MONDAY'S GAME.

Concord Meets Defeat at the Hands of the Pelzer Boys—The Best Game of the Season—Concord Closes in on Them in the Last Inning.

Not this season has the grand stand witnessed such a game of base ball as was played Monday between the Concord team and the team from Pelzer, S. C.

There was nothing wrong in some of our people last week making the prediction that those boys from Pelzer could play ball in the full sense of the word.

The game was called awhile before 4 o'clock with Mr. Young Caldwell umpiring and Prof. Lewis scoring.

In the very first inning, when our boys went to the bat, one was struck out, one knocked out and one caught out.

In the second inning Rogers made a most excellent catch of Johnston's fly. Frost tried to make a most daring run into home in the second inning but our men were up to him and easily made him score a cipher. Garah Caldwell made a good catch of Saunders ball in the fourth inning, having had to run considerably to get it.

Johnston, Pelzer's crack second baseman, did some most excellent backing up of the first baseman, but did not do his best playing, having made one or two errors. Frost was pulling dreadfully hard in the sixth inning for his run, but Poole, the third man, struck out and left him on the second base.

Joe Fisher made one of the finest plays on the diamond in the seventh inning when he caught Morgan's fly at third and then sent the ball swiftly to the first, putting out Johnston. This was a "daisy" play and the ball went to the first as if it was shot from a gun.

Crawley knocked a stunning fly nearly against the fence in the eighth inning, but after all he got put out on second base by Mischenheimer. He undertook to run too far on it.

In the ninth inning it seemed that our boys would not make a run, but Mangum knocked a good fly out in center field and got his base. After this two of our men were put out and it seemed as if Mangum's fly would not prove of any benefit to the boys, but next came Caldwell, who got his base also on an error, and to our good luck, both of their runs scored.

In the first and second inning it seemed as if our team would not be in the game in the least, but they succeeded in holding their opponents down splendidly. The last half of the game was still better than the first half, and proved to be better by two runs to our boys.

Saunders and Crawley did the battery work for Pelzer, while Weddington and Oldham did the work for Concord. The batteries did some heavy artillery work, too.

Saunders succeeded in striking out 6 of our men, while Weddington made 7 of them drop their bats at the home plate.

The score stands as follows: Concord, 2 runs, 4 hits, 5 errors; Pelzer, 5 runs, 8 hits, 5 errors.

The following is the score by innings:

Concord	0 0 0 0 0 0 2—2
Pelzer	1 3 0 1 0 0 0 x—5

While Pelzer beat our team in a score of 5 to 2, our boys have nothing to feel ashamed of in this game, as they are certainly playing against professionals, and we know that Pelzer thinks we held them down exceedingly well.

They are trying each other again this evening on the diamond and will also play tomorrow evening.

NOTES.

Never has a baseball team brought such a coacher as is Crawley. He is a "beauty" and everybody has to laugh at him. Every member of the team has taken a course in rooting.

Our rooters were present with their horns but it did not take much wind to blow them.

One of the best buglers in the State was on the grand stand but as he was to blow Concord's horns, his services were not needed. He was heard once or twice.

Mr. Jones Yorke's rooting corps was there and figured prominently.

Mr. Loman Resigns.

Mr. Jim Loman, who for nearly five years has been tending to the electric light plant at this place, informed a STANDARD reporter today (Tuesday) that he had sent in his resignation as superintendent of the plant, and that his resignation would take effect on the 4th of August, unless some arrangements were made with him by the company. He is offered a position as an electrician in another place and will probably accept it.

The Effort Fairly Successful.

We are pleased to note that the Ladies' Benevolent Society of the First Presbyterian church, notwithstanding the rainy season, made \$34.50 from selling refreshments Friday night and Saturday. The expenses were very light, only \$2.50. This will be a neat little help to the Orphanage and is quite gratifying when the environments are considered.
