CONCORD, N. C. TUESDAY, JANUARY 4 1898

WHOLE No.—194

COUNTY COMMISSIONERS

Held Their Regular Monthly Meeting—Not as Much as Sometimes.

The county commissioners have been holding their regular monthly meeting, which began Monday morning. Nothing was transacted on Monday more than the regular routine of business with the exception of one thing, which was the ordering of the advertising of the road to be opened from St. John's church to Foil's mill, in the eastern part of the county, and which is to be continued from Foil's mill by Reuben Fink's and others and to intersect with the Gold Hill road at a point known as the Five Pines.

Mrs. Cal-Ailman was admitted to the county home.

Mr. Wm Junker was given the contract to keep the town clock in running order for one year for \$30. Treasurer Swink reported a balance on hand of the road fund to be \$29.11, and the balance of the county fund to be \$400.22.

Consumption Positively Cured.

Mr. R. R. Greeve, merchant, of Chilhowie, Va., certifies that he had consumption, was given up to die, sought all medical treatment that money could procure, tried all cough remedies he could hear of, but got no relief; spent many nights sitting up in a chair; was induced to try Dr. King's New Discovery, and was cured by use of two bottles. For past three years has been attending to business, and says Dr. King's New Discovery is the grandest remedy ever made, as it has done so much for him and also for others in his community. Dr. King's New Discovery is guaranteed for Coughs, Colds and Consumption. It don't fail. Trial bottle at P. B. Fetzer's Drug store.

Look Out for \$100 Counterfeits.

A silver certificate of the \$100 denomination is afloat and so dangerous is it that the bills had to be soaked in hot water and disintegrated before experts could positively detect the imitations. Secretary Gage has called in all the \$100 silver certificates (about \$26,000,000) to be redeemed in other denominations when they and the plates will be destroyed and other plates will be made.

Everything Lively at China Grove.

A STANDARD reporter happened to be in China Grove Monday night and was taken in the newspaper office by its future editor, Mr. F. S. Starrette. The China Grove Record, which will be its name, will probably make its appearance Thursday, and perhaps not until Friday. The office has just been equipped with new type and will of course present a splendid appearance.

The China Grove school opened Monday morning with splendid prospects, having enrolled about 120 on the first day. The school is being carried on in the old school building until the new one is completed, which will not be so very long yet.

Fire at Wilkesboro.

Stafford Bros. furniture store caught fire Sunday evening and was consumed with several other buildings.

The loss is estimated at \$14,000. The Wilkesboro Hustler was amid the fire and a \$700 outfit was destroyed. It will be started as soon as another outfit can be gotten.

Headache and Neuralgia cured by RILEY'S PAIN PILLS. "One cent a dose."

THE GERMAN.

Nice Music, Nice People and Necessarily a Nice Time.

A most delightful german was given Monday night by the Concord Cotillion Club, complimentary to the visiting young ladies of the city. Everything went lovely and everybody was as happy as happy can be. There was a good attendance, there being over fifteen couples besides the stags. The names of those who took part are as follows: Richmond Montgomery, Miss Mattie Lee, of Goldsboro; Will Holt, of Lexington; Miss Fannie McAden, of Charlotte; Ohal White, Miss Mabel Tomlinson, of Durham; Ed Hill, Miss Daisy McDonald, of Charlotte; Earl Brown, Miss Mary Bernhardt, of Salisbury; Ed Moss, Miss Kate Means; Joe Goodman, Miss Belle Means; C. L. Smith, Miss Lallah Hill; Maury Richmond, Miss Emily Gibson; F. C. Howland, Miss Agnes Moss; Joe Hill, Miss Grace Fisher; Tom White, Miss Sadie Fisher; Aubrey Hoover, Miss Chassie Brown. Chaperones: Mesdames S. J. Lowe, B. F. Rogers, Gowan Dusenbury and M. L. Brown. Stags: Messrs. Frank Smith, Dr. R. S. Young, Jno. Ramsay, of Salisbury, Gowan Dusenbury, C. J. Harris, A. Jones Yorke and W. R. Stark.

The german was led in the usual good style by Mr. John Yorke.

How to Look Good.

Good looks are really more than skin deep, depending entirely on a healthy condition of all the vital organs. If the liver be inactive, you have a bilious look; if your stomach be disordered, you have a dispeptic look; if your kidneys be affected, you have a pinched look. Secure good health, and you will surely have good looks. "Electric Bitters" is a good Alterative and Tonic. Acts directly on the stomach, liver and kidneys. Purifies the blood, cures pimples, blotches and boils, and gives a good complexion. Every bottle guaranteed. Sold at P. B. Fetzer's Drug store.

New Officers Elected.

The Woman's Foreign Missionary Society of the First Presbyterian church held its first meeting of the New Year on Monday evening at the home of Mrs. P. B. Fetzer.

The annual election of officers occurred and the official staff of the Society for the incoming year is as follows:

Mrs. D. B. Morrison, president; Mrs. O. J. Goodson and Miss Lelia King, vice presidents; Miss Lizzie Young, treasurer; Mrs. J. P. Allison, corresponding secretary; Mrs. R. S. Harris, recording secretary.

The executive committee, three members, will be appointed by the new president before the next meeting, which will be on the first Monday in February at the home of Mrs. P. B. Fetzer.

Tried to Alarm the Town.

Chief of Police Boger was sent word last night to come to Reid Town and get a negro man named Jim Saunders, who was beating his wife and handling a pistol rather carelessly. He captured the man, but no sooner did he have him under arrest than he commenced hollering, and kept it up continuously until he was confined in jail. He is a one-legged negro, and is seen on the streets occasionally. A pistol was found in his pocket. He will very likely go to the chain gang, after being tried at the next court.

A Cabarrus Lady Dead.

Quite a number of people in the northwestern part of the county will remember the family of Mr. Wood Sloan, who lived in No. 3 township, but who left this county in 1881, going to Texas. News comes now that Mr. Sloan and children are in Oklahoma, but his wife is dead. She was a daughter of Mr. Andrew Bell, of Coddle Creek, and was also a cousin of our townsman, Mr. W. L. Bell.

Back From Salisbury.

Mrs. Geo. Brown, Misses Rose Willeford and Sadie Rencini returned from Salisbury this morning where they have been visiting relatives and friends. Mrs. Jap Waltam, of Salisbury, who received a stroke of paralysis a short while ago, returned with them and will spend some time at the home of Mrs. Brown.

Here They Come.

News comes to The STANDARD by postal card this morning that No. 7 is in the race for large hogs. Mr. Charles T. Fisher slaughtered one that weighed 440 and Mr. Luther Moose killed one that weighed 519 pounds. Good for No. 7 township.
