THE N. C. SYNOD

Met at Burlington—Good Reports—Business Expeditious—Delegates to the United Synod—Ordinations.

We gather, from a member, the following summary of the Synodical actions of the North Carolina Synod of the E. L. church, held at Burlington, beginning on Thursday, April 28th.

On reorganization Rev. O A Rose was made president, Rev. O B Miller, vice-president, Rev. L E Busby secretary and Mr. Jas. D Heilig was re-elected treasurer.

Contributions to church work were good.

The Synod did well for the literary institutions at Mt. Pleasant. It provided a \$300 scholarship fund for North Carolina College. It also authorized Revs. Miller and Fisher to canvass the churches in the Synod for funds with which to improve the seminary building.

Rev. C A Rose and W B Oney were made members of the board of directors of North Carolina College and Revs. H N Miller and J Q Wertz were made members of the seminary board.

Delegates were elected to attend the United Synod of the South, which meets at Newberry, S. C., next Wednesday, the 11th.

The following is the list except three lay-delegates whose names we could not obtain before going to press, clerical:

Revs. L E Busby,
" O A Rose,
" O B Miller,
" M G G Scherer,
" H N Miller,
" V R Stickle,
" W A Lutz.

LAY DELEGATES.

Mr. J D Heilig,

" M L Stevens, M. D.
" F B Eford,
" C H Duls,
" C E Ludwig.

Messrs. O L Miller and Geo. A Riser were ordained to the ministry. O Brown Cox will be ordained at a call meeting in July at Organ church. He is called to Asheville, N. C.

Synod recommended Mr. W W J Ritchie to the favorable consideration of vacant charges in the Synod. The next session of Synod will convene at Salisbury.

The meeting was most happy in a spirit of unity and business was expeditiously transacted. The work was completed at the Saturday night session but the formal closing was Sunday afternoon.

COUNTY COMMISSIONERS.

Hold Their Regular Monthly Meeting—Not Much Unordinary Business Transacted.

The County Commissioners met on Monday and besides the regular routine of paying bills a few other things of importance was transacted. There was not so much business of special importance to our people.

Mr. P F Stallings was appointed to let a contract to the lowest bidder to repair and fix bridge on the Harrisburg road near Pharr's mill. The work is not to exceed \$8.00.

It was ordered that Mr. Martin B Bost be notified to put public road near Mr. Mack Biggers in the same condition it was before. He was given 10 days to do so and failure to comply with request will lay him liable to indictment. It seems that he unauthoritatively dug some ditches beside the road, thereby narrowing the road bed and injuring it in other ways.

Dr. J S Lafferty was re-elected county superintendent of health. His re-election dates from May 1st.

A FAMILY REUNION.

At the Home of Mr. George Troutman In No. 6 Township.

Last Wednesday, Mr. and Mrs. George Troutman reached their fifty-first mile-stone as man and wife. (Mr. Troutman's age 74, Mrs. Troutman's 75.) Their children and grandchildren thought they would give them a surprise by gathering together at Mr. and Mrs. Troutman's, furnishing a dinner and spending the day socially.

About ten o'clock they began to gather in, and kept coming until eleven o'clock, or after.

Mr. and Mrs. Troutman have eight children living, five present, forty-six grandchildren living, thirty of them present, five great-grandchildren, two present.

At twelve o'clock dinner was announced, and all were invited into the yard and there found a table heavily laden with nice things to satisfy the inward man.

There were forty-seven at the table and four in the house—making fifty-one present.

After all had eaten heartily, one could hardly miss anything from the table.

The children and grandchildren played two nice games of ball, one beforenoon and one afternoon, and enjoyed the games very much.

Mr. and Mrs. Troutman enjoyed their surprise very much, and hope to see the entire number present at some future time.

THEY'VE ARRIVED.

Surprised the People of Raleigh—Our Company the First to Arrive at Raleigh for Camp.

We arrived safely in camp at 11:45 this morning, and captured the entire outfit. They were not expecting us until 4.30 o'clock, but we managed to get our cars coupled onto the regular trains and run in ahead of the schedule, avoiding all the unpleasant delay.

Charlotte's two companies came in next. You know they are always on time. We were glad to be able to welcome them, also that we were first in camp, except, of course, the Raleigh company.

When the opportunity presents itself we shall fly on the Spaniards just as unexpectedly, and we hope before they are any better prepared to receive us than the camp here was this morning.

Everything is straightened out now. None of the boys are disappointed, and we shall all like it. I want to thank every man, woman and child there for their kindness to us, and so long as we "Rebels" and "Old Glory" fight together our hearts shall be full of home and the dear people.

It is estimated that the war costs us one and a half million dollars per day. There was double the amount of satisfaction for the day that Dewey licked them at Manila.

All a Mistake.

Our "War Car, City of Knoxville," is safe in port, loaded with the finest cargo of Golden Oak Suits ever shown in this part of North Carolina. She was not captured by the Spanish Fleet of high prices as reported.

She was safely guarded into port by our Gunboat, "High Price Exploder," with 100 mattress' aboard, at prices ranging from \$1.25 to \$15.00. Hearing is believing, seeing is the naked truth. You can hear from anyone that has ever been in our store that we have the "stuff" and we make the prices.
