GOOD FOR MAHER.

Put Up a Strong Challenge to Sharkey to Meet Him Any Time and Anywhere.

As Bob Fitzsimmons has retired from the handling of the glove, and as there is now no champion, Peter Maher, or rather his backers, have put up one thousand dollars that Maher will beat in a contest, and will go anywhere. This is the substance of the telegram sent to the Philadelphia Times. At the close of the telegram it says that the challenge is aimed more directly at Sharkey than anyone else.

The Test For Hydrophobia.

Drs. Brooks and Turner, of Greensboro, last Saturday inoculated four rabbits with particles of the spinal cord of the dog supposed to have rabies and that bit seven men and a number of animals. If these rabbits die of rabies it will settle the question as to the reality of hydrophobia in the dog. Should they survive it will be fairly presumable that the dog did not have rabies. Results are not expected within fourteen days.

The Coming Woman

Who goes to the club while her husband tends the baby, as well as the good old-fashioned woman who looks after her home, will both at times get run down in health. They will be troubled with loss of appetite, headaches, sleeplessness, fainting or dizzy spells. The most wonderful remedy for these women is Electric Bitters. Thousands of sufferers from Lame Back and Weak Kidneys rise up and call it blessed. It is the medicine for women. Female complaints and Nervous troubles of all kinds are soon relieved by the use of Electric Bitters. Delicate women should keep this remedy on hand to build up the system. Only 50c. per bottle. For sale by P B Fetzter.

Death of Her Nephew.

Mrs Judge Montgomery left Monday night to attend the funeral of her brother's son, Mr. John Richmond, of Danville. He was just beginning to enter the stage of manhood, being only 24 years of age. He died of consumption at Milton, though his parents live in Danville. It will be remembered that Miss Mary Montgomery went to Milton several weeks ago, where she has been on account of the illness of Mr. Richmond. She will return to this city tomorrow morning.

A Surprise Party.

Last night being a dreary, lonesome night, and a time when no one is expected to be calling, a few of the many friends of Miss Lena Fetzter decided to give her a surprise party, and well did they succeed. It seemed to be a complete surprise not only to Miss Fetzter, but also to the family of Mr. and Mrs. M J Freeman, where quite a number came laden with fruits and candies. Quite a pleasant evening was spent, though this was no surprise at all to the visitors.

Some Hopes Entertained.

A telegram received by the family of Mr. Charley Stratford, at Forest Hill, Monday night says that there are some hopes entertained for the recovery of his father, Mr. D W Stratford, at Randleman. Mr. Stratford is about 65 years of age, and is tolerably old to be attacked by pneumonia.

PROF. BOGER RE-IGNS.

On Account of Ill Health, and Fearing That He Was Not Giving Satisfaction, He Tended His Resignation.

About a month ago Prof. M A Boger, teacher of the ninth grade in our graded school, tendered his resignation to the board, but during that time it has been kept a secret from the public. Owing to the fact that Mr. Boger had just gotten up from a long attack of typhoid fever, he has found that it is too much of a strain upon him, and fearing that some of the parents were not satisfied with his teaching, he handed in this resignation.

The school board met Monday evening and after considering the matter, saw fit to accept it. The resignation takes effect at the end of this term, which is on Wednesday evening. The board was to have elected one in his place at their meeting Monday evening, but owing to some difference in opinion, it was postponed until next Monday.

Free of Charge to Sufferers.

Cut this out and take it to your druggist and get a sample bottle free of Dr. King's New Discovery, for Consumption, Coughs and Colds. They do not ask you to buy before trying. This will show you the great merits of this truly wonderful remedy, and show you what can be accomplished by the regular size bottle. This is no experiment, and would be disastrous to the proprietors, did they not know it would cure. Many best physicians are now using it in their practice with great results, and are relying on it in most severe cases. It is guaranteed. Trial bottles free at P B Fetzter's drug store. Regular size 50 cents and \$1.00.

WARNING.

We wish to caution all users of Simmons Liver Regulator on a subject of the deepest interest and importance to their health—perhaps their lives. The sole proprietors and makers of Simmons Liver Regulator learn that customers are often deceived by buying and taking some medicine of a similar appearance or taste, believing it to be Simmons Liver Regulator. We warn you that unless the word Regulator is on the package or bottle, that it is not Simmons Liver Regulator. No one else makes, or ever has made Simmons Liver Regulator, or anything called Simmons Liver Regulator, but J. H. Zeilin & Co. and no medicine made by anyone else is the same. We alone can put it up, and we cannot be responsible, if other medicines represented as the same do not help you as you are led to expect they will. Bear this fact well in mind, if you have been in the habit of using a medicine which you supposed to be Simmons Liver Regulator, because the name was somewhat like it, and the package did not have the word Regulator on it, you have been imposed upon and have not been taking Simmons Liver Regulator at all. The Regulator has been favorably known for many years, and all who use it know how necessary it is for Fever and Ague, Bilious Fever, Constipation, Headache, Dyspepsia, and all disorders arising from a Diseased Liver.

We ask you to look for yourselves, and see that Simmons Liver Regulator, which you can readily distinguish by the Red T in wrapper, and by our name is the only medicine called Simmons Liver Regulator.
