CONCORD, N. C. THURSDAY DECEMBER 16 1897

WHOLE No.—1079

MR. S N JOHNSTON DEAD.

Harrisburg Loses an Aged and Prominent Citizen—Lagrippe the Fatal Cause.

At 3:30 this, Thursday morning, Mr. Nathaniel Johnston, of Harrisburg, passed away in death. The deceased had attained a good ripe age, about 78 years. He had been a farmer all his life and met the duties and labors incident to mortal life with constitutional vigor but that insidious malady, lagrippe, attacked him about a year ago and so enfeebled his frame that he could not survive this second attack.

The funeral services will be conducted at Rocky River church, of which he was a member, Friday morning at 10 o'clock.

Mr. Johnston leaves to mourn his loss, a second wife and four children, two of whom are young men, yet under the parental roof with their mother. Mr. D A Johnston, of Mecklenburg, and the wife of our townsman, Mr. M C Walter, are the older members of the family.

Mr. Johnston has long been prominent in the community and will be very much missed.

For Over Fifty Years

Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for Diarrhoea. It will relieve the poor little sufferer immediately. Sold by druggists in every part of the world. Twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind.

Mr. Bryan in Mexico.

President Diaz accorded an audience to Hon. W J Bryan Wednesday in Mexico, and in every way bestowed fitting honors on America's popular Statesman. In his address before the Chamber of Deputies Mr. Bryan was especially happy in his allusions to the common interest of Mexico and the United States in the Monroe Doctrine.

The ladies of the Bryan party were delighted with the courtesies of Mrs. Diaz.

Robbed the Grave

A startling incident of which Mr. John Oliver, of Philadelphia, was the subject, is narrated as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—kept on gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised trying 'Electric Bitters,' and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life, and robbed the other victim." No one should fail to try them. Only 50 cents per bottle at P B Fetzer's Drug Store.

Resigned His Pastorate.

Rev. B F Davis has tendered his resignation as pastor of Trinity Reformed church in this city, on account of ill health, and at a meeting of the Consistory Wednesday it was accepted and will take effect on the first day of next February. Rev. Davis has also had charge of a mission chapel on West Corbin street.

Shoe Factory Starts Up.

The Alliance Shoes Factory at Hillsboro has started up. It is said the capacity is fifty pairs per day, and orders are in on which to run for some time.

FATAL SHOOTING

In Jefferson, Ga.—Terrible Consequences of a Drunken Man.

At Jefferson, Ga., Tuesday night there was a social gathering at the home of R L Califf. In the height of the pleasures Shaw Griffin, a young man, came in intoxicated, and was not duly respectful, to the ladies especially, whereupon Mr. Califf remonstrated with him and advised him to leave. Griffin became furious and whipped out a pistol in a most threatening manner. Califf prepared for the worst and ordered him off, when a fusillade began in which both were killed. Califf's three shots entered Griffin's body, but Griffin's four shots, beside killing Califf, fatally wounded his wife and little daughter and killed a young man, Clarence Jones.

The Discovery of the Day.

Aug. J Bogel, leading druggist of Shreveport, La., says: "Dr. King's New Discovery is the only thing that cures my cough, and it is the best seller I have." J F Campbell, merchant of Safford, Ariz., writes, "Dr. King's New Discovery is all that is claimed for it; it never fails, and is a sure cure for Consumption, Coughs and Colds. I cannot say enough for its merits." Dr. King's New Discovery for Consumption, Coughs and Colds is not an experiment. It has been tried for a quarter of a century, and today stands at the head. It never disappoints. Free trial bottles at P B Fetzer's Drug Store.

Has Moved to Concord.

Mr. Jas. A Furr, who has been living in No. 4 township for some time in the past, has moved to the city, and is living at Forest Hill. Mr. Furr is traveling in the interest of the Jamestown nursery, and is their general agent. Mr. Furr is thinking of buying property in Concord and making this his home.

Will Take Her to Goldsboro.

Mr. Nelson Barnhardt will soon take a negro woman named Mary Anderson, of Mecklenburg county, to Goldsboro, her mind being too badly affected to be kept at the county home. She has been in our county several months and Mecklenburg has been paying for her keeping during this time.

WARNING.

We wish to caution all users of Simmons Liver Regulator on a subject of the deepest interest and importance to their health—perhaps their lives. The sole proprietors and makers of Simmons Liver Regulator learn that customers are often deceived by buying and taking some medicine of a similar appearance or taste, believing it to be Simmons Liver Regulator. We warn you that unless the word Regulator is on the package or bottle, that it is not Simmons Liver Regulator. No one else makes, or ever has made Simmons Liver Regulator, or anything called Simmons Liver Regulator. J. H. Zeilin & Co. and no medicine made by anyone else is the same. We alone can put it up, and we cannot be responsible, if other medicines represented as the same do not help you as you are led to expect they will. Bear this fact well in mind, if you have been in the habit of using a medicine which you supposed to be Simmons Liver Regulator, because the name was somewhat like it, and the package did not have the word Regulator on it, you have been imposed upon and have not been taking Simmons Liver Regulator at all. The Regulator has been favorably known for many years, and all who use it know how necessary it is for Fever and Ague, Bilious Fever, Constipation, Headache, Dyspepsia, and all disorders arising from a Diseased Liver.

We ask you to look for yourselves, and see that Simmons Liver Regulator, which you can readily distinguish by the Red W on wrapper, and by our name is the only medicine called Simmons Liver Regulator.

Feels a Little Small.

The postmaster of our neighboring town, Maiden, would like to charter a knot hole to crawl through. A Washington paper says that this zealous postmaster reported to the postoffice department recently that somebody between New Orleans and Maiden was mutilating letters, and enclosed an envelope of a letter mailed at New Orleans to a party at Maiden, to prove the charge. The envelope and letter were punched full of holes. The department informed the postmaster that the letter had been through the yellow fever quarantine, and had been fumigated, and the punching had been done by authority.—Lincoln Journal.

Another Gun Accident.

We learn today of a bad accident that occurred last Saturday, Dec. 11, to Mr. John Culp's 18-year old boy, while hunting. His gun, for some reason, burst all to pieces when he went to shoot some game, the breech pin entering his forehead and breaking the skull for a distance of about two inches. No hopes were at first entertained for his life, but now we learn that he will probably recover. No cause is known, and it is said that the gun broke into six different pieces.

In Very Bad Condition.

We do not like to have the name of being a chronic kicker, as we do not think it can be justly applied, but there is need of some work at once on the road near the gate at the cotton platform, where there is a deep hole that is causing a lot of trouble to the people that have shy horses, and besides it is so deep that several bales of cotton have fallen off. We are informed that one bale fell off a few days ago, and came very near coming down on a man. We only ask that the proper persons go and see it and that will be enough.

Mould Your Boys' Tastes.

Get him into the habit of wearing nice clothes. Be as particular about the style and fit of his clothing as you are about your own. He'll take better care of them, and will grow into the habit of being neat and dresy.

In this connection let us make a suggestion: Why not get your boy a

Reefer Overcoat

for a Christmas present? It will be something new for him, and he'll be pleased with it, and proud of it. It will do him more good than a cart-load of toys and Jim-cracks. He'll appreciate it, too. He expects you to buy his coats and pants, as a matter of course. But a REEFER—that's different. He'll consider that a regular present.

Get him a Reefer for Christmas. Don't cost much—\$1.25, \$2.00 and \$3.00.
