For The Standard.

"How did you pop the question, Uncle Jerry?" "Well, Nellie, I sorter hunkered down on my knees, and said: 'Ole goose, will you take dis hyar ole gander, an' take good keer uv him? Then she strutted off modestly enough, saying: 'Quack, quack, quack.'"

He was calling on his enamorado. Fishing out a crab apple from his pocket, quoth he: "Take a bite." Rplied she: "No, you take a bite." "No, you take a bite." "No, you take a bite, and then I'll take a bite." From this it follows that courtship in the country is a very tame affair; the simple possession of a good sized crab apple being the only qualification requisite to suggest a spirited conversation, and to excite the highest admiration.

"You've been killing more part-ridges." "Yes, but you see, they got into our bird net." Now, that is just the way it goes—somebody else or something else is always responsible for any deviation from propriety. He set his trap in a place frequented by the birds. Many being caught, he censures the fowls for flying into snares. The trouble, nevertheless, originated from the way the trap was set. For the benefit of those who have bird nets, we submit the following excellent method of setting them. Make the net into a neat package by folding, then lay it carefully away in the lower drawer of a stout bureau, and sprinkle on a little pulverized camphor, lock the drawer securely and throw the key into a deep pond.

Stop drugging yourself with quack nostrums or "cures." Get the well-known pharmaceutical remedy that will do the work. Catarrh and Cold in the head will not cause suffering if Ely's Cream Balm is used. Druggists will supply 10c. trial size or 50c. full size. We will mail it.

Miraculous Benefit
 RECEIVED FROM
Dr. Miles' New Heart Cure.

ELI P. BABCOCK, of Avoca, N. Y., a veteran of the 3rd N. Y. Artillery and for thirty years of the Babcock & Munsell Carriage Co., of Auburn, says: "I write to express my gratitude for the miraculous benefit received from Dr. Miles' Heart Cure. I suffered for years, as result of army life, from sciatica which affected my heart in the worst form, my limbs swelled from the ankles up. I bloated until I was unable to button my clothing; had sharp pains about the heart, smothering spells and shortness of breath. For three months I was unable to lie down, and all the sleep I got was in an arm chair. I was treated by the best doctors but gradually grew worse. About a year ago I commenced taking Dr. Miles' New Heart Cure and it saved my life as if by a miracle."

Dr. Miles' Remedies are sold by all druggists under a positive guarantee, free bottle benefits or money refunded. Book on diseases of the heart and nerves free. Address: DR. MILES MEDICAL CO., ELKHART, IND.
