A BASE BALL ROW.

The Game Called Off On Account of the Umpire—The Game in Our Favor When Stopped—Strictly Speaking Cheraw Has the Game.

Our people were held in suspense until this (Friday) morning in regard to the game played Thursday evening at Cheraw. THE STANDARD was expecting a special telegram but failed to get it, owing to the fact that our boys had to go over to Wadesboro yet that night.

Early this (Friday) morning the following telegram came to THE STANDARD from Captain Oldham:

"We jumped the game at the end of the third inning on account of rotten umpiring. Roast after roast on both balls and bases proved too much. The umpire called two balks when the man was caught each time playing off of the first base. One of our players was put out of the game for protesting against the decisions of the umpire. The score stood 10 to 4 in our favor when the game was jumped. We knocked five two-baggers in the first inning.

"The following is the score: Cheraw, 4 runs, 5 hits and 4 errors. Concord, 10 runs, 12 hits and 2 errors."

The above telegram was sent from Wadesboro, showing that the boys went over that night.

In this game, it is very plain that Cheraw has nothing to be proud of, though technically speaking they have the game. Captain Oldham, as he says, found that so many unjust decisions on the part of the umpire was too much for them, and that it would be better to stop than tolerate such, even though Cheraw can claim that the game is hers, hence did not let his men go out in the diamond when the umpire told them to "play ball."

GEN. GORDON RE-ELECTED.

Great Enthusiasm and Loyalty at the Reunion.

Gen. Gordon has again been chosen as commander-in-chief of the United Confederate Veterans' Association in its present reunion.

The grand old man denies that he merits such confidence and esteem from the Veterans, but his denials are drowned by outbursts of enthusiasm for him, and he consents gracefully.

At the organization nearly all the officers were re-elected.

Gen. Stephen D Lee, the second in command, offered the following resolutions, which were most heartily adopted and which Gen. Gordon himself only regretted that he had not formulated himself:

"Whereas, The United States of America are at present engaged in a war with Spain in the interest of human liberty, and

"Whereas, Our comrades and our sons are members of that glorious army and navy, the achievements of which are now exciting the wonders of mankind, therefore, be it

"Resolved, That we, the survivors of the United Confederate Veterans, pledge our loyalty and the hearty co-operation of the organization in this crisis of affairs, to stand ready at all times with men and money, irrespective of political affiliations, to support the President of the United States as commander-in-chief of our army and navy, until

an honorable peace has been conquered from the enemy."

The report of the Battle Abbey committee, recommending Richmond as the site of the proposed Battle Abbey precipitated some discussion on account of the interest which various localities throughout this section have taken in the matter, but the excitement ended in the adoption of the committee's report.

The entertainment Thursday night in honor of the maids of honor for the different States and camps was a most brilliant affair. It is estimated that 12,000 people were present.

The reunions will probably be held in October hereafter as the July heat is too oppressive.

Mrs. Jackson and Miss Winnie Davis are at the reunion, but Mrs. Davis could not attend.

THE MANZANILLO BOMBARDMENT.

Seven American Vessels Burn Three Spanish Transports and Destroy Three Gun-Boats, in Addition to Blowing Up the Harbor Guard Ship.

Playa del Este, Cuba, July 21.—

The following is the official account of the latest naval victory, that at Manzanillo, modestly told by Commander Todd, of the United States gun-boat, Wilmington, in his report to Admiral Sampson: "At 7 o'clock on the morning of July 18th, the vessels on blockade duty in this vicinity, the Wilmington, Helena, Scorpion, Hist, Hornet, Wampatuck and Osceola, approached the harbor of Manzanillo, from the westward. At half past 7, the Wilmington and Helena entered the northern channel toward the city, the Scorpion and Osceola the mid-channel and the Hist, Hornet and Wampatuck the south channel, the movement of the vessels being so timed as to bring them within effective range of the shipping at about the same moment.

At 7:50 fire was opened on the shipping and after a deliberate fire lasting about two and a half hours, three Spanish transports, El Gloria, Jose Garcia and La Parima Concepcion, were burned and destroyed. The pontoon, which was the harbor guard and store ship probably for ammunition, was burned and blown up. Three gun-boats were destroyed. One other was driven ashore and sunk and a third was driven ashore and is believed to have been disabled.

"The firing was maintained at a range which is believed to be beyond the range of the shore artillery. It was continued until, after a general closing in, the shore batteries opened fire at a comparatively short range, when the ships were recalled, the object of the expedition having been accomplished, and the ideas of the commander-in-chief being carried out, as I understood them, to destroy the enemy's shipping, but not to engage the field batteries or forts.

"No casualties occurred on board any of our vessels. Great care was taken in directing the fire that as little damage as possible should be done to the city itself, and so far as could be observed, little, if any, was done."

BEATS HIS WIFE.

Then Gets His Pistol and Leaves at a Rapid Rate—Pursued By Some, But He Ran Too Fast.

Thursday evening about 6:30 o'clock there was some little excitement on West Corbin street. Adam Shinn, a large black negro about 30 years of age, beat his wife considerably at their home on Fenix avenue.

After he had beaten her and it seems had threatened to kill her, he then went in his room and got his pistol. He came down the avenue with his pistol in his hand and then turned the corner for the depot.

After running to the house and getting his pistol, Mr. Pink Misenheimer jumped on his wheel and chased the negro, but the negro never let anyone catch up with him.

The negro ran up through the ravine leading towards Sunderland Hall and has not been seen since. Officers went in pursuit of him later, but had to return without him.

The woman seems to be bruised somewhat, but the skin is not broken on her. She did not desire to talk that evening to anyone.

The editor of the Evans City, Pa., Globe, writes, "One Minute Cough Cure is rightly named. It cured my children after all other remedies failed." It cures coughs, colds and all throat and lung troubles.—J P Gibson.
