## GEN. LEE'S BIRTHDAY.

The Daughters of the Confederacy Pay Tribute to the Day—Old Officers Re-Elected—A Delightful Meeting.

Pursuant to the suggestion made by this organization some time ago the Daughters of the Confederacy met Thursday afternoon with Mr. Jas. W Cannon. As a tribute to Gen. Lee, whose birth day comes on that date, the annual election of officers was held. A goodly number of the members were present and the meeting was a delightful and pleasant one.

It was decided that hereafter the annual election of officers of this organization, the Dodson-Ramseur Chapter, be held on Gen. Lee's birthday, the 19th of January.

The officers, who during the past year served faithfully, were re-elected. They are as follows: Mrs. Jno. P Allison, president; Mrs. Jno. O Wadsworth, vice-president; Miss Rose Harris, secretary; Mrs. J D Arnold, historian. The managers are Mesdames A B Young, Jno. B Sherrill, H M Barrow, J M Odell, R A Brown and Misses Mary Dodson and Laura Leslie.

## The Florida Season Open.

The opening of the Florida season will be signalized this year as usual by the placing in service of the "New York and Florida Limited" between New York and St. Augustine, Fla. This is acknowledged to be the finest train in the world, in its appointments, luxury and detail of finish, and the first of these trains was constructed by the Pullman Company for the use of the President of the United States on official tours.

"The New York and Florida Limited" leaves New York daily, except Sunday, at 11.50 a. m. via the Pennsylvania Railroad, the Southern Railway, Florida Central & Peninsular R R, and the Florida East Coast Railway, and reaches St. Augustine at 2.20 p. m. the following day, making the run, which exceeds 1,000 miles, in but little more than twenty-four hours. No train has attracted so much attention, and its fame has been heralded wherever railroading is known. It is composed of Pullman Compartment Cars, each room being finished in different woods and supplied with private lavatory and toilet; Pullman Drawing room Sleeping Cars of the latest pattern and finish; a royal Club Car for the gentleman; an "Observation Car with a handsome Drawing Room at its rear opening on to a wide platform; a Library Car; and Dining Car, in which the service and the cuisine rank with the finest New York hotel's.

## The Deadly Grip.

Is again abroad in the land. The air you breathe may be full of its fatal germs! Don't neglect the "Grip," or you will open the door to Pneumonia and Consumption and invite death. Its sure sign are chills with fever, headache, dull heavy pains, mucous discharges from the nose, sore throat and never-let-go cough. Don't waste precious time treating this cough with troches, tablets, or poor, cheap syrups. Cure it at once with Dr. King's New Discovery, the infallible remedy for bronchial troubles. It kills the disease germs, heals the lungs and prevents the dreaded after effects from the malady. Price 50 cts. and \$1.00. Money back if not cured. A trial bottle free at P B Fetzer's Drug Store.

That lame back can be cured with Dr. Miles' NERVE PLASTER. Only 25c.

## A ROUND STACK.

A Problem for the Brains of the Mathematicians—The Wiscasset Mills Have Not Only Something Serviceable, But Something to Look Upon.

Mr. R A Brown, our brick contractor, who is forever building something out of mud, has recently finished a high brick smoke stack for the Wiscasset mill at Albemarle. Those who wish to test their arithmetical qualities can make a calculation on it, as several have already tried it.

The foundation of the stack is 20 feet square and 7 feet high. From the top of the foundation to the top is 119 feet, with a diameter of 55 inches. Now how many brick would it take to fill this flue on the inside allowing 18 brick to the foot? Each time almost that Mr. Brown builds a large stack similar to this he gives some persons a chance to calculate. His counsel for such work is Prof. H T J Ludwig, of Mt. Pleasant. Prof. Ludwig calculates that the hole will hold 35,340 brick. Superintendent "Billy" Cole, of the Cabarrus mills, made nearly the same calculation.

This must be a fine thing to look upon—a brick tower 126 feet high with a cap-like structure at the top. The whole number of brick used in it was 204,000.

## Mrs. Rupert Sick at Connelly Springs.

Some days ago Dr. Stevens, of this place, was called to the bedside of Mrs. H V Rupert, who is known by quite a number at this place, and who is now critically ill at Connelly Springs in the western part of the State. Mrs. Rupert's disease is catarrh of the stomach. There is hope for her recovery. Mrs. Rupert is one of the members of the board of managers of both Sunderland Hall and Scotia Seminary.

Take Laxative Bromo Quinine Tablets. All druggists refund money if it fails to cure. 25c. The genuine has L. B. Q. on each tablet.

## That Beautiful Tribute.

As Thursday was celebrated to various degrees in memory of Gen. Lee, of whose birth it is the anniversary, it is especially in order to recall Ben Hill's beautiful tribute to the South's immortal hero:

"He was a foe without hate, a friend without treachery, a soldier without cruelty, a victor without oppression, and a victim without murmuring. He was a public officer without vices; a private citizen without wrong; a neighbor without reproach; a Christian without hypocrisy, and a man without guile. He was Cæsar without his ambition; Frederick without his tyranny; Napoleon without his selfishness, and Washington without his reward. He was obedient to authority as a servant, and royal in authority as a true king. He was gentle as a woman in life, and modest and pure as a virgin in thought; watchful as a Roman vestal in duty; submissive to law as Socrates, and grand in battle as Achilles!"

Nobody need have Neuralgia. Gen. Dr. Miles' Pain-Expeller from druggists. One cent a dose.
