A LANDMARK REMOVED.

Mr. Jno. F Fink Passes Away Suddenly—Heart Failure the Cause.

At 10 o'clock Sunday morning the spirit of Mr. Jno. F Fink passed away without a struggle or manifestation of the sting of death. Mr. Fink was known to be afflicted with heart disease and was carefully attended.

Sunday morning he rose as usual and did the usual turns to which he was accustomed, but later complained of not feeling well. About 10 o'clock he lay down on his bed. Very soon his daughter noticed that the breathing manifested dissolution and he soon breathed his last.

Mr. Fink would soon have reached his 77th birthday. He was an exemplary Christian, having connected himself with Cold Water Lutheran church at an early age.

He was one of the charter members of St. James church in 1843 and has been one of the pillars of that church for 53 years, serving much of the time of late years as an elder.

Mr. Fink does not leave a large circle of immediate relatives, an only daughter, Mr. J Frank Fink, two sisters, Mrs. Solomon Oline, of Mt. Pleasant and Mrs. Sandy Earnhardt, who lived near him, and a half brother, Mr. Alvius Fink, of Linwood.

Mr. Fink had been married twice, first to a Miss Winecoff and after her decease to Miss Neisler, who also preceeded him to the spirit world.

The funeral was preached by his pastor, Rev. Miller, at 1:30 o'clock, and the body was placed in the Lutheran cemetery to await the resurrection of the just.

Mr. Fink will be greatly missed at St. James at the Sunday morning services, where he so regularly filled his place in the community that revered him.

Heilig Items.

Mr. J C Foutz will probably put up a store near his dwelling soon.

Mr. Frank Mauney's 160 pound dog went mad and passed through here last Friday. He bit a dog near Oak Grove. The mad dog was killed near Moses Bangers Friday.

Some time ago we saw where "Solomon" the correspondent from Heilig, wanted to know if some one would not take the place made vacant by him. We would say that almost any "greenhorn" can fill the place made vacant by Solomon (who some time ago tried to exchange a box of "guilt patches" for a pair of shoes at Rockwell.) Come along Solomon.

WONDERFUL are the cures by Hood's Sarsaparilla, and yet they are simple and natural. Hood's Sarsaparilla makes PURE BLOOD.

A SPECIAL SERMON

By Rev. Arnold—Burglars at Forest Hill—Mrs. Jackson Returns.

Forest Hill Correspondence to THE STANDARD.

A B Watson, of Salisbury, spent Sunday at the home of Mr. T H Cook, on North church street.

Mrs. J T Jackson and children, who have been visiting at Mr. E F Coble's for some time, left for Oxford, Ala., Sunday, where they will join Mr. Jackson, who has taken the Superintendency of a cotton mill at that place. Mr. R F Coble accompanied them as far as Charlotte.

A R Shinn spent Sunday in Charlotte.

W P Shealy, superintendent of the Stanly Creek cotton mill, Stanly, N. C., came over Saturday evening and returned Sunday.

I F Mabery, of McAdenville, is visiting at his fathers, Mr. J M Mabery, on North Third street.

D M Dry, who lives at this place, reports some one entering his house about 2 or 3 o'clock this (Monday) morning, but the intruders were frightened away before they secured any booty.

Sunday morning Rev. J D Arnold announced that he would preach on the subject of this old earth we live on and how it come to its present condition, taking his text, "Behold he hath laid the foundations of the world." These sermons are enjoyed by his congregation and are upbuilding in every respect. It was one of the most instructive sermons we have ever had the pleasure of listening to, and we hope Rev. Arnold will continue these discourses.

The Discovery of the Day.

Aug. J Bogel, leading druggist of Shreveport, La., says: "Dr. King's New Discovery is the only thing that cures my cough, and it is the best seller I have." J F Campbell, merchant of Safford, Ariz., writes, "Dr. King's New Discovery is all that is claimed for it; it never fails, and is a sure cure for Consumption, Coughs and Colds. I cannot say enough for its merits." Dr. King's New Discovery for Consumption, Coughs and Colds is not an experiment. It has been tried for a quarter of a century, and today stands at the head. It never disappoints. Free trial bottles at P B Fetzer's Drug Store.

Died Professing Innocence.

Theodore Durrant was hanged Saturday, as announced. He died protesting that he had not committed the crime and said that no stain of blood was on his hands and would not be before God.

His father witnessed the scene, while his mother was in a room in the jail.

The murder of Blanche Lamont occurred in April, '95. The execution was long delayed, but nothing could be brought to break the chain of evidence of guilt, and the law was inexorable.

Durrant died professing the Catholic faith and receiving priestly ministrations.

Small-Pox Not Dead.

It is a stern fact that Birmingham has not stamped out the small pox. Now the Spartanburg Herald acknowledges a case, and there are said to be sixteen cases at Greenville. Atlanta seems to be holding it down, as any other place can by thorough vaccination. While not especially alarming, much care should be exercised and, compulsory vaccination should be resorted to where it takes hold.

Was it Hydrophobia?

Three out of the four rabbits inoculated in Greensboro from the dog believed to have rabies are dead, the third dying in convulsions. The only surviving one is well and hearty. The Telegram says that it was inoculated in the ear by a very small quantity of the glycerine emulsion, and it is possible that no virus got into its system. Nothing is proven by the experiment, but there is fair presumptive evidence that the dog had hydrophobia.

CATARRH

COLD IN HEAD

At the Mayors Court.

Two boys were arraigned before Mayor Crowell Saturday evening for engaging in a little fight. The matter was compromised by its costing the parties three dollars.

A white man was tried and convicted of begging, having been overtaken by Policeman Bost. He was sent to the chain gang to work out his fine and cost. He is a native of Russia, and gave his name as John Smith.

In discussing the free silver problem last Thursday Senator Teller said most truly: "Many of those who attempt to deal with this question have no proper comprehension of it. They regard it as merely a local matter to be considered and discussed from the standpoint of their own selfish or local interests." It is well said unintelligent discussion is more prolific of strife than anything else.

These are Like The Chinese They Must Go.

A lot of Ladies' and Misses' Fine Shoes—Zeigler's mostly—and mostly small sizes.

BUT THEY MUST GO.

They are nice goods—cost from \$1.75 to \$2.50. But the cost don't cut any figure now. THEY MUST GO. Come and take your choice for

75 Cents.

Ridiculous, ain't it? But that's the way. THEY MUST GO.
