## NO SPECIAL DEVELOPMENTS.

**No More Bodies Recovered—Charities Distributed—Spain Buys War Vessels.**

No bodies were recovered Friday from the Maine wreck and it is feared the delay may prevent the recovery of any more. The committee of inquiry will take further testimony at Hayana.

There are varying reports but the summary amounts to the fact that it is very uncertain at this date whether the committee could give an intelligent report.

The charitable funds for the sufferers are being distributed.

The most suspicious thing we see in the news items is that Spain has bought two war vessels building for Brazil and is negotiating for more. The strange part is that she has the money necessary to make the purchase. There are surmises that money is furnished by France. It has been thought that Spain was on her last financial pins for some time and this cash buying is a surprise.

## Household Gods.

The ancient Greeks believed that the Penates were the gods who attended to the welfare and prosperity of the family. They were worshipped as household gods in every home. The household god of today is Dr. King's New Discovery. For consumption, coughs, colds and for all affections of throat, chest and lungs it is invaluable. It has been tried for a quarter of a century and is guaranteed to cure, or money returned. No household should be without this good angel. It is pleasant to take and a safe and sure remedy for old and young. Free trial bottles at Fetzler's Drug Store, Regular size 50c and \$1.

## MRS. EARNHARDT DEAD.

**After Lingered Several Weeks With Pneumonia.**

This (Saturday) morning about 2 o'clock Mrs. Mack Earnhardt, of No. 5 township died, after being confined for about three weeks with pneumonia. Mrs. Earnhardt was the daughter of Mr. Sandy Blackwelder, who died several years ago. She was 37 years of age, and leaves a husband and three small children, the smallest of which is only four months old. She was a sister of Mr. Clay Blackwelder, of Cannonville.

Her remains will be interred Sunday morning at Mt. Gilead Reformed church in No. 5 township. The funeral will be preached by Rev. Paul Barringer.

What pleasure is there in life with a headache, constipation and biliousness? Thousands experience them who could become perfectly healthy by using Dr. Williams' Little Early Risers, the famous little pills. —Gibson's Drug Store.

## THE PUBLIC DEBATE.

**The Audience Faithfully Good—Logic Met and Wit Flowed.**

The public debate came off as announced, Friday night, and despite the inclemency of the weather a fairly good audience was present.

Much of the logical presentation was strong and apparently conclusive, but was adroitly met and the force of the blows were turned away in forensic skill.

The good natured repartee was much enjoyed by the audience and probably by the authors for it flowed freely and was made expensive to its subjects.

A committee of five good and able judges voted four to one, we believe, that the negatives had the better of the debate.

We probably should not close this brief account without stating that it was not uniformly understood how or in what way Monism should be excluded from North Carolina. One speaker on the affirmative being clear, strong and positive that it should be done by not entertaining them privately or opening our public buildings to them and also by not accepting their literature, while the negative combatted the idea of persecution.

President Duval thanked the spectators for their attendance and interest, expressing the hope that the Lyceum could soon accommodate the public at their regular meetings.

## W J Bryan Coming.

From the Due West correspondence to the Charlotte News of Friday we take the following:

A telegram was received this morning from Mr. William J Bryan, saying he would come to Erskine college on the 11th of March. He will deliver a lecture here Friday night or Saturday morning. Profs. Grier and Reid have the management of securing rates for all who wish to come.

A large crowd is expected, for it may be the last time this section of the country will have an opportunity of hearing the greatest statesman of the United States. Reduced rates will be placed on all railroads from the different points.

## PERSONAL POINTERS.

## An Unusual Occurrence.

We notice in the Concord STANDARD of Tuesday last an account of two brothers marrying, or at least that is the information to be gathered by reading the head lines. We insist that this is a rare happening in this late day of men and women.—Stanly Enterprise.

Our headlines that Brother Rufus is trying to "get gay" over read as follows: "Brothers to Be Married." It's no new thing for brothers to marry. But what does he think of a man's marrying his widow's sister? Wonder if he approves it?

## Lutheran.

Mr. A R Willman has a letter from Dr. Bowman in which the latter says that he has fully recovered his health and strength since going to Florida.

The church council of St. Mark's Lutheran church has received no official acceptance from Rev. Dr. Holland, called to be pastor of the church, but has every reason to believe that he will accept the call. He will be heard from definitely by the first of the week.—Charlotte Observer of the 4th.
