

Discovered By a Woman.

Another great discovery has been made, and that too, by a lady in this country. Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly, and could not sleep. She finally discovered a way to recovery, by purchasing of us a bottle of Dr. King's New Discovery for consumption, and was so much relieved on taking the first dose, that she slept all night; and with two bottles, has been absolutely cured. Her name is Mrs Luther Lutz. Thus writes W C Hannick & Co., of Shelby, N. C. Trial bottle free at P. B. Fetzler's drug store. Regular size 50c. and \$1.00. Every bottle guaranteed.

Ho! Ho! Ye Cyclists.

It is now proposed to add to our gayeties on Saturday the feature of a bicycle parade. Mr. E. F. White has consented to look after its formation and its direction. He asks through us that the cyclists of the town and county will come out in beautiful array with their wheels trimmed in red, white and blue, although the matter of ornamenting is entirely optional. Ladies are asked to take special interest in this feature of the day.

We are sorry that this feature was developed only after the Weekly STANDARD was issued, but we hope still to reach some of the country cyclists who would ride a wheel instead of a horse. The cavalcade, however, is to be our great pride and our country friends will be our best contributors on the occasion.

Candor is the brightest gem of criticism.—Disraeli.

In business three things are necessary, knowledge, temper and time.—Feltham.

A brave man is sometimes a desperado, but a bully is always a coward.—Haliburton.

Men resemble the gods in nothing so much as in doing good to their fellow creatures.—Cicero.

There are few wild beasts more to be dreaded than a talking man having nothing to say.—Swift.

More firm and sure the hand of courage strikes when it obeys the watchful eye of caution.—Thompson.

Words are like leaves, and where they most abound much fruit of sense beneath is rarely found.—Pope.

Nature often enshrines gallant and noble hearts in weak bosoms, oftentimes, God bless her, in woman's breast.—Dickens.

Talkativeness has another plague attached to it, even curiosity, for praters wish to hear much that they may have much to say.—Plutarch.

Watch the Case.

Now we have the spectacle of a negro in Halifax county by the name of Steptoe swearing out a warrant against W R Kitchen, Claude Kitchen, Dr. A C Liverman, Thomas Fenner, E T Whitehead and John Gray for breaking into his house and extorting at the points of guns his resignation as registrar in his precinct. We would refrain from prejudging the case further than to predict that about the time it is proven to be a desperate effort and, like the call for troops goes, to kicking the wrong way it will be said that Democrats hired him to do so. Watch the turn this thing.

Judge Greene Dead.

Judge L L Greene died Wednesday at his home in Boone. Judge Greene will be remembered as presiding when Frank Howard was tried and sentenced. This creates a vacancy in the 10th Judicial district, but the law provides in the case, and the vacancy will be filled by the Governor till the next election two years hence.

Robbed the Grave

A startling incident of which Mr. John Oliver, of Philadelphia, was the subject, is narrated as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—kept on gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised trying 'Electric Bitters,' and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life, and robbed the other victim." No one should fail to try them. Only 50 cents per bottle at P. B. Fetzler's Drug Store.
