Guilford Pleased at the Victory Over William Bingham.

Guilford College, March 28.—The Guilford team came out victorious in the game of base ball with William Bingham School, Saturday. This was the first game played by the team and we consider it to be a good showing against such a battery as Mangum and Oldham. The Guilford made themselves conspicuous by their heavy hitting, making 19 hits while William Bingham made only 4.

The team will play Trinity two games at Durham, next Saturday and Monday.—Greensboro Patriot.

It Was a Boy.

Sometime ago the Asheboro engine was derailed by spikes which some one had placed on the track a few miles this side of Asheboro. There came very near being a general smash-up. The railroad authorities at once put detectives to work to find out who was doing this dangerous work. Detectives Greer went down in that neighborhood last week and after lying out in the woods for two days succeeded in catching a boy in the act of placing spikes on the rail again. His name is Phillips.—High Point Citizen.

The Organ Recital a Success.

The organ recital at St. James Friday night was a success in every way. The church was crowded to its full capacity and the music was of that high character called classic that can only be fully appreciated by those of that higher and parallel training. The intense interest was manifested by the perfect stillness, while the three participating, viz: Prof. Granz, Miss Rueckert and Miss Patterson showed their skill in this the greatest of the fine arts, music.
