CONCORD, N. C. WEDNESDAY DECEMBER 15 1897

WHOLE No.—1073

THE MERRY MILKMAIDS

Gave Their Splendid Operetta—Fine Vocal Productions—Not a Good House.

It is very much to be regretted that the weather was unfavorable for the rendering of the splendid operetta, "The Merry Milkmaids," in Ca'on's Hall last night. There was nothing like a full house, though the reserved seats were tolerably well taken up.

It would afford us much pleasure to relate the story of the beautiful milkmaids with their loving smiles, but space forbids. We can say that it was good from beginning to end, and with but few exceptions all acted their parts "tip-top."

Not saying, in the least, that our girls who took part in this operetta are not pretty all the time, but of all pretty, rosy cheeked, bright-eyed girls, they were on the stage last night, and we cannot blame the "Farmer Boys" for casting a wistful eye at them.

The different vocal combinations were splendid from the solos to the chorus of forty voices.

Mrs. R A Brower presided at the piano, and as to her excellent skill every one knows.

The amount taken in at the door amounted to \$32.05, though there are a good many expenses to be paid yet.

Robbed the Grave

A startling incident of which Mr. John Oliver, of Philadelphia, was the subject, is narrated as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—kept on gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised trying 'Electric Bitters,' and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life, and robbed the other victim." No one should fail to try them. Only 50 cents per bottle at P B Fetzer's Drug Store.

BROKE HIS JUG.

Had it in His Trunk—Went Home Without His "Stuff."

The Salisbury Sun says: "The baggage department of the Southern at the depot here Monday night was the scene of quite an interesting little episode.

A gentleman supposed to be from Concord, or who said he was going to that place, "got" his jug broken. He was full or "fuller" and was in a sorry plight. He had put his jug of "stuff" in his trunk, and while the same was being handled by the hands at the baggage room the jug was broken and the spirits of ferment spilled.

The owner was in no condition to care much for his loss. He was helped on the train and went on his way rejoicing. He will, however, be minus that jug today, to sober up on."

AID SOCIETY SALE.

Produce and Fancy Work—Some Disturbers Get in their Work.

EDITOR STANDARD:—Will you please be so kind as to announce to the public through your newsy sheet the Concord STANDARD, that on Thursday, the 23rd inst., the Ladies Classical Aid Society, of New Gilead, No. 5, will sell at public auction, to the highest bidder, for cash, a lot of produce and one worsted quilt, aprons, handkerchiefs and many other articles too tedious to mention. Sale to begin at 11 o'clock a. m. Public invited to attend.

One night last week some miscreant tore some weather boarding off of the Shinn school house, district No. 5, they made their way to the top of the building and tore down the brick flue, down into the roof, throwing the brick in every direction. The parties are spotted and close hampered. The Grand Jury will be likely to find a true bill against the accused.

R J Cook.

The Discovery of the Day.

Aug. J Bogel, leading druggist of Shreveport, La., says: "Dr. King's New Discovery is the only thing that cures my cough, and it is the best seller I have." J F Campbell, merchant of Safford, Ariz., writes, "Dr. King's New Discovery is all that is claimed for it; it never fails, and is a sure cure for Consumption, Coughs and Colds. I cannot say enough for its merits." Dr. King's New Discovery for Consumption, Coughs and Colds is not an experiment. It has been tried for a quarter of a century, and today stands at the head. It never disappoints. Free trial bottles at P B Fetzer's Drug Store.

Tired of Single Life.

Mr. Geo. E Faggart, son of Mr. Frank Faggart, of No 11 township, was married this evening to Miss Lula Hall, daughter of Mr. Joseph Hall, Rev. H A McCullough officiating. Miss Hall has been staying at the home of Mr. Jake Dove for several months past.

License has been issued to Mr. Marcus Palmer, son of Mr. W A Palmer, and Miss Joana Morton, daughter of Mr. Jno. M Morton. Both of these parties are from the extreme eastern part of the county.

Mr. Robt J Kiser, son of M. Rufus C Kiser, has obtained license to be wedded to Miss Nannie Dorton, daughter of Mr. C H Dorton.

Still On the Move.

Editor Rufus Crowell, of Albemarle, is in the city today. When asked by a STANDARD reporter what was the matter with the Concord-Albemarle telephone line, that it had never been fixed, he informed us that they were having some trouble in procuring the 'phones. He also said it was not yet definitely decided as to whether this line would be connected with the Bell telephone or not. If not, it will be connected with the Concord system. They cannot tell when they will be able to get the 'phones, but hope to have it in working order soon.

Mrs. McKinley Buried.

The burial of Mrs. McKinley took place as noted in the program Tuesday. The assemblage was immense, notwithstanding the weather was very unpleasant. It rained the while and a canvas sheltered the grave and the relatives. The Senate and House in Washington adjourned at the hour of burial out of respect to the President.

Commissioner W H Blume informs us that it is very probable that the chaingang will be started to work on South Main street next week. The rock crusher will be placed on Mr. Blume's land some distance below his residence. Attorney Morrison Caldwell received a letter some time ago stating that the State could let us have the fifty convicts at the first of the year, so it will not be long before a large force of hands will be tearing up our old street and putting in something better.

The city of Monterey, Texas, bestowed great honors upon Hon. W J Bryan. By the way, are the American people going to put up with Mr. Bryan's duck shooting? Is not that going to lose him votes? Why Mr. Cleveland shoots ducks.

An Abscess

In the Stomach Caused Great Suffering—Was Confined to the Bed But Now Able to Work.

"In October, 1895, I had an abscess in my stomach. I was also taken with pleurisy and coughed very badly. I was treated by physicians but did not improve. I gave up all hope of ever getting well. My right side was swollen and I was not able to walk across the room and was confined to my bed. I was advised to try Hood's Sarsaparilla and began taking it. In three days I could see a change for the better. I kept on taking Hood's Sarsaparilla until I had taken four bottles and continued to improve. I am now able to do a good day's work on the farm." M. E. MANN, Demossville, Kentucky.
