miss Mattie got up and opened the door into the hall and discovered some one pull the outside doors shut, which she quickly opened to let the dog out and gave chase to the supposed burglar.

There is a family of people living in a tent in the suburbs on the west side of the city.

Benevolence for Cannonville Presbyterians.

The Benevolent society of the first Presbyterian church has received the set of 50 pictures issued by the Art bureau of the Ladies' Home Journal and which was ordered for the fair held in October. The publishers were so completely over run with orders for these pictures that it was impossible to send them on time. But they are here now and will be on exhibition next Tuesday night and also on Wednesday and the public is most cordially invited to come, inspect and purchase. The pictures are on heavy paper and mounted on cardboard, ready for framing. They are very pretty, and represent many different scenes and types, and some of them are of much historical value. When you are enjoying the pictures, an efficient committee of ladies will serve you with an elegant supper.

The Benevolent Society is endeavoring to assist the New Presbyterian church at Cannonville and the proceeds of this entertainment will be used for this purpose. All friends of this work at Cannenville, so worthy of being well established, will find an opportunity on this occasion to render a helping hand.
