DECIDED AT LAST.

Hartsell v. Coleman—The Decision of the Lower Court Confirmed.

It will be remembered by many of our citizens that for about five years there has been a suit pending in the courts over a strip of land in dispute between Mr. J. L. Hartsell and W. C. Coleman.

At the first effort the plaintiff accepted a non-suit and there was no trial.

At the first trial Judge Boykin ruled out certain verbal evidence offered by the defendant to establish his title to the land in dispute and the jury found in favor of the plaintiff, Hartsell. Defendant took an appeal to the Supreme Court and Judge Boykin's was overruled and a new trial granted.

The second issue before Judge Norwood, we believe, resulted in a reversal, the jury not agreeing. The third trial came up at the August term of '97 before Judge Coble and a verdict was given in favor of the plaintiff. The effect of which is that the defendant, Coleman, gets the land called for by his deed, beginning at the intersection of Mill and Spring streets, while the defendant, Hartsell, gets all the land in dispute together with two small houses and a yearly rental of \$66, aggregating \$265, and interests, the defendant paying the costs.

This finding of Judge Coble's court was appealed from but the Supreme court on Tuesday, the 29th, affirmed the decision of the lower court.

Messrs. Montgomery and Crowell appeared for the plaintiff and Mr. W. G. Means for the defendant. It has been a sharp legal clash and every inch of the legal as well as the territorial ground has been measured.

A Clever Trick.

It certainly looks like it, but there is really no trick about it. Anybody can try it who has Lame Back and Weak Kidneys, Malaria or nervous troubles. We mean he can cure himself right away by taking Electric Bitters. This medicine tones up the whole system, acts as a stimulant to the Liver and Kidneys, it is a blood purifier and nerve tonic. It cures Constipation, Headache, Fainting Spells, Sleeplessness and Melancholy. It is purely vegetable, a mild laxative, and restores the system to its natural vigor. Try Electric Bitters and be convinced that they are a miracle worker. Every bottle guaranteed. Only 50c, a bottle at P. B. Fetzler's Drug Store.

The Long-looked-for Found.

It will be remembered that nearly two months ago a young man named Will Snyder rented a bicycle from Alex Hartsell and failed to return it. Snyder is now in jail awaiting court. The wheel was found about the same time near Monroe and was shipped for Concord at once. By some means the wheel has never yet reached its destination, though Mr. Hartsell has at last learned that the wheel is in the freight warehouse of the Seaboard Air Line at Charlotte.

A little boy asked for a bottle of "get up in the morning as fast as you can," the druggist recognized a household name for "DeWitt's Little Early Risers," and gave him a bottle of those famous little pills for constipation, sick headache, liver and stomach troubles.—Gibson's Drug Store.

BURNED TO ASHES.

Rev. J. Q. Wertz to Deliver the Annual Address—Other News from That Neighborhood.

Crescent, N. C., March 29, '98.—The peach trees are in full bloom in our little burg. Hope the fruit will be plentiful too.

In reading the last week's issue of THE STANDARD we found a long piece written by Brother Bill. Now Bill, you come to Crescent too often to have no better opinion of the place. Now don't become discouraged but write and tell us the news.

The students in the Business Department have finished their course and have returned home.

The spring term of school here closes May 6th. Only five weeks until the students and president are busy preparing for commencement day. We hope to have a fine time and will entertain the audience in the best way possible. Rev. J. Q. Wertz, of China Grove, will deliver the annual address. Rev. Wertz is a very highly polished orator.

The house belonging to Mr. John Barger, of Faith, was burned to ashes Sunday morning about 1 o'clock. The origin of the fire is unknown.

Master Jacob Palmer paid a visit to his old home last Saturday night in Stanly county. He reports everything on a boom down there.

Miss Gall, the music teacher at this place, who was called to the bedside of her father, who has been very ill at Maiden, returned Friday night. In her absence Miss Mattie Fisher conducted her part of the school.

Success to THE STANDARD, and readers. SOLOMON.

The Spring Opening.

Though the weather is very inclement, one forgets all about it when they step in the store of Messrs. H. L. Parks & Co. today and see their vast display of all those things that makes a woman lovable no matter what her age or dimensions. The display is fine and one enjoys looking at the pretty styles, which are the latest, even if a person wouldn't know the difference between the most tastefully made gown and the ordinary wrapper. The display lasts two days, ending Thursday night.

Notice to Delinquents.

All property on which the town taxes have not been paid will be advertised for sale by the Sheriff on the first day of April next.

A WEDDING FORETOLD.

Another Call Received to Furnish Music—Some Attraction.

Mt. Pleasant, March 30, '98.—Our little town is on quite a boom now. Several new houses are going up.

The Cornet Club has received a call from Wingate to furnish music for their commencement exercises.

Messrs. Dallas, Pitts, of Concord, and Clarence Bost, of near Davidson, visited our town Saturday night. Two young ladies seemed to be the attraction.

From all reports—and by the way they are reliable—we judge that there will be another wedding in our town in the near future. The Superintendent has been engaged for some time.

Mr. C. S. Heilig left a half bushel of Irish potatoes on his store porch last night. Our town "regulators" found them, of course, and decided to plant. No sooner said than done. They were planted in four nice, long rows across the porch. But owing to the extreme richness of the soil they matured in one night, and early this morning "Uncle Dan," who clerks in the store, was seen "digging" taters.

Rev. H. A. McCullough, of Concord, filled the pulpit at the morning and evening services in the Lutheran church Sunday.

A NOTHER.

GOVERN THE MATTER.

In Regard to Those Roads—Other News From Govern.

Wheat and oats are looking fine. Mr. John W. Propst and family came up to his father's Saturday evening from Gold Hill.

Mr. Edward L. Ritchie's school has closed, and he will return to Mt. Pleasant to school.

Farm work is progressing rapidly. A few have planted some corn. R. W. Safritz & Co. have put in a new saw mill at their shops here.

The public road from here to Concord is in a miserable condition. It is said we have the worst road in the county. If there is any penalty connected with our road law, we would like to see it applied to the subjects that are responsible for such places as those at the foot of the Barnhardt and Catholic hills.

Clarence Bost, son of Mr. P. W. Bost, who has been confined to his bed with pneumonia, is again able to be up. MARCH.
