Secretary Wilson Coming.

Washington, Feb. 2 -Secretary Wilson, of the Agricultural Department, will leave Washington in a week or ten days for a visit to the South, objective points being North and South Carolina and Florida. Probably the most of his time will be spent in the latter State, where Secretary Wilson wants to look into the question of raising high grade tobacco. He believes Florida to be capable of producing tobacco almost if not quite, equal to the finest produced in Cuba, or Sumatra. If this opinion is borne out, it may result in the purchase and planting, under government supervision, of State aforesaid. and that said fim foreign tobacco seed, with a view to determine just what may be accomplished under careful cultivation.
