## McANULTY MOVES TO CHARLOTTE.

### An Historic Character from Cabarrus Locates Amid New Surroundings.

Charlotte has gained a distinguished citizen in the person of Prof. John McAnulty, who has been known for twenty years past as the weather prophet of Cabarrus county. The professor lived in a remote corner of the county, near Bethel church, in a house built after the design of a Swiss cottage, and his surroundings were unique in every respect. He first gained a local reputation as the man whose clock always kept correct time, because he would set it by the moon. Prof. McAnulty was also the possessor of a bear skin overcoat, which was the pride of the county, and which was always used in the country schools as an offset to Daniel Boone's coon skin cap. He was great as a weather prophet and never recorded more than 99 out of a possible 100 misses.

Prof. McAnulty and his family, which is a large and interesting one, are now located on North Brevard street, and have jobs at the Alpha Cotton Mills.—Charlotte Observer.

[We are sorry to lose Prof. McAnulty from our county, though we know his Cabarrus love can never decrease. To his fame, it should also be added that Prof. McAnulty is the originator of the wonderful "ecrooter-mole-rooter." He also has another singularity, and that is he never tastes the first glass of cider, but will not tell you about it until he has done away with it, then he takes another to taste it.]

### Consumption Positively Cured.

Mr. R. R. Greeve, merchant, of Chilhowie, Va., certifies that he had consumption, was given up to die, sought all medical treatment that money could procure, tried all cough remedies he could hear of, but got no relief; spent many nights sitting up in a chair; was induced to try Dr. King's New Discovery, and was cured by use of two bottles. For past three years has been attending to business, and says Dr. King's New Discovery is the grandest remedy ever made, as it has done so much for him and also for others in his community. Dr. King's New Discovery is guaranteed for Coughs, Colds and Consumption. It don't fail. Trial bottle at P. B. Fetzler's Drug store.

### The Biggest of All.

Henry M. Neill, of New Orleans, has revised his estimate of the cotton crop. He now places it at 11,000,000 bales, 500,000 above an estimate sometime ago. This Mr. Neill says, is due to a most favorable late season for maturing the crop which is often blasted.

### How to Look Good.

Good looks are really more than skin deep, depending entirely on a healthy condition of all the vital organs. If the liver be inactive, you have a bilious look; if your stomach be disordered, you have a dispeptic look; if your kidneys be affected, you have a pinched look. Secure good health, and you will surely have good looks. "Electric Bitters" is a good Alterative and Tonic. Acts directly on the stomach, liver and kidneys; Purifies the blood, cures pimples, blotches and boils, and gives a good complexion. Every bottle guaranteed. Sold at P. B. Fetzler's Drug store.

### Notice.

When you want Fresh Oysters, stewed, fried or raw, birds on toast, fresh fish or a square meal, prepared by an old experienced cook (Wills McMoore) call at Boger & Johnston's Restaurant in the Brick Row near the Court House.

### An Old Relic.

Mr. John Moore showed us a ten-dollar bill of Continental money today (Saturday). It was printed in 1778 by James Dayis and the reading matter is surrounded with a border. In one corner, in separate border, is the motto: "Union of Hearts the Strength of Interests." The first display line on one side is the words, "Leath to Counterfeit." This bill was owned by Mr. Moore's great-grandfather at the close of the Revolutionary war, and Mr. Moore says he is going to keep handing it down in the Moore family. Mr. Moore has been offered ten dollars for it often.

### Strayed or Stolen.

Mr. Jas. F. Dayvault, one of the meat dealers of our city, had a fine Jersey cow to disappear from his stable on West Corbin street last night. It was a horned cow, would weigh 800 pounds. Mr. Dayvault had just bought the cow from Mr. John Rankin yesterday. If you happen to know anything about her whereabouts see Mr. Dayvault.

### A Miserable Looking Case.

By all odds the most drawn up, crooked and miserable man we have seen for some time came into our office today, for a pull, of course. We promptly urged him to apply for admission to his county home, his seeming to us a case eminently fit for the county's care. He promptly withdrew. Now every tender heart has an impulse to aid the afflicted, but such must surely refuse the care offered them, choosing to play upon the charities of the world. We think that more than half the time they have an able-bodied accomplice somewhere awaiting to share the proceeds, unwilling to earn a living as the rest of us have to do.

DOVER, N. H., Oct. 31, 1896.

MESSRS. ELY BROS.:—The Balm reached me safely and in so short a time the effect is surprising. My son says the first application gave decided relief. I have a shelf filled with "Catarrh Cures." Tomorrow the store shall receive them and Ely's Cream Balm will reign supreme. Respectfully,

MRS. FRANKLIN FREEMAN.

Cream Balm is kept by all druggists. Full size 50c. Trial size 10c. We mail it.

ELY BROTHERS,  
56 Warren St.,  
New York City.

### Street Lights Off.

The electric lights on the streets will be cut off for about two hours in the first period of the night for a short while till the new electric machinery is duly installed. The power is now insufficient for the demand, but will soon be amply strong. The city will be credited for the amount of service lost.

### Careful Wife.

"Now Henry, don't forget! The band round your hat means that you must order that medicine at the druggist's; the string round your finger is for the theatre tickets; the bow on your arm is to remind you to post my letter to mother, and knot in your handkerchief is for that paper of needles, and that bean in your shoe will remind you of the corn plasters. Good bye, dear, and be careful of yourself!"—Exchange.

### Good News to Teachers.

The town treasurer says the Graded School teachers will be able to get their wages next week.

## PERSONAL POINTERS.

—Dr. Ellis, of Charlotte, is in the city today.

—Machinist J. A. Motley is spending the evening in Charlotte.

—Mr. Harry Swink is spending Sunday with relatives at Juno.

—Miss Lora Walter went over to Charlotte this morning to spend Sunday with her mother.

—Dr. D. G. Caldwell returned last night from Newell's, where he visited his mother.

### To Instate a Colony.

Mr. D. L. Riley, of Philadelphia, will shortly locate a colony at or near Gold Hill, says the Salisbury World. Major, Capt. J. J. Newman, is buying up tracts of land in the vicinity in which Mr. Riley desires to locate his colony.

The Bang Journal, the new Daily Concord, is before us. It is bright, wise and neat. It seems to have cut into a narrow field at the call only. It has our good wishes for life of usefulness.

The Over's man Abernathy downed 127th bird last night. He seemed to have a hump on for birds.

The Herson Gold Leaf, as a journal, arrived at the age of six feet six and is bright and hopeful as the romantic age inspires. May it live to reverse the figures.

## WARNING.

We warn all users of Simmons Liver Regulator on a subject of the deepest interest importance to their health—perhaps lives. The sole proprietors and maker of Simmons Liver Regulator and many others are often deceived by buying some medicine of a similar name or taste, believing it to be Simmons Liver Regulator. We warn you that the word "Regulator" is on the pack bottle, that it is not Simmons Liver Regulator. No one else makes, or ever has, Simmons Liver Regulator, or anything like Simmons Liver Regulator, but J. H. ELLIN & Co., and no medicine made by anyone else is the same. We alone can put it out, and we cannot be responsible, if other men represented as the same do not help you are led to expect they will. This fact well in mind, if you have seen in habit of using a medicine which you supposed to be Simmons Liver Regulator, but the name was somewhat like it, and package did not have the word "Regulator" on it, you have been imposed upon and have not been taking Simmons Liver Regulator at all. The Regulator has been fully known for many years, and all who know how necessary it is for Fever, Ague, Bilious Fever, Constipation, Headache, Dyspepsia, and all disorders arising from a Diseased Liver.

We warn you to look for yourselves, and see the Simmons Liver Regulator, which you can easily distinguish by the Red "M" on the wrapper, and by our name is the only medicine called Simmons Liver Regulator.
