COURT CLOSURES.

Jury Discharged Friday—Cases Continued Until Next Court—Some Other Cases Disposed Of.

The jurors for this week's term of court were discharged before noon Friday. Other business was then entered into in the afternoon, no one scarcely being in the court house but the attorneys.

The case of J C Neisler vs. Jno. A Barnhardt, which case is the contesting of a will, was continued until the next court. This is the case in which a deposition was taken some months ago.

The case of E C Lipe and others vs. Alice Bost, W J Parlier and others, contesting will, also continued.

The case of D O Bonds, administrator vs. the Southern Railway Company, in which case Mr. Bonds is suing the company for the killing of Mrs. Bonds at the Cannon Mills, was continued.

A disposition was made of the case of A L Howell, executor, vs. D W Bost and wife and others, in which an appeal had been taken from the clerk of the court to sell the lands to pay the debts. A compromise was effected, by which each heir pays the debts pro rata. Mr. D W Bost is to hold the land given him in the will, and is also to pay his share. The remainder of the assets after the debts are paid is then to be given over to the other heirs.

MUST STAMP RENT RECEIPTS

They Are Subject to a War Tax of 25 Cents.

Rent receipts are taxed twenty-five cents now. Parties renting out houses should remember this. We clip the following from the New York Herald:

"Collector Charles H Treat, of the Second New York Internal Revenue district, has received a ruling from Commissioner Scott affirming his decision that rent receipts must be stamped, as being the only evidence of contract between lessor and lessee. Commissioner Scott rules that the receipts for monthly rent come within the description of a memorandum or contract for the hire, use or rent of any land or portion thereof and to be accordingly subject to the tax of twenty-five cents. "The ruling would seem to clear away the doubt which has heretofore existed in the minds of both landlords and tenants."

Waterworks at Davidson College.

The executive committee of Davidson College has ordered the establishment of a complete system of water-works for the college, large enough to furnish an abundant supply of pure water for drinking and sanitary purposes, and for equipping the institution with modern bath room conveniences. The water will also be furnished to all the college boarding houses, and the town is taking steps to co-operate with the college and extend the system throughout the corporation for the use of all the citizens.

As it will require eight or ten weeks to bore the necessary artesian wells, and put the plant in successful operation, a number of small wells, reaching from 100 to 150 feet in depth, will be driven immediately, so as to furnish water of tested purity for the opening of the term in September.

Executive Committee of State Fair Issues Regulations.

At a recent meeting of the executive committee of the North Carolina Agricultural Society, says the Morning Post, the following resolutions were adopted and the secretary was directed to have the same published for 1898, and to give them special prominence:

1. The executive committee has authorized the letting of only such privileges as are required to satisfy the necessary wants of the people, or that may add to their comfort, convenience and pleasure, but under no circumstances will privileges of a questionable nature or of a demoralizing tendency be sold, or in any manner tolerated on the grounds or in the buildings, nor will any privileges be sold or permitted, where the business is conducted in any way other than a legitimate, decent manner.

2. All dining halls, lunch booths and refreshment pavilions and other stands, must be kept neat and tasty in appearance, and supplied with wholesome food and pure goods, for sale to the people at reasonable prices. The executive committee will carefully guard against extortion in any form being practiced on the patrons of the fair, any such attempts will forfeit privilege holders all rights on the grounds.

3. The executive committee will not sell or grant to any person or persons the privilege of selling, dealing, or bartering in spirituous, vinous, or malt liquors on the fair grounds or in any of the buildings or booths during the holding of the annual fair.

4. No privilege shall be sold, granted, or in any manner tolerated for the operation or exhibition on the grounds or in any of the halls, buildings or booths, of any gambling device, lottery or games of chance of any character whatever. Renters will note that any business, trade or occupation that is in violation of the above will be rigidly excluded, and violation after admission will be punished by forfeiture of privilege and ejectionment from grounds.

[This seems most decidedly a move in the right direction. Let our State Fair have a pure moral atmosphere, or have no Fair at all.]

Highly Commendations Cervera.

Lieutenant Hobson, in New York the other day, made the following remark to a newspaper man, which shows that he holds Admiral Cervera in very high esteem:

"I want to go to Annapolis before I leave the country and pay my respects to Admiral Cervera," said the Lieutenant. "For him I want to say that the American public may never know just how much they owe him for the way he treated and protected the prisoners in Santiago. He is a grand old man, and I will never forget him for his kindness to me. When I came here I sent him a telegram, telling him that when I had the chance I would thank him in person. I want to take that chance now."

An Accident on Depot Street.

Friday evening as Dan Robertson, an old colored man, was going down West Depot street he met with an accident on account of a dog. His wife and little boy were also in his wagon. When their mule got in front of Mr. Jim Cook's dwelling a dog ran out and commenced barking at the mule, the latter giving a quick turn to the side of the road, causing the wagon to come in contact with another wagon going in the opposite direction. The negro woman and her boy were thrown out upon the ground and the wagon ran over both of them. The arm of the woman was thought at first to be broken but it is only badly bruised. The little boy was also slightly hurt.

One Minute Cough Cure surprises people by its quick cures and children may take it in large quantities without the least danger. It has won for itself the best reputation of any preparation used today for colds, croup, tickling in the throat or obstinate coughs.—J P Gibson.

DeWitt's Witch Hazel Salve has the largest sale of any Salve in the world. This fact and its merit has led dishonest people to attempt to counterfeit it. Look out for the man who attempts to deceive you when you call for DeWitt's Witch Hazel Salve the great pile cure.—J P Gibson.
