MR. PEACOCK DEAD.

The Revival Meeting Continuing—An Infant Dead—A Death at the Buffalo Mills Also.

Mr. Deerwood Kizziah, son of Engineer Will Kizziah, has returned to his home at Danville after visiting his grandmother, Mrs. Polly Kizziah.

Two large congregations turned out to hear Rev. Arnold Sunday morning and Sunday night. There were ten additions to the church on Sunday night. The meeting will continue through the week.

The young man, Mr. J C Peacock, who lost his leg some weeks ago, died on Sunday morning at 10 o'clock. This is quite a shock to his many friends, whom he had won during his sickness. A relapse for the worst was noticed about 4 o'clock on Sunday morning. The body was sent to his home near China Grove this (Monday) morning. His relatives have the sympathy of our community. He was a son of Mr. Rufus Peacock and once lived at Mt. Pleasant, where he is still remembered by quite a lot of people.

The little 10-months old child of Mr. and Mrs. M W Baxter, of this place, died Sunday evening.

Mr. Levi Eady, of the Buffalo Mills, died Sunday of typhoid fever. His body was taken to Bar Creek for burial.

Remarkable Rescue.

Mrs. Michael Curtin, Plainfield, Ill., makes the statement, that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption and that no medicine could cure her. Her druggist suggested Dr. King's New Discovery for Consumption; she bought a bottle and to her delight found herself benefited from first dose. She continued its use and after taking six bottles, found herself sound and well; now does her own housework, and is as well as she ever was. Free trial bottles of this Great Discovery at P B Fetzer's drug store. Large bottles 50 cents and \$1.00.

AN OPEN LETTER TO MOTHERS.

WE ARE ASSERTING IN THE COURTS OUR RIGHT TO THE EXCLUSIVE USE OF THE WORD "CASTORIA," AND "PITCHER'S CASTORIA," AS OUR TRADE MARK.

I, DR. SAMUEL PITCHER, of Hyannis, Massachusetts, was the originator of "CASTORIA," the same that has borne and does now bear the fac-simile signature of *Chas. H. Fletcher* on every wrapper. This is the original "CASTORIA" which has been used in the homes of the Mothers of America for over thirty years.

LOOK CAREFULLY at the wrapper and see that it is the kind you have always bought and has the signature of *Chas. H. Fletcher* on the wrapper. No one has authority from me to use my name except The Centaur Company, of which Chas. H. Fletcher is President. March 24, 1898.

 Do Not Be Deceived.

Do not endanger the life of your child by accepting a cheap substitute which some druggist may offer you (because he makes a few more pennies on it), the ingredients of which even he does not know.

Robbed the Grave
 A startling incident of which Mr. John Oliver, of Philadelphia, was the subject, is narrated as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—kept on gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised trying 'Electric Bitters,' and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life, and robbed the other victim." No one should fail to try them. Only 50 cents per bottle at P B Fetzer's Drug Store.
