CONCORD, N. C. THURSDAY, AUGUST 18 1898

WHOLE No 11768

The Manila Surrender.

The official report from the great Admiral has arrived and is as follows:

Manila, August 13, 1898.
To the Secretary of the Navy, Washington:

Manila surrendered today to our land and naval forces after a combined attack. A division of the squadron shelled the forts and intrenchments at Malate, on the south side of the city, driving back the enemy, our army advancing on that side at the same time. The city surrendered about 5 p. m., the American flag being hoisted by Lieutenant Brumby.

About 7,000 prisoners of war were taken.

The squadron has no casualties; no vessels injured.

On August 7th General Merritt and I formally demanded the surrender of Manila, which the Spanish Governor-General refused.

DEWEY.

Dispatches via Hong Kong say: "Perfect order was maintained as the American troops marched into the city this afternoon. After the surrender, guards were placed about the houses of foreigners to prevent looting. Rebels were not allowed to take part in the attack, and after the surrender only unarmed rebels were allowed to enter the city."

"It is reported that Admiral Dewey was not aware of the departure of Augusti on the Kaiserin Augusta."

The American loss in fighting was from six to eight killed and 40 wounded. The Spanish losses are unknown, but are considerable. The city is under martial law and Merritt is military governor.

A Reunion at Mr. M. C. Walter's.

Quite a number of the surviving members of Company A, of the 52nd North Carolina Regiment, held their reunion at the home of Mr. M. C. Walter on West Depot street today. Rev. J. D. Arnold, pastor of Forest Hill Methodist church, delivered a talk to them. There were also some other exercises. Last came the big reunion dinner, where they all gathered round the table filled with the best of things to eat. An election of officers was held, but too late for this evening's issue. The proceedings of the meeting will be published in tomorrow's issue.

A Fair Show Desired.

It appears after all that the problem of negro labor in the cotton mills falls upon the shoulders of Warren Coleman, of Concord, for solution, the South Carolina venture having failed before the negro had a chance to demonstrate his talents in that direction. We may be sure of one thing: there will be an entire absence in the Concord project of the mismanagement which characterized the Columbia mill. The failure of the latter mill affords no ground for prejudice against the Concord mill, for which everybody desires a fair showing. —Charlotte Observer.

Plantation Specialty Company Here.

A colored company came here this morning and will play "The Sunny South or Down Town After Dark" in Caton's hall tonight. They also advertise that there will be a "grand cake walk" by their performers, and some fine buck dancing. A place will be reserved for white people at a convenient place in the hall. The rates are 25 and 35 cents.

Some Naughty Boys Here.

A trick was played by some of our boys Wednesday night. A sign had been painted on the window at Miss Nannie Alexander's millinery store advertising the cineograph performance. The admission fee on the window when painted read "15 and 25 cents" but the next morning the admission fee had been lowered to "5 and 2 cents", some one having erased two of the figures.

Avery Kale Found.

Avery Kale, a young man who shot a man named Geo. Travis at Catawba on Saturday the 13th, and who succeeded in making his escape before being arrested, has been caught in camp at Jacksonville. It will be remembered that these two men had a dispute at a distillery at Catawba, and that Kale fired on Travis with a gun, blowing the top of Travis' head off. A reward was offered by the sheriff of the county. Kale had at once gone to Marion after the affair happened and immediately enlisted under Lieutenant Erwin and his corps of recruiting officers. When arriving at Jacksonville he was assigned with the Hornets' Nest Riflemen, but before long an officer had identified him. When arrested he confessed everything and claims that he did it in self-defence.

Married at the St. Cloud.

On Wednesday evening a few friends gathered at the parlor of the St. Cloud hotel to witness the marriage of Mr. Davis Brumley, of No. 3 township, to Miss Mary Andrews, daughter of Esq. S. R. Andrews. This marriage was somewhat of a surprise to the bride's parents. The ceremony was performed at 7 o'clock by Rev. C. F. Rankin, of this place.

Rubber From Corn.

It is announced now that a force of chemists in Chicago have succeeded in making rubber out of corn. It is said to be equal to the genuine South American rubber, save that it does not resist heat quite so well, but it resists the effects of the air better. It does not crack. It is expected to greatly reduce the cost of rubber goods.
