## A BATCH OF NEWS

From No. 6 Township By One of Our Correspondents.

Wheat and oats are looking well in our community.

Mr. J T Fisher, of the Cabarrus Mills, has moved back to his father's, Mr. S R Fisher, to work on the farm.

Messrs. H W Bost and L N Brown, of Cannonville, were out on their farms last week.

The school which was taught by Mr. A H Penninger at the Fisher school house, closed with an entertainment last Saturday and Saturday night, which was very amusing. This makes Mr. Penninger's third school at that place. Mr. Penninger reports a pleasant term and good behavior on the part of the scholars, which is something a little unusual.

Our former pastor, Rev. W H McNairy, has returned to his place of duty. He preached a most interesting sermon on last Sunday.

The Womens Missionary Society of Lower Stone church will hold an entertainment on Saturday night before the third Sunday in April, when they expect to show the public the work they are doing there.

Rev. Hedrick, who has been filling the pulpit of Rev. McNairy, returned to his home in Davidson last week. We regret to lose him from our midst.

There will be preaching at Lower Stone on Saturday before the first Sunday in April at 11 o'clock. Services will begin at 11 o'clock, even if there are only a few present. On Sunday Communion services will be held.

The school at Oak Grove closed last Friday with an entertainment which was good considering the fact that there are only a few scholars in the school.

Everything must be very dull up about Crescent, as we have not heard anything through THE STANDARD for the last four weeks. Brother Solomon wake up and tell us the news! We like to hear you brag. And we would say to U No at Heilig that we would be glad indeed to hear from him.

Hoping that these items will be of interest to the readers of this paper, I remain,  
BILL.

## CONVENTION CALLED.

Will Be Held in Raleigh May 26—A Warm Welcome Extended to All.

To the Democratic Voters of North Carolina:

Pursuant to a resolution of the State executive committee adopted at its meeting held February 22nd, I hereby give notice that the Democratic State convention will be held in the city of Raleigh at 12 o'clock, noon, on Thursday, May 26th, 1898. The plan of organization, recently re-printed, is now in the hands of the county executive committees, showing the regulations governing primaries and county conventions.

The convention will consider the nomination of the judges for the several districts wherein the term of the present incumbent expires January 1st, 1899; will announce the principles and policy of the party, and take such action as it may see proper.

Judicial conventions should be held prior to the date fixed for the State convention in the following districts: First, second, fifth, sixth seventh and eleventh.

The following resolution, amending the plan of organization, was adopted at the meeting of the committee held in December, 1897:

"Resolved, That all white electors who intend to vote with us in the next election, and who desire the re-establishment of Anglo-Saxon supremacy and honest government in North Carolina, are cordially invited to participate in all our primaries and conventions."

In the adoption of such a resolution the Democratic party expresses no unkind feeling for the colored people of North Carolina. The record of charity and kindnesses, public and private, of the white people of this State to the colored race, while the Democratic party was in full power, refutes such a suggestion. But the negro voter, with rare exception, cannot be considered one, whom the great principles of government, the wisdom of economic policy, or the qualifications of public servants in their responsible offices, guide or control in his choice of a ballot. His allegiance to the Republican party or its allies, cannot be disturbed by the corrupt and disgraceful conduct of those for whom he votes. Thus, in this day, when the State is fast seeking dishonor and shame under the hands of a fusion administration, which regards neither the rights of person or property, nor the good name and honor of the State, the call to duty if addressed to the white men of North Carolina.

In national matters no more vital principles can affect the people and their welfare than those which mark the present line of conflict—where the plain people of the country have thrown down the gage of battle to the money powers and trusts. The increasing control of the necessities of life in the few by open violations of the law, and the enhancement of the purchasing power of money, with the ever decreasing value of property, mark the exigency of the hour.

Of the affairs in our beloved State no words should be needed to awaken the patriotism of her sons. A political campaign is just ahead of us in which the wager of the contest is the good name and prosperity of North Carolina. We should begin work at once, prescribing no test oath to our fellow citizens, but ex-

tending a warm welcome and full fellowship to all who want to join us in securing just laws and good government. An early convention is fixed, where differences, if any exist, will be adjusted; the plan of fight mapped out, and then a united Democracy will triumph.

I respectfully suggest that the county conventions should be held as soon as convenient for the election of delegates. The nomination of county officers and members of the General Assembly may be postponed until later, as each county convention may think advisable.
