FOLLOWED MISS HERBERT.

Another Washington Society Girl Kills Herself.

Washington, Dec. 26.—The recent tragic death of Miss Lelia Herbert, the daughter of the ex secretary of the navy, is given as the reason for the suicide which occurred today of Miss Annie Virginia Wells, an accomplished young society woman and daughter of Mr. Lewis S. Wells, a well known attorney. The young woman shot herself through the heart with her brother's revolver at the residence of her father.

Miss Wells had met Miss Herbert a number of times and was very much attached to her. She herself had been confined to the house for four months by illness and this combined with the shock caused by the death of her friend, brought on melancholia, which resulted in suicide. The deed was apparently entirely unpremeditated, and coming immediately after Christmas festivities in the house, completely prostrated her aged mother.

Miss Wells was 33 years of age and very beautiful.

Household Gods.

The ancient Greeks believed that the Penates were the gods who attended to the welfare and prosperity of the family. They were worshipped as household gods in every home. The household god of today is Dr. King's New Discovery. For consumption, coughs, colds and for all affections of throat, chest and lungs it is invaluable. It has been tried for a quarter of a century and is guaranteed to cure, or money returned. No household should be without this good angel. It is pleasant to take and a safe and sure remedy for old and young. Free trial bottles at Fetzler's Drug Store, Regular size 50c and \$1.

Are You Interested

In the two hundred or more little orphans at Oxford? If so you will have a chance to show that you are. The Masons are going to send a box to these little ones, and appeal to the people of Concord to contribute to their relief. The superintendent says they are in great need of many things that will add to their comfort during the coming winter. Remember that while the Masons of North Carolina built and contribute to the support of this institution it is not confined to the Masonic fraternity, but its doors are open to the children of the State regardless of who they are. Now you can help the inmates of this institution very much by a contribution and you will never miss what you give. We have gotten several ladies interested in this matter, and they will call on you for help. Clothing, hats, shoes, underwear, provisions, money, anything, will be very acceptable. This is a cause worthy of your attention, and many a fatherless one will be made happy by your kind consideration. Give your contributions to one of the committee or leave it with W J Hill. We trust that this little appeal will elicit your sympathy and cause you to contribute as liberally as you are able. We assure you that anything you can do will be greatly appreciated.

Very respectfully,

R. H. GRIFFIN,

W. H. TUCKER,

J. I. HURLEY,

Committee.

FUNERAL OF MRS. GIBSON.

The Last Devotional Chapter Reading—Pleasing Tributes—Touching Prayer and Songs.

The funeral rites over the remains of Mrs. J P Gibson were held, as announced, at 11 o'clock today in the Presbyterian church. The casket, all covered with beautiful floral tributes, was borne by Messrs. E P Hill, F L Smith, Gowaa Dusenberry, Q E Smith, L M Archey and C L Smith to the altar.

"Jesus Lover of My Soul," was sung when Rev. J D Arnold read the burial service and led in a prayer, breathing the tenderest sentiment of sympathy, consolation, faithful trust and petitions for Divine strength and blessing. "How Firm a Foundation" was then sung and the pastor, Rev. Alexander, read the 4th chapter of 2nd Corinthians as the one that the deceased enjoyed on his last pastoral visit to her. He then paid the most pleasing tribute to the Christian character of the deceased. After a most touching solo by Miss Harris the remains were gently borne to the cemetery and laid to rest to sleep the night of death away.

Chambers Has Stood Trial.

Ed. Chambers was arraigned in the Mayor's court this (Tuesday) evening for entering the house of Mr. W M Corzine on last Saturday night. Had Mr. Corzine's door been locked that night, the warrant would have charged him with burglary, but owing to the fact that Mr. Corzine had left the door unlocked for his children to come in, the warrant only charged him with forcible trespass. He was found guilty, of course, and was bound over to court in a \$200 bond. He could not get anyone to go on his bond, but thought he could get it adjusted Wednesday.

Shuford-Carpenter.

Mr. Byron S Shuford and Miss Laura Carpenter were married in Newton Monday at 1 p. m. The happy couple took the evening train to China Grove to visit the bride's sister, Mrs. Corrier, and brother, Mr. Plato Carpenter.

A Hog-Killing Time.

If you believe in having a "hog-killing time" you should have been at the Fenix Roller Mills Monday. Mr. Crowell has equipped himself with such a handy arrangement to scald hogs that quite a number send them down there to get him to do the work. Brown Bros. sent eight down there that averaged 325 pounds apiece, while Mr. J L Boger sent two down that weighed 401 and 412 respectively.

COL. OATES DEAD.

One of Charlotte's Prominent Citizens Passes Away.

The News says that Col. R M Oates died at his home in Charlotte Monday at 1 o'clock p. m.

The sole proprietors and makers of Simmons Liver Regulator learn that customers are often deceived by buying and taking some medicine of a similar appearance or taste, believing it to be Simmons Liver Regulator. We warn you that unless the word Regulator is on the package or bottle, that it is not Simmons Liver Regulator. No one else makes, or ever has made Simmons Liver Regulator, or anything called Simmons Liver Regulator, but J. H. Zeilin & Co., and no medicine made by anyone else is the same. We alone can put it up, and we cannot be responsible, if other medicines represented as the same do not help you as you are led to expect they will. Bear this fact well in mind, if you have seen in the habit of using a medicine which you supposed to be Simmons Liver Regulator, because the name was somewhat like it, and the package did not have the word Regulator on it, you have been imposed upon and have not been taking Simmons Liver Regulator at all. The Regulator has been favorably known for many years, and all who use it know how necessary it is for Fever and Ague, Bilious Fever, Constipation, Headache, Dyspepsia, and all disorders arising from a Diseased Liver.
