CONCORD, N. C. TUESDAY, AUGUST 9 1895

WHOLE No 11760

## BACK AT HOME AGAIN.

The Rev. W T Talbirt will affiliate with the Populist Party no longer. The Rev. W T Talbirt called in THE STANDARD office Monday and authorized us to say that he will vote the Democratic ticket hereafter. He was originally a Democrat but was led to hope for improvement in our conditions by voting the Populist ticket. He is thoroughly disgusted with the effects of the Populist movement and washes his hands of it. He says he is now fully and completely restored to the Democratic household. He says he has heard a goodly number of his neighbors speak in the same vein and feels sure that there will be hundreds that will return to the Democratic ranks sick enough of the so-called reform movement.

## The Teachers' Institute.

The Teachers' Institute to be held August 22-26 should be attended by every teacher who intends to engage in the work during the coming winter. Interest in a work is usually attended by success. The most successful teachers are those most interested in the work of teaching.

Friday, the 26th, will be set apart for the public and committees of the respective districts. All are invited to be present on that day. Arrangements are making to have one or more addresses by some of our foremost educators.

President McIyer, of the State Normal and Industrial College has already signified his willingness to come. President Alderman, of the State University, has written that he will come if his duties will allow. State Superintendent Mebane has also been invited and will doubtless be present if other engagements will permit.

We feel assured that the 26th will be a day of great importance to the people of Cabarrus. Every friend of education should turn out that day to hear the distinguished gentlemen who are at the head of the noblest work now doing to promote the interests of North Carolina.

Each institute will be conducted with open doors. Visitors will be welcome. H T J LUDWIG.

## A Colored Fireman Dead.

Jno. Ury, a colored man of our place, and who belonged to the colored fire company, died Monday of consumption. The firemen in a body turned out this (Tuesday) morning to pay a tribute to their brother fireman. The remains were buried in the camp ground beyond the depot.

## Concord to Lose Mr. Stone.

Mr. W A Stone, of Forest Hill, together with his family, have moved to Albemarle, where he will buy the grocery business of Mr. Jno. Atkins. We regret to lose Mr. Stone from our city, but what is Concord's loss is Albemarle's gain.

## The Colored Institute.

Rev. F T Logan, assisted by President Jas. B Dudley, of the State A. & M. College, Greensboro, N. C., and others, will conduct the Institute for the colored teachers.

President Dudley will be glad to meet the colored people in the interest of the college of which he is the head. The colored people should come and see him.

## SPAIN'S REPLY RECEIVED.

Not an Unreserved Submission to Terms.

Spain's reply to the peace proposition arrived Monday evening, but was only laid before the Cabinet today (Tuesday).

No knowledge of its tenor can be obtained, but it is evident that it is not an unconditional surrender, as was heralded by certain dispatches. The document is of considerable length, as indicated by its coming in piece meals during the evening.

## Caught and Tied.

We are reliably informed that Mr. Jno. Connell, of No. 11 township, has been found guilty of stealing valuable property. He has however, been caught, tied and imprisoned for life.

At the McGraw school house, five miles from Concord, there was preaching Sunday by Rev. W T Talbirt, who informs us of this affair. Mr. Jno. Connell stole Miss Minnie Bradford and carried her to the home of Mr. Thos Talbirt. On Monday morning papers were issued and Mr. Connell and Miss Bradford were happily united in matrimony by Rev. W T Talbirt.

## A Change of Form.

Instead of the Southern issuing passes now to the press of our State, they are advertising with the newspapers and compensating the papers by issuing 1,000 mile books to them. This is not contrary to the ruling of the railroad commissioners, as was the regular passes formerly used.

## Millions Given Away.

It is certainly gratifying to the public to know of one concern in the land who are not afraid to be generous to the needy and suffering. The proprietors of Dr. King's New Discovery for Consumption, Coughs and Colds, have given away over ten million trial bottles of this great medicine; and have the satisfaction of knowing it has absolutely cured thousands of hopeless cases. Asthma, Bronchitis, Hoarseness and all diseases of the Throat Chest and Lungs are surely cured by it. Call at P. B. Fetzer's drug store and get a trial bottle free. Regular size 50c. and \$1. Every bottle guaranteed, or price refunded.

## A Big Cotton Day.

The time has not yet come this year that Cotton Weigher Biggers doesn't have to keep an eye on that platform, as the farmers are liable to bring cotton any day. Monday was a splendid day for him again, there having been 127 bales weighed. The most of the number came from Mecklenburg county.

## GEN. BLANCO COMES DOWN.

Gives it Up and Wants Gentleness and Conciliation.

A Washington dispatch to the Raleigh Post says that Gen. Blanco has at last come down from his high horse and by proclamation informs the people that the war is practically over and that Cuba will fall into the hands of the Americans and the insurgents and urges a conciliatory and forgiving demeanor. He is said to have changed his haughty bearing very much.
