An Escaped Convict.

Mr. D B Shaw, one of the officials of the Southern Detective Association at Charlotte, was in our city this [Wednesday] morning. He came after a negro named Abe Torrence who escaped from the Mecklenburg chain gang quite a long time ago. The negro has been here for at least twelve months working for Mr. R A Brown. The detective, of course, tried to pick something else out of him in regard to the burning of a barn in Charlotte several weeks ago, but the negro told a very straight tale in regard to it and could give the detective no clue.

A Narrow Escape.

Thankful words written by Mrs. Ada E Hart, of Groton, S. D.: "Was taken with a bad cold which settled on my lungs; cough set in and finally terminated in Consumption. Four doctors gave me up, saying I could live but a short time. I gave myself up to my Savior, determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for Consumption, Coughs and Colds. I gave it a trial, took in all eight bottles. It has cured me, and thank God I am saved and now a well and healthy woman." Trial bottles free at P B Fetzer's drug store.
