CONCORD AHEAD.

Pelzer Gets Defeated Again in the Last Game—A Small Attendance—A Good Game Until the Sixth Inning—Concord Furnished Them Players.

For some reason only a very small crowd went to the base ball grounds Saturday afternoon to witness the last game of the week with the Pelzer team. Three of Pelzer's team having been discharged, our team had to let them have Reid to catch, and also gave them Johnston, who belonged to us.

Saunders' arm seems not to tire, though he pitched the game on Thursday, Friday and Saturday. Reid caught his balls Saturday evening, and though he had not been played in that position this season, he held them as fast as they came to him. Billy Weddington and Oldham did the battery work for our team.

Along through the first of the game, the score was good, not one having made a run. Reid made a pretty play in the second inning by putting Rogers out between first and second bases.

A fine double play was made by our team on the first and second bases, putting out Saunders and Frost in the second inning. Ed Misenheimer, the second baseman, made a pretty catch of Neyille's fly behind the first base in the third inning.

Up to this time neither team had made a single run, but Mangum went to the bat in the third inning and landed a fly over the fence in the left field again. Oldham was on the bases at the time, which scored two runs for Concord.

In this same inning our boys made another double play on Poole and Mains at first and second bases. Darby and Johnston were left on bases in this inning.

Reid tried his best to knock a fly over the fence and did succeed but it was a few feet outside of the line for a fair ball. It would have been a dandy one.

McIntyre made another one of those fine catches like he made in Charlotte last Friday. This time he ran probably further than the time before. He ran as fast as one could and succeeded in hauling it in on the end of his fingers.

At the ending of the fifth inning the score stood 2 to 0 in favor of Concord. In the sixth inning Caldwell made first, then succeeded in stealing to third. Fox made a base hit and brought Caldwell home. By some errors on the part of the Pelzer team, Fox, Weddington and Gibson also scored in this inning, while Rogers and Oldham was left on the bases.

Johnston made the first run for Pelzer in the sixth inning, having gotten home on a three-bagger knocked by McIntyre, who also scored in the inning.

Frost would very probably have made a run in the same inning had he not cut the first base so far. It happened that the umpire noticed him and he was put out on it.

Weddington knocked a fine ball

through the first baseman in the seventh inning and brought home Fox and Misenheimer and also made the second base himself by an error.

By errors in the eighth inning Caldwell made second and third bases, Oldham made first and Rogers made home.

Billy Gibson made a nice catch of Poole's fly in the right field in the latter half of the ninth inning.

Saunders struck out four of our men, Weddington struck out three of the Pelzer boys.

Fox made two runs while Rogers, Oldham, Mangum, Caldwell, Misenheimer, Weddington and Gibson each made one. Pelzer scored her runs by Darby, Johnston, McIntyre, Neville and Mains. The following is the score:

CHARLIE LOWE KILLED.

A Horse Kicks Him On the Chin and Dislocates the Spinal Column—Dies in About Four Hours—Known Well in Concord.

Miss Edna Lowe, who has been visiting here at the home of Mr. S J Lowe, was apprised of the sad news Saturday evening that her brother, Mr. Chas. Lowe, had been killed by the kick of a horse.

Mr. Lowe, in company with three doctors, stopped at a house near Loweville, and were hitching their horses. Mr. Lowe stepped to one of the horses and rapped it as a signal to near a tree in order that he could hitch. The horse at once kicked with both feet, striking Mr. Lowe on the chin and throat, dislocating the spinal column. Death resulted in about four hours.

From a correspondent to the Charlotte Observer we notice that a short time before the accident Mr. Lowe had told Dr. Davidson that he felt that some trouble was coming and said that he felt uneasy.

Mr. Lowe is remembered by our people here, having been in the merchandising business here for quite a while some years ago. He is a nephew of our townsman, Mr. S J Lowe. This is a very sad death and a shock no doubt to that community. Mr. Lowe was a most good-natured young man and had many friends.

A Shooting Affair.

Sunday afternoon about 4.30 Spencer was surprised by having a shooting scrape. Two white men, Tom Moore and Dick Sparnell, had a few words, it seems, with each other some time ago. Sparnell walked away to avoid any difficulty but was followed by Moore, who, after arming himself, shot five times at Sparnell when he came out of an office door. Two of the bullets took effect in the body of Sparnell—one going through the abdomen and the other entering his back.

When last heard from Sparnell was still living but is in a dangerous condition. Moore made his escape and has not been caught yet. It seems that Sparnell was well thought of by the railroad people but Moore is not possessed of a very good character.

THE JACKSONVILLE CAMP.

Sensational and Unfounded Reports Sent Out About Its Condition Corrected.

Inasmuch as the false reports of the bad condition of the Camp at Jacksonville have reached our own community we quote the following refutation:

Jacksonville, July 31.—After the attacks on Tampa, Fernandina and Miami, the sensationalist has moved to a near field and is now getting in his work on Jacksonville. The latest appears in a New York paper, the correspondent stating he was informed by "a gentleman" that typhoid fever in the camp here has been more fatal than the yellow fever at Santiago; that the camp is low and flat, and draining an impossibility, that the management of the hospital is lax, that it is being mismanaged favoritism shown. The statements would not be worthy of notice were it not for the fact that persons at a distance, who are not familiar with the actual conditions, are likely to be needlessly alarmed. The authorized statement is made by General Lee, commanding the troops here, that he is not only perfectly satisfied with Jacksonville as one of the healthiest spots in the South, as is shown by his official actions, but that the camp is in the best of condition.

PERSONAL POINTERS.

—Attorneys Lee Overman and L H Clement are in our bar today.

—Miss Nannie Cannon will leave tomorrow for Blowing Rock, where she will spend a while.

—Mr. L H Query, of Davidson, will arrive in our city tomorrow to visit his half-brother, Attorney Morrison Caldwell.

Another Game of Base Ball.

As to the future of Concord's base ball team and also of the Pelzer players that are here, there is nothing definitely known, but however there is a great game booked here Wednesday evening between Concord's second nine and a combine of the teams of Harrisburg and Sossamon's springs.

Found Dead in His Bed.

Saturday night Mr. Clement M McCorkle was found dead in his bed at the home of Mr. O D Davis in Salisbury. His death was caused by heart disease. Mr. McCorkle was a brother of Mrs. Morrison Caldwell, of this place. Mr. Caldwell and wife went to Salisbury Sunday to attend the funeral.
