GRAND JURY'S REPORT.

As Handed to Judge McIver Saturday Evening.

The following report was handed in to Judge McIver on last Saturday evening:

Superior Court, Spring Term, 1898, Judge McIver Presiding:

TO THE HONORABLE COURT:-We, the Grand Jury, respectfully beg animals, judgment suspended of leave to submit the following se- payment costs. port:

The county home was visited by property, not guilty. a committee and report twentyeight inmates well cared for, well rying concealed weapon, judgment fed and clothed, and that our coun- suspended on payment of costs. ty home is truly a home and not a poor house.

We visited the jail and find its and no cost attached. condition fairly good. Some repairs are needed, especially the sewerage. We recommend that the county commissioners look after and have these repairs attended to at once.

We find the court house in good repair.

that the offices of Clerk of Court, Sheriff, and Register of Deeds are kept in a business like mar ner.

All of which is respectfully submitted. T. A. MOSER,

Fcreman Grand Jury.

A Clever Trick.'

It certainly looks like it, but there is really no trick about it. Anybody can try it who has Lame Back and Weak Kidneys, Malaria or nervous troubles. We mean he can cure bimself right away by taking Electic Bitters. This medicine tones up the whole system, acts as a stimulent to the Liver and Kidneys, it is a blood purifier and Cough, etc." It is idle to experinerve tonic. It cures Constipation. Headache, Fainting Spells, Sleeplessness and Melanchely. It is purely vegetable, a mild laxative, and restores the system to its natural vigor. Try Electric Bitters and be convinced that they are a miracle worker. Every bottle guaranteed. Only 50c. a bottle at P B Fetzer's Drug Store.

An Enjoyable Occasion.

The hours fled all too rapidly on Saturday afternoon, when the Christian Keid Club met at the hospitable home of Mrs. P B Fetzer of Georgia avenue.

Numbered among the books of the club since last meeting is a beautifully bound copy of "The Choir Invisible," presented by Mr. Holland Thompson.

The programme arranged for the day carried out, the members departed with tho delightful sensation of having spent a successful evening.

Since then it has had frequent spasms, the sight of water being sufficient to produce one at any time. The child takes no food or nourishment without force being used, and the attending physician pronounces it a genuine case of hydrophobia.

True Love Does Not Run Smooth.

We learn of a little unpleasant. ness forming one of the arguments of single blessedness rather than Chester, S. C., Jan. 28 -A di- double cus elness. The story runs ball of the foot.

However cold for the rest of ur, it was too hot about there for bim, so he "hied away" to Mr. Les Winecoff's, where he made another effort to sna ch sweet repose from the srms in it of old Morpheus. But alas! There was a stinging not in the heart as from rejected love in sweetheart days, but a griping below the beart. This began about 12 o'clock, and

from then till 10 o'clock Faturday morning Mr. Whittenton suffered immensely, something serving as an emetic. Dr. Smoot was called in, and the patient was then already do mi sing. The whispering, about the time he took the water, together with his trouble so soon after, makes him wonder if there was anything about that was not love drops.
