WHOLE No.—190

## WONT LET HIM ALONE.

The Bride and Groom Stormed and Showered With Sweets.

Our modest friend, Mr. O W Swink, who seemed so anxious that no demonstrations be made over his shuffling off his once cherished bachelorhood, that he urged us to make but a brief vote of his happy evolution into matrimonial glory, seems destined to be foiled in his ambitions for quiet.

Last night while all absorbed in the ecstasies of the honeymoon and oblivious of the world beyond the radius of his own circle, a rap was heard at the door at Mr. Lentz's home, where the bridal party still lingered.

Little ceremony was observed and Mrs. Lentz, again caught all unaware, found her parlor full of intruders and the bride and groom had to submit to a shower of congratulations, kisses, fruits and sweet meats, the groom getting a full share of all save the kisses, but of course he did not mind that little privation as that is an art yet to be well learned by him.

But we are digressing. Mrs. M L Brown was the moving genius of this intrusion and was followed by Mr. and Mrs. N F Yorke, Mrs. M Davis, Mrs. Jno. Wadsworth, Mrs. Hatchett, Mrs. Jno. Yorke, Mr. and Mrs. Jas. Hurley, Misses Lala and Fannie Hill, Sallie Erwin, Kate and Pauline Means, E Grier, Agnes Moss, Kate Gibson, Nannie Cannon, Mabel Thomlinson, Cora Lentz and Messrs C L Smith, F L Smith, Howland, Barret, Earle Brown, El Moss and Sam Erwin.

The jollity of that party, with all the variety in a first class fancy grocery store to lend zest to vivacity, needs not our pen but only a sprightly imagination.

Mr. Lentz says there were twelve baskets of fragment taken up when all was over.

## To Speak at Charlotte.

Adlai E Stevenson, of Illinois, has accepted an invitation to deliver the principal address at the unveiling of the monument to the signers of the Mecklenburg Declaration of Independence, in Charlotte, May 20th, next.

The people of the entire state, as well as Charlotte, are to be congratulated. No man of national reputation has more friends in the State. In fact he is claimed by the people of this State, his parents having moved from North Carolina to Illinois. The selection seems eminently proper—Press Visitor.

[This is seeing it as we do.]

## Cuban Autonomy Goes Into Effect.

Capt. General Blanco's autonomy government will be inaugurated on Jan. 1st and will prevail in so much of Cuba as is held by the Spanish.

If this should prove satisfactory it seems more than probable that Spain may yet wear out the rebellion. People tire of eternal war and it is doubtful whether the insurgents are fully prepared in point of civilization to furnish a better government. The Ruiz murder under a flag of truce adds much to the doubt.

If it is thought that Spain may again become arrogant and oppressive, let it be remembered that Spain has a lesson in this matter burnt in about as deep as Cuba has, and a better understanding may be mutually advantageous.

## A RETAILER CAUGHT.

Tom Moore, a Negro, is Found Guilty of Retailing Whiskey—Three Charges.

Tom Moore, the negro that was caught a day or two ago for taking part in a "jamboree" in Caton's hall last Friday night, and who was released on a bond for trial, was arrested Wednesday night again on three different charges of selling whiskey. He was tried in two cases, and found guilty on trial Wednesday night. Two witnesses swore that he sold them whiskey by the glass at the top of the stairs in Caton's hall last Friday night. In another case a negro swore that he bought some from him up at Hudgins' corner a few nights ago.

It seems almost certain that we now have one of our walking bar-rooms in custody, and while we have him, let's get everything out of him that is possible. Moore does not have much to say, and will hardly answer in the affirmative to any question you ask him, for fear that he will be more deeply involved. It is quite probable now that something more is going to result from this arrest.

## Song Service.

Tomorrow (Friday) night at 8 o'clock there will be a song service given by the Forest Hill Singing Class. Some of the special selections are "A Thousand Years With Jesus," sung by eight voices; "Rock Me to Sleep, Mother," by eight voices; also, "My Mother's Gone," by little Miss Lou Goldston. Everybody invited to attend this song service.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative power that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
