COUNT IT ALL.

We protest that in taking the weight of a hog everything should be weighed that is of value for culinary purposes. Why should not the lard on the entrails be counted the same as the lard that you strip off the inside of the middlings? The Morganton Herald scores a weight of 701 pounds, including 42 pounds of entrail lard. The pudding material is also legitimate weight and, we think, is generally counted to get high figures. It is legitimately a part of the good enough to eat and of course good enough to weigh and bleed out. Mr. Smith's bigger pig, we doubt not, contained 640 or 650 pounds of good hog.

The record of the past two years at the North Carolina insane asylum at Raleigh is most creditable. During that period there were 372 additions and 224 patients were discharged as cured. The death rate was only 4 1/2 per cent, while the average in the asylums in the United States is 8 per cent. While in 1893-94 the cost per capita of patients was \$192.80, it is now only \$142. The number of patients is at present 400, an increase of 100 in the two years. This is one of the institutions that did not pass out of the control of the Democrats during the fusion administration. Its fine management is due in no small degree to the excellent superintendent, Dr. Kirby.—Charlotte News.

The Atlanta Peace Jubilee.

The word "Peace" may now be reinstated in the name of the grand meeting in Atlanta Wednesday and Thursday, the 14th and 15th. Fearing that the peace commission would eventually fail the President had suggested to leave out the word peace, and it was determined to call it the Atlanta Jubilee. The treaty being signed with every confidence in its ratification the word can be restored. The program is complete and there is every prospect of a successful celebration. President McKinley will speak Thursday at 3 p. m.

We are indebted to Mr. H. O. Coon, from "The State of Wilkes," for a paper bag of fine limbertwig apples. They have the genuine flavor, though Mr. Coon feared they would be a bit sour growing in Republican dirt. Mr. Coon is a staunch Democrat, however, reads and pays for THE STANDARD and says he was boiling over to attend our barbecue, but could not do so. He rejoices with the counties that did go Democratic.

THERE AND IN CAMP.

The First Regiment Passed Through Havana Sunday Morning.

The First N. C. Regiment landed in Cuba Sunday morning and marched through the streets of Havana amid the joyful expressions of the citizens. Men and women each other in exultation, women wept for joy and children followed bestowing endearing names on our gallant troops. They got to camp Marianao, 7 miles beyond the city, about 11 o'clock, where they are comfortably fixed and fairly happy.

The Governor in Washington.

Gov. Russell went to Washington last week. He failed to get an audience with the President Saturday, but succeeded Monday. His mission seems to have been largely a failure. He wanted, it is said, to secure the discharge of certain North Carolina soldiers and to get the \$30,000 for equipping our State troops. The payment of the bill, however, seems quite improbable. The government has raked up an old bill against our State, as a number of other Southern States, and it is proposed to credit the \$30,000.

An Excitement But No Damage.

There was somewhat of an excitement on West Depot street this afternoon when a double team, with only a small negro boy in the wagon, went toward the depot at a lively rate. After passing Scotia Seminary a short distance the wagon collided with another one. No damage scarcely was done, and the little negro seemed unconcerned about the matter. A lady on the wagon coming slowly up the street realizing that there was going to be a collision, jumped before the two conveyances collided.

Beats the Klondike.

Mr. A. C. Thomas, of Marysville, Tex., has found a more valuable discovery than has yet been made in the Klondike. For years he suffered untold agony from consumption, accompanied by hemorrhages; and was absolutely cured by Dr. King's New Discovery for Consumption, Coughs and Colds. He declares that gold is of little value in comparison with this marvelous cure; would have it, even if it cost a hundred dollars a bottle. Asthma, Bronchitis and all throat and lung affections are positively cured by Dr. King's New Discovery for Consumption. Trial bottles free at P. B. Fetzer's drug store. Regular size 50 cents and \$1.00. Guaranteed to cure or price refunded.

Farming Pays Some People.

Mr. S. Banks Holt, of Graham, Alamance county, N. C., says he finds that farming pays fully as well as manufacturing does. This year he made something over 9,000 bushels of wheat and oats, 130 tons of hay, and he will make at least 1,500 bushels of corn. He raised this year more than 2,000 chickens, ducks and turkeys.—Southern Field.

Snow Storm in the Southwest.

New Orleans, Dec. 10.—From all parts of the southwest comes news that the storm last night and today was the worst in twenty-nine years. It froze throughout Louisiana, Mississippi, Arkansas and Texas and there was a snowfall of from 6 to 12 inches. No loss of life is reported, but heavy losses in crops and cattle and great suffering among the poor.

Stuck in the Mud.

The big battleship Massachusetts ran aground in New York harbor last Saturday, sustaining sharp damage to her bottom. She will have to go in dock for repairs. The accident is charged to low tide.

The annual commerce of the world is estimated at seventeen billion dollars, and of this great amount America is interested to the extent of eleven per cent., or in round numbers, one billion, eighty-seven million dollars. From 1886 to 1896 the increase of exports for twenty-two leading countries was twenty per cent. During this time the exports of the United States increased thirty per cent. By this it is clear that the United States is today the most prosperous country in the world.—The Commonwealth.

Constipation prevents the body from ridding itself of waste matter. De Witt's Little Early Risers will remove the trouble and cure Sick Headache, Biliousness, Inactive Liver and clear the Complexion. Small, sugar-coated, don't gripe or cause nausea.—J. P. Gibson.

A Veteran of the 57th Dead.

Members of the 57th regiment of North Carolina Confederates doubtless remember Lieut. A. B. Garrell. He died of heart disease in Winston, on the 9th, after an illness of about two hours. He was a very popular citizen.
