Coroner—Jas. N. Brown.

Commissioners—Jno. P. Allison, W. F. Cannon and Jno. S. Turner.

A CONFIRMATION AND A CORRECTION.

In noting some of the items of Mr. Allison's public service THE STANDARD said that he was in the Legislature in 1866. This was supposed to be an error in as much as Col. Jno. M. Long was the Representative from Cabarrus in '66 and '67 as seen in the House Journal. It was correct as stated, however, for the House Journal of '65 and '66 records Mr. Allison's name as the Representative from Cabarrus. It is to be borne in mind that the General Assembly met every year then.

THE STANDARD was in error, however, in saying that Mr. Allison was in the convention of '65. It should have said the convention of '75. The convention that we were thinking of and known as the Canby convention was in '68 instead of '65 and Mr. Allison was not in that convention.

In his speech at Hood's Swamp, Wayne county, last week, it is said Dr. Cyrus Thompson offered five dollars apiece for former Populists who would this year vote the Democratic ticket. A dozen or more hands instantly went up and the festive doctor backed out. This should teach the fusion pill-driver that a game of bluff won't go in this campaign. There are many people in the game and the bluffer is liable to be "called" at any moment.—Evening Telegram.

The Republican State convention of New York meets today (the 27.) It seems probable that the brave Col. Theodore Roosevelt will be nominated for governor, notwithstanding his citizenship, is said to be an unknown quantity as the Algebrast would say. He is charged with being a citizen of anywhere but where the tax list is presented. If that charge can be sustained it would seem folly for him to attempt to make the race, and yet we shall not know until tomorrow whether he gets the nomination, and truth being violated as much in what it denied as in what is asserted there is no telling the whole outcome.

The Wilmington Star has been twinkling 31 years. It is bright, new and witty. Let it shine on and be ever among those of the first magnitude.

Republicans Can't Stand It.

The Wilmington Star contains the following from an old Republican of Pender county:

Willard, N. C., Sep. 20.

To the voters of Union Township, Pender county:

Having voted the Republican ticket since the war up to the time of the organization of the Populist party; and thinking that party about the same, I have since voted the Populist ticket. Seeing that I have been deceived by scheming and unprincipled politicians and that we are drifting surely and rapidly under negro rule, and being a white man and realizing the importance of white men standing together, I have determined to be a white man indeed and in truth, and vote the Democratic ticket. I know of numbers of others who have determined to do the same thing.

Yours for White Government.

D. C. Rainer.

Hal. Ayer's Doggerel.

Hal Ayer wrote two little verses of "poetry," with which he concludes his "handbook" romance. The concluding lines are:

"Keep out the traitors, thieves and liars

"By fifty thousand strong."

Change the "Keep" to "put," and that's what the white supremacy legions propose to do.—Wilmington Star.

Maria Teresa Raised.

It is again announced that the Maria Teresa has been raised and is being overhauled by the Vulcan, the repair shop ship, where she will be brought, probably, to Norfolk. Hobson will tackle the Colon next.

Col. Bryan Sick.

Col. Wm. J. Bryan is quite unwell in Washington City. He is putting off his return to his command hoping every day to be able to start the next.

For Over Fifty Years

Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for Diarrhoea. It will relieve the poor little sufferer immediately. Sold by druggists in every part of the world. Twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind.

More than twenty million free samples of DeWitt's Witch Hazel Salve have been distributed, by the manufacturers. What better proof of their confidence in its merits do you want? It cures piles, burns, scalds, sores, in the shortest space of time.—J. P. Gibson.

When you call for DeWitt's Witch Hazel Salve the great pile cure, don't accept anything else. Don't be talked into accepting a substitute, for piles, for sores, for burns.—J. P. Gibson.

HANGED THE NEGRO.

He Had Assaulted a Woman and Stabbed a Man.

Knoxville, Tenn., Sept. 26.—A special to the Sentinel from Mountain City, Tenn., says:

"About 2 o'clock this morning a mob of 100 men overpowered the Johnson county jailer and took from jail John Williams, a negro who seriously stabbed Sherman Dunn and assaulted Mrs. Mollie Shelton in this county a week ago, and hanged him to a tree about a mile below town.

"The body is still hanging to the tree, and a large crowd is viewing it. Great excitement prevails."

Aguinaldo's Representative.

Chicago, Ill., Sept. 26.—Angoncillo, who is Aguinaldo's representative, passed through this city today, on his way to Washington to secure from the President the right to appear before the Paris Commission.

"If the outcome of the peace negotiations shall be that this government is given control of the Philippine islands," he said, "I have not the slightest doubt that the islands would be well and orderly governed."

He expressed confidence, however, in the ability of the Filipinos to govern themselves. He denied that the insurgents were conspiring with the Germans, but admitted that a few days after Dewey's victory representatives of the Kaiser made proposals to aid the insurgents in securing their independence, and that this offer was refused on the ground that an understanding had been had with Admiral Dewey.

Ashes of Columbus Removed.

Havana, Sept. 26.—This morning the remains of Christopher Columbus were taken from the Cathedral and placed in a specially constructed box for removal to Spain. Much ceremony attended the sealing of the box.

The Resolute, with a part of the American commission, has not yet returned from Key West, so nothing has been done today regarding the evacuation.
