WINTER QUARTERS

At Organ Church—Christmas Services—Watermelon Feast—Potatoes vs. Apples.

ORGAN CHURCH, Jan. 4.—The Sunday school at Organ Church has gone into winter quarters. Organ church is situated in a very sparsely settled community, and some children have to go six or eight miles to Sunday school. Hence the necessity of a shut down.

The Christmas tree at Organ was a success in the full sense of the word. The tree was nicely arranged and well loaded with gifts, and the music, recitations and address showed considerable forethought, study and application.

On Christmas day Rev. Geo. H. Cox delivered an address, subject: "Our Orphans' Home." After the address a collection, amounting to \$5.55, was taken for the benefit of the Orphan Home at South View, Va.

The many friends of Mrs. Katie Rimer and son, Burton, will be glad to hear that they are on the road to speedy recovery from a severe attack of typhoid fever.

Geo. O. Klutz and family, of Salisbury, spent Christmas with his father, A. W. Klutz, Esq.

A. W. Basinger and family, of Salisbury, spent a few days last week at the home of Mrs. Basinger's father, David Beaver.

Although New Year day was a very cold day, Arthur Bost treated his friends on water melon.

Joe Beaver, who has been working for Mr. Cassell, of Rural Retreat, Va., for the last three years, is visiting his old home near Organ church.

Several months ago L. W. Bost sent a barrel of sweet potatoes to Rev. W. R. Brown, Corinth, Va. Two weeks ago the barrel was returned filled with fine mountain apples. Mr. Ed, if you have any apples, we have the potatoes.

Now, Mr. Editor, we congratulate you upon your success during the last year, and we wish you even greater success during the coming one. U No Hoo.

How to Look Good.

Good looks are really more than skin deep, depending entirely on a healthy condition of all the vital organs. If the liver be inactive, you have a bilious look; if your stomach be disordered, you have a dispeptic look; if your kidneys be affected, you have a pinched look. Secure good health, and you will surely have good looks. "Electric Bitters" is a good Alterative and Tonic. Acts directly on the stomach, liver and kidneys. Purifies the blood, cures pimples, blotches and boils, and gives a good complexion. Every bottle guaranteed. Sold at P. B. Fetzer's Drug store.

A Full School.

Mrs. S. V. Erwin resumed her school work Monday morning and found her room crowded with 40 pupils and others clamoring for admission. We congratulate Mrs. Erwin, but probably the patrons are even the better subjects for congratulations.

Rev. Darwin Arrested.

Rev. Darwin, a negro preacher in our city, was arrested this [Wednesday] morning; and taken before Esquire Sam McWhirter for trial. He is charged with disposing of property that was under mortgage to Mr. John A. Barnhardt, of Pioneer Mills.

RESOLUTIONS PASSED.

By the Concord Presbytery Complimentary to Rev. W. M. Shaw, For THE STANDARD:

At a meeting of Gilwood congregation on Jan. 2nd, 1898, the following resolution was adopted:

Whereas, Concord Presbytery in called meeting at Mooresville, has deemed it best to dissolve the pastoral relation between our pastor, Rev. W. M. Shaw, and Bethpage and Gilwood churches,

Be it Resolved, That we, the members of Gilwood church, do, with the greatest reluctance, submit to this action, which severs the very tender relation existing between us and our beloved pastor. During the six years he has spent among us our affection for him as an earnest, faithful and loyal pastor has steadily increased and we desire to express our highest appreciation of his faithful, diligent and unselfish work among us, and pray that the good seeds sown may continue to bring forth fruit to the glory of God.

We commend him and his worthy family to the people among whom his work is to be in the future and to God and the word of his grace, praying the Lord to continue to use him and to crown his faithful labors with abundant success.

Consumption Positively Cured.

Mr. R. R. Greave, merchant, of Chilhowie, Va., certifies that he had consumption, was given up to die, sought all medical treatment that money could procure, tried all cough remedies he could hear of, but got no relief; spent many nights sitting up in a chair; was induced to try Dr. King's New Discovery, and was cured by use of two bottles. For past three years has been attending to business, and says Dr. King's New Discovery is the grandest remedy ever made, as it has done so much for him and also for others in his community. Dr. King's New Discovery is guaranteed for Coughs, Colds and Consumption. It don't fail. Trial bottle at P. B. Fetzer's Drug store.

To Take Place Thursday.

THE STANDARD erred last week when it said Mr. A. F. Hileman would be married in Raleigh, but after all we are not to blame, as that was the intention, but different arrangements have been made. They had fully intended to have been married in Raleigh, and to have gone north on a bridal tour. The license has been issued and he was heard to say that it would take place at Mt. Carmel church in No. 5 township on Thursday evening. He marries Miss Alida Foil, of that township. Between the years of 21 and 45, we extend our hearty congratulations to this couple.

Two Corrections.

Two corrections are needed in our report of Superintendent Barnhardt's management of the County Home as it appeared Monday. The item of 836 bushels of corn produced last season was overlooked and the 150 cords of wood hauled were not all hauled to town. Most of it was hauled to the home.

Oyster Supper For You.

The Ladies' Aid Society of Central Methodist church will furnish an oyster supper Friday night in the Litaker building, second room from the corner. Oysters will be served in any style of the cuisine art. They will be glad to serve you and see how well you enjoy a good thing when set before you.

PERSONAL POINTERS.

—Mr. E. R. Smith, of Pineville, spent the night with his brother, Mr. C. L. Smith.

—Mr. J. F. Beatty and son, Harold, of New London, were in the city today.

—Mr. Tom Johnson went over to Charlotte this morning. He will probably secure a position over there.

—Rev. Dr. J. C. Davis returned from Charlotte this morning. He accompanied his daughter-in-law as far as that place yesterday morning.

THE LIMBLESS COTTON.

The Standard Has a Specimen.

Mr. Jim Morrison favored us today with two stalks of the limbless cotton. It has five divisions of some bolls while others have four, as other cotton. The larger stalk measures 6 1/2 feet above the roots.

The specimen strikes us very favorably as a desirable cotton. Mr. Morrison says he thinks it is all humbug about the species coming from Africa. He has observed it amongst his cotton and could have selected seed sufficient to start and thinks he will do so yet.

WARNING.

We wish to caution all users of Simmons Liver Regulator on a subject of the deepest interest and importance to their health—perhaps their lives. The sole proprietors and makers of Simmons Liver Regulator learn that customers are often deceived by buying and taking some medicine of a similar appearance or taste, believing it to be Simmons Liver Regulator. We warn you that unless the word Regulator is on the package or bottle, that it is not Simmons Liver Regulator. No one else makes, or ever has made Simmons Liver Regulator, or anything called Simmons Liver Regulator, but J. H. Zeilin & Co., and no medicine made by anyone else is the same. We alone can put it up, and we cannot be responsible, if other medicines represented as the same do not help you as you are led to expect they will. Bear this fact well in mind, if you have been in the habit of using a medicine which you supposed to be Simmons Liver Regulator, because the name was somewhat like it, and the package did not have the word Regulator on it, you have been imposed upon and have not been taking Simmons Liver Regulator at all. The Regulator has been favorably known for many years, and all who use it know how necessary it is for Fever and Ague, Bilious Fever, Constipation, Headache, Dyspepsia, and all disorders arising from a Diseased Liver.

We ask you to look for yourselves, and see that Simmons Liver Regulator, which you can readily distinguish by the Red Z in wrapper, and by our name is the only medicine called Simmons Liver Regulator. J. H. ZEILIN & CO. Simmons Liver Regulator.
