## TUESDAY'S GAME.

**A Still Closer Game Played But It Proved a Defeat to Concord—They Play the Last Inning Out Before They Changed the Tie.**

Monday's game of ball between Concord and Pelzer was considered close, but the game of games was played Tuesday evening by these same teams.

The game was called at the usual hour with Mr. Williamson Morris as umpire and Prot. E B Lewis scorer.

This time Mains went in the box for Pelzer and had Crawley to catch his balls. Mangum did the work for Concord from the box while Oldham caught for him.

In the first inning it seemed that our boys were going to be in the game at least to a score of two, they having scored twice. Mangum, as he did some weeks ago, knocked a fly over the fence, which scored him and also Oldham, who was on the base. This is Dolph's second ball over that fence this season.

When the other boys came to the bat, knowing that we had already scored two runs, they tried to do their best. Darby succeeded in getting to third base and was trying dreadfully hard to score but got put out between there and home, and so they didn't get to score.

When our boys went to the bat in the second inning, they failed to make a run but when the Pelzer boys came in town they held them off also without a run. In this inning two of Pelzer's men struck out and the third one was put out at first.

But the tune had to change slightly in the third inning. Frost succeeded in getting home on an error made by one of our boys. In the same way Darby also scored by a bad throw to the first baseman. In this inning Billy Weddington made a splendid catch of Mains fly in the centre field.

In the fourth inning Joe Fisher knocked a fine fly nearly to the fence in the centre field and fortunately it was where no one could reach it. But it was too bad—he didn't get to make his score after all.

Mangum put a pretty play on Bailey and succeeded in getting him out at first by swiftly putting it to the baseman instead of delivering the ball. He put that double-shuffle on himself.

Not a better play was made than the one made by Rogers in the centre field when he ran as fast as a player can and succeeded in catching a most excellent fly of Saunders. This was undoubtedly the play of the day.

All along at this time the enthusiasm was great, the boys now standing 2 to 2, as it had been since the third inning.

But now comes the time when all of Concord's people were almost bound to stand upon their feet in the grand stand. This was the most critical moment. Three of Pelzer's men were on the bases and with only one out it seemed impossible to keep them from scoring some runs. But here's the way it went. When three were on the bases, McIntyre went

to the bat. He knocked a splendid fly to Fox's field and of course Fox grabbed it. He at once sent it home double quick and succeeded in getting Morgan out also. This was the time of relief to the Concord people, as Pelzer did not have such a bright prospect at any other time during the game.

Darby, Pelzer's shortstop, is a good player and most always succeeds in picking up the ball and shooting it to the baseman. He made a pretty play in the seventh inning when he ran backwards and caught one of Billy Weddington's flies.

In the seventh inning Pelzer succeeded in getting two more runs, which were made by Saunders and Frost. Mains, in this inning, knocked a two-bagger but didn't get to score on it.

Pelzer now stood 4 to 2 against us, but next came our boys to the bat at the beginning of the eighth inning. Rogers made a nice bunt of the ball and got his base. By some means he succeeded in getting to third. Oldham then knocked one and brought Rogers home. Mangum then knocked a dandy one but got out at the sacrifice of a run made by Oldham. This now made the score even again—4 and 4.

Next came the ninth inning and the score was yet unvictorious to either team. The first half of it with our boys at the bat was played and still it was unchanged. Now if our boys could only hold them the latter half no one would have the victory. But the Pelzer boys succeeded in getting the winning run, which was made by Saunders.

This was a time for the rooters to get in their work—just before Saunders made his score.

Mangum struck out 3 men while Mains, who is a professional pitcher and belonged to the Inter-State League, struck out 6 of our men.

The following is the score: Concord, 4 runs, 10 hits, 7 errors; Pelzer, 5 runs, 4 hits, 2 errors.

Pelzer made less hits and errors Tuesday than they did Monday, while our boys made more hits and errors than they did the day before.

The following is the score by innings:

Concord	2 0 0 0 0 0 2 0—4
Pelzer	0 0 2 0 0 0 2 0—5

Saunders and Frost each scored two runs for their team while Darby also scored one.

Rogers, Oldham, Mangum and Reid, the first four in batting order, made the four runs for Concord's team.

They are playing again this evening on the diamond. Even if Concord does get beat "just a little" bit by these professionals she likes to play with them.

**No Resignation Yet.**

Notwithstanding the expressed purpose of the chairman of the city school board to resign his office, as it appeared in THE STANDARD Saturday, there has not been any such resignation filed with clerk of the board up to going to press.

"There is a rumor," says the Charleston Evening Post, "that the Atlantic Coast Line will extend to Salisbury via Cheraw and Wadesboro."
