CONCORD, SEPTEMBER 5 1898.

OUR TICKET.

FOR CONGRESS FROM THE 7TH DISTRICT,
HON. THEO. F. KLUTZ.
FOR SOLICITOR FOR THE 8TH DISTRICT,
MR. WILEY RUSH.

THE SITUATION AS REGARDS THE PRIMARIES.

Despite our every effort and the efforts of the candidates most intimately concerned, there can be no definite news gotten from No. 2 township.

The commissioners will have to be selected from a large number of nominations in the Democratic primaries on last Saturday. It seems entirely probable that J P Allison will be nominated on the first ballot.

Col. Long will walk over the race track for Surveyor, as will J N Brown for coroner.

There is no race for John M Cook, C W Swink and L T Hartsell, for the nominations for Clerk of the Court, Treasurer and Legislature respectively. For Cotton Weigher, Register of Deeds and Sheriff all are in the race and it will take the convention next Saturday to determine on whose shoulders will rest the task of defeating the combination ticket.

Gen. Wheeler Speaks.

Gen. Wheeler, writing from Montauk, repudiates the sensational reports of great neglect and avoidable hardships in the Santiago campaign and even in the camp at Montauk. He thinks when the environments are duly considered there is no room for the great criticisms of the different departments and that the soldiers themselves duly appreciated the situation and bore their unavoidable hardships and privations with cheerfulness. Indeed in most instances these evils were overestimated and falsely reported.

The First Regiment to Come Home.

It now transpires that the First North Carolina Regiment is to be mustered out instead of the Second. We are unable to learn whether the process is to be the same as that intended for the Second or not, namely to go to Raleigh and be furnished home to return and be examined and be mustered out.

A stubborn cough or tickling in the throat yields to One Minute Cough Cure. Harmless in effect, touches the right spot, reliable and just what is wanted. It acts at once.—J P Gibson.

A "FAKE" HOBSON.

A Cincinnati Man Has a High Old Time at a Georgia Watering Place.

"There was a bogus Hobson at a south Georgia watering place last week," said a New Orleans drummer, who came in yesterday from a trip, "and the hotel proprietor is wild over the sell. The lieutenant's double was Arthur Estor, of Cincinnati, who is well known here. He looks something like Hobson's picture, and a friend registered him as the hero just for a joke. Well, you should have seen the excitement! The whole district flocked to the hotel, all the pretty girls turned out and the landlord nearly burst a blood vessel getting up a swell dinner. In a little while the thing had gone so far that Eaton was afraid to own up, and he sneaked off on the first train.

"Before he got away the girls cut all the buttons off his clothes as souvenirs, and he got to Jacksonville hanging together by safety pins. At the depot some cheerful idiot asked the 'fake' Hobson to kiss the best girl, and several other idiots followed suit. Now they want his gore, and lots of it. I forgot to say that Eaton promised to send every native a chunk of the Merrimac. It would take about three battleships to go round. If he ever gets back there they will hang him, sure."

NEWS PARAGRAPHS.

Ten cases of yellow fever have been reported in Orwood, Miss.

Four men were instantly killed Friday at Stinesville, Ind., by the premature explosion of dynamite. They were working in a rock quarry.

Dr. Blessing, the medical officer of Nansen's polar expedition, is hopeful that Andree and his group are not lost, but are probably on Franz Josef Land and may yet be found.

The Adams, the American and the United States express companies have consented to pay the stamp tax. It is understood too that the Southern Express Company makes no further fight of it.

Miss Winnie Davis is said to have taken worse and is critically ill again.

Narrow Escape.

Thankful words written by Mrs Ada E Hart, of Groton, S. D.: "Was taken with a bad cold which settled on my lungs; cough set in and finally terminated in Consumption. Four doctors gave me up, saying I could live but a short time. I gave myself up to my Savior, determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for Consumption, Coughs and Colds. I gave it a trial, took in all eight bottles. It has cured me, and thank God I am saved and now a well and healthy woman." Trial bottles free at P B Fetzer's drug store.

Regular size 50c. and \$1.00. Guaranteed or price refunded.

Fire Alarm Given.

About 9 o'clock this (Monday) morning the fire alarm was given. People rushed out but could not find the fire for some time. At last it was found to be at a negro house behind Mrs. Quantz's. The building, which was a small one, belongs to Mr. G W Patterson and a negro woman named Cinda Pharr lived in it. Part of the roof and ceiling was burned. Two negroes worked most faithfully until they succeeded in getting it out. Not much damage was done.

You invite disappointment when you experiment. DeWitt's Little Early Risers are pleasant, easy, thorough little pills. They cure constipation and sick headache just as sure as you take them.—J P Gibson.

Gold In His Tobacco.

Sunday as Calvin Kesler, 14-year son of Mr. Cornelius Kesler, of Fallstown township, was biting off a chew of tobacco his teeth struck something hard. He pulled it out and found it to be a 10 cent piece with a hole in it. When he went to take another try for a chew, his teeth again came in contact with some coin of the realm. When this piece was fished out it proved to be a five dollar gold piece. Mr T Ostwalt, of Fallstown township, who informs us of this gold find, did not know the brand of tobacco, and we are therefore unable to cause a run upon the factory by mentioning it. Young Mr. Kesler has the money to show for itself.—Mascot.
