## THE FINEST GAME.

Cheraw and Concord Played a Most Excellent Game of Ball—The Game Was Without Errors On the Part of Concord.

Not a better game has been played by our boys this season than was played at Cheraw, S. C., on Wednesday, July 20th. In fact, too, a closer game has not been played by our boys.

A telegram was received by the DAILY STANDARD about 7.30 that evening from Captain Oldham. It must have been a very exciting game up until the seventh inning, as their score was even until that time.

But what makes us still more proud of our boys is the fact that not a single error is charged against our boys. This is "playing ball," when a team plays a game of nine innings and does not have an error charged against them. This means that no player made a fault.

At 12 o'clock noon today (Thursday) THE STANDARD received the following special telegram from Captain Oldham:

The game Wednesday was by far the most interesting played by the Concord aggregation. The first-inning gave Concord one run and Malloy made two runs for Cheraw. Evans struck out one of our men also.

A two base hit was made by Bunson, the catcher from the now defunct Southern League, and a single by Saunders. It was here that the rooters changed Concord's name to "conquered."

In the third inning Rogers crossed the plate, tying the score, where it remained until the "fire works" opened in the seventh inning, when five hits netted as many runs.

Ten men went to the bat in one inning, after which Saunders retired in favor of Evans, who will twirl today (Thursday). Cheraw scored two more runs in the eighth inning. Cheraw was very lucky in knowing how to manage the 4 by 8 grounds. Three lucky two-baggers fell over the right field fence much to the chagrin of our right field, who could easily have jumped the fence and caught the ball, but of course didn't think they would let it count.

Concord was unlucky in the unintentional double plays with the bases full. Altogether the boys "played ball," making 9 runs, 16 hits and no errors, while Cheraw made 4 runs, 8 hits and 4 errors.

Concord should be especially proud of her team's work since not a man had slept more than two hours the night before on account of heat, mosquitoes and an early train.

Fisher started in to pitch, but it was thought that speed would be more effective, and Billy's desire was satisfied. The result is gratifying. Mangum will officiate at his own funeral this afternoon.

## Not the Color, But the Crime.

At Columbus, Miss., Dan. H. Gillon, a white man and traveling plumber, assaulted a ten-year-old daughter of Tom Gunter Tuesday morning, but was frightened off by the arrival of a servant. He was caught and arraigned in the mayor's court. The two brothers of the girl arrived and shot the wretch down before the mayor. They were not punished, as the act was justified by the court and public sentiment.

## Mr. Wm. DeJournet Hurt.

From a correspondent to the Salisbury Sun from Sumner Siding we see the following:

"Sunday while three gentlemen from Concord were returning home and when near this place one of the gentlemen letting his wheel get the advantage of him was thrown headlong down an embankment and his collar bone broken. The gentleman stopped at the home of Mr. John Misenheimer, where Dr. McKenzie was called in and the wound dressed. He said his name was DeJournet and he lived near Concord and had taken a spin to Salisbury and was returning home when the accident happened. The wounded man was carried to China Grove by Mr. Misenheimer, where he took the train for his home."

[Mr. DeJournet is a carpenter here and lives a mile or two beyond the depot, and is known by quite a number of our people].

## Company Reunion.

The Charlotte News says that Maj. J G Harris has perfected arrangements for a reunion of Co. H, 7th N. C. Regiment of Volunteers, to be held at Rocky River church on Wednesday, August 10th. Capt. J M W Alexander, Lieut. J L Stafford and Mr. J Elam Caldwell are the committee of arrangements, and M H H Caldwell is one of the speakers for the occasion.

## The Stockholders Meet.

Messrs. J W Cannon, Joe Cannon, L D Duval, K J Davis, and Dr. R S Young left this (Thursday) morning for Albemarle to attend a meeting of the Wiscasset Manufacturing Company.

## A BAD MOB.

Too Much Technicality for Public Patience—Extreme Begets Extreme.

St. Louis, July 20.—A special to The Republican from Natchez, Miss., says: A telegram received here today, announced that a mob had stormed the Simpson county jail, at Westville, killing W T Patterson, who was confined there on the charge of murdering Lawrence Brinson. The building and the body of the prisoner were burned. The body of the unfortunate man was literally riddled with bullets. Patterson killed Brinson in April, 1897, as the result of a quarrel. He had had four trials, but always escaped sentence on a technicality, and the mob intervened, wearied by the law's delay.

## A Wonderful Record.

The Atlanta Constitution says: Major Lamar Fontaine is at the reunion at Atlanta. There are more wonderful things told of this man than the credulity of most people will accept. For instance, he took part in 27 pitched battles, 57 skirmishes and over 100 individual skirmishes in which blood was shed. He was wounded 67 times, and 13 times his lungs were pierced. Five times in the course of the war he was reported as dead. On two occasions he was able, with the aid of mirrors, to look into apertures in his flesh and watch the beating of his own heart.

Days don't get much warmer than Sunday was. One young man remarked that there wasn't even a coldness about his girl that day.—Daily Reflector.

## Getting Right.

Mr. Jesse Hoggard, of Helena, tells us that in his section the Populists have nearly all gotten right. That they are not doing any great amount of talking, but they are only disgusted with the party, and tells of a conversation he had with a gentleman who acted with the Pops last election, who told him that he was ashamed of ever having had anything to do with the third party.

We will see a mighty falling off this election. If the election could be held now there would be the greatest change in the figures possible. It is shameful how men, who know better, have played with the ignorance of the people and placed the wrongs out of place.

Then every man who would read The Progressive Farmer and Caucasian was misled by their statements and at once went before the people telling them of their misfortunes and weeping over their country's wrongs till men were worked up to political fanaticism and many were almost on the eye of anarchy.

They had been misled and were not responsible for it.

It was politics run mad, but now in cold, sober moments, they are beginning to see their error and are coming back to the Democratic party and will remain there.

We welcome them.—Wind-sor Orient.
