ORGANIZATION PLAN

Of the Democratic Primaries to Be Held in Our County On Saturday, September 3rd—Number of Votes to Which Each Township is Entitled.

Following is the plan of holding the primaries in our county as issued by the State Executive Committee of the Democratic party;

At every precinct meeting there shall (before delegates to the County Convention are elected) be a vote taken for the different candidates for office whose names may be presented, and the delegates shall vote in the County Convention their respective precincts in accordance with this vote; that is to say, each candidate shall receive in the County Convention that proportion of the vote to which the precinct may be entitled which he received in the precinct meeting. The chairman and secretary of the precinct meeting shall certify to the County Convention the vote received by each candidate at the precinct meeting.

Each precinct shall be entitled to cast, in the County Convention, one vote for every twenty five Democratic votes, and one vote for fractions of thirteen Democratic votes cast by the township at the last preceding gubernatorial election; Provided, That every voting precinct shall be entitled to cast at least one vote, and each precinct may send as many delegates as it may see fit.

The chairmen of the precinct committees shall preside at all precinct meetings. In their absence any other member of said committees may preside.

According to this rule, then, our precincts will cast a total of 60 votes, which will be cast respectively:

From the Elkin Paper.

From the Elkin Times, a weekly paper published there, we take the following from the write-up of the Elkin-Longtown baseball game: "The pitching and catching by Weddington and Reed were highly complimented and we hope to have the Concord boys with us again."

TOWN ORDINANCE

In Regard to the Sanitary Condition of the Lots About Our Stores.

Be it ordained by the commissioners for the town of Concord, that it shall be the duty of every person, company or corporation doing business in any house, building or office on the streets of the town of Concord, to sweep in front and rear of their places of business every morning, and gather up and place all waste paper, trash or filth of any kind to be found on the respective premises of the said persons, companies or corporations, each morning, in light barrels or boxes, and any person, company or corporation failing to comply with this ordinance shall be guilty of a misdemeanor and fined ten dollars for each offence, or imprisoned twenty days—provided the town will provide a cart or conveyance, to carry said trash, filth, etc., off.

The town has employed J B Caldwell to carry off, empty and return the barrels or boxes required in the above ordinance, and he will empty them on Monday and Friday evenings of each week, beginning Monday evening, August 22nd next, and all persons who fail to comply with the ordinance on and after said date will be liable to the fine or penalty named in said ordinance. This ordinance is in the interest of the health and cleanliness of our town and will be enforced.

Respectfully,
J. L. CROWELL,
Mayor.

A Note of Thanks.

I take this opportunity of expressing to my many friends of Concord my appreciation of their interest in me during my stay here. I desire specially to thank the base ball management, the players, the club, the K. of P., and by no means last Dr. and Mrs. Young, who have spared no pains to make my stay pleasant. To say that I have enjoyed the few weeks I have been here puts it mildly. I leave Concord with only one regret, viz., that I might stay longer. She has my best wishes and I shall always remember my summer here with pleasure and shall look upon her every advancement with every interest.

Very truly,
J M OLDFHAM.

The Cineographic Display.

We are sorry to have to say in truth and fairness that the Cineographic display in the court house Friday night was very unsatisfactory.

The audience had seen displays before so far superior that it was disappointed and many didn't hesitate to manifest it. Whatever explanation may be due the Messrs. Collins and Jones by way of a broken lens which was ordered but failed to arrive until Saturday morning, the manipulation of the machinery in presenting the scenes did not seem to be the work of an expert and the pictures were very indistinct. We are authorized to say for the ladies of the management that they regret exceedingly that the display was not volume compared with others of the kind.

The Boys Meet Defeat.

Our crowd of small boys who went to Albemarle Friday and played a game of base ball with that nine, met a horrible defeat, but claim that Albemarle rushed the first nine on them instead of about the third nine, as our crowd. But then the boys stand their defeat very good naturedly and they go down with one consolation—they did the best they could. George Richmond and Will Fetzer did the battery work for our boys. The score stood 29 to 9 against our boys.

A Wreck Near Gastonia.

Some time after midnight Friday night, No. 74, a northbound freight train, was wrecked near Gastonia. The cause was a wash-out. Sixteen cars were derailed and somewhat badly wrecked. It was reported that three tramps were injured—two having received scalp wounds and the other having got his leg broke. None of the trainmen were reported hurt. No. 36, the fast mail train due here at 10 o'clock a. m., did not arrive until nearly 1 o'clock.
