## SUPERIOR COURT.

**Court Opens Promptly and the Work Starts of Dealing Justice to the Different Ones—Some Changes in the Line of Officers.**

At 10 o'clock today (Monday) the two weeks' term of Superior court opened with His Honor, Judge Thos. J Shaw, of Greensboro, presiding.

The seat formerly filled by Mr. J Q Holton is now being held down by Mr. Wiley Rush, the recently elected solicitor. He seems acquainted with the work already and despatches his business readily.

Mr. Caleb Robinson, of No. 11 township, was selected as court caller.

There is no change at the clerk's desk, the same faces being there. Mr. Jas. Gibson is assisting Clerk Jno. Cook.

Mr. Calvin Peck is the officer of the grand jury, and Messrs. P P Townsend and Will Johnson are acting as the deputies.

The grand jury was promptly drawn, their names being as follows: W K Lyles, Sam Sloop, J A Lefler, W M Furr, W L Bell, G H Webb, D D Barrier, Martin F Barrier, Jos. T Biggers, Aaron Linker, Dan S Foil, S H Morrison, A Mc. Freeze, Rev. J H C Fisher, Jas. A Harkey, C L Ervin, Will F Moose, Wm. A Joyner.

Mr. Daniel D Parrier was selected as foreman of the grand jury. After hearing their excuses, which were deemed satisfactory, Agent Gowan Dusenbury and Rev. W Y Love were excused from serving as jurors.

The following cases had been disposed of up to this time:

State vs. Cicero Grissom, Sam Grissom and Jim Russell, disturbing religious worship; judgment prayed against Sam Russell and Cicero Grissom. Each fined ten dollars and half the cost.

State vs. Jack Freeze, forcible trespass; judgment suspended on payment of the costs. Costs paid.

### The Deadly Grip.

Is again abroad in the land. The air you breathe may be full of its fatal germs! Don't neglect the "Grip," or you will open the door to Pneumonia and Consumption and invite death. Its sure sign are chills with fever, headache, dull heavy pains, mucous discharges from the nose, sore throat and never-let-go cough. Don't waste precious time treating this cough with troches, tablets, or poor, cheap syrups. Cure it at once with Dr. King's New Discovery, the infallible remedy for bronchial troubles. It kills the disease germs, heals the lungs and prevents the dreaded after effects from the malady. Price 50 cts. and \$1.00. Money back if not cured. A trial bottle free at P B Fetzer's Drug Store.

### For Over Fifty Years

Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for Diarrhoea. It will relieve the poor little sufferer immediately. Sold by druggists in every part of the world. Twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind.

**WONDERFUL** are the cures by Hood's Sarsaparilla, and yet they are simple and natural. Hood's Sarsaparilla makes **PURE BLOOD.**

## LAWFUL HANDS

**Seized Three on Last Saturday—One Sentenced to the Chain Gang—Others Await Their Fate at the Superior Court.**

A negro was captured last Saturday night for beating on the train. He was tried the same night and given a sentence of thirty days on the chain gang.

Wilson Garland, a negro, was brought in from No. 10 township that same day to answer the charge of carrying a concealed weapon. He was put in jail to await the term of court.

Deputy Smith, of Rowan county, captured a negro named Jno. Christian last Saturday several miles from China Grove. He was arrested on a capias, being wanted by this county on the charge of retailing whiskey and carrying a concealed weapon. He was brought here about midnight Saturday night and put in jail.

### At the Baptist Church.

Services Sunday morning were largely attended.

At the request of the pastor a large number of Christians went forward and gave him their hands as a manifestation of their willingness for the Lord to use them in the advancement of his cause, and the salvation of souls.

At the night service the house was crowded, and great interest manifested. Some 8 or 10 backsliders were reclaimed, and 5 professed faith in the Lord.

Subject for tonight will be—"The second coming of Christ."

Announcements are—Bible reading at 3 to 4 o'clock p. m. Ladies' prayer-meeting at 7:15, preaching at 7:45. Everybody come. C.

### Another One Notices the Increase.

The following note was handed us by one who is in circumstances to know whereof he speaks:

"Over one hundred new houses have been built in Concord in the past 12 months. Besides four hundred other residences have been painted and remodelled. Allow six to each family and the increase in population will be 600. Concord has not a vacant house, and the prospects for greater improvements are still on the increase."

### Quarters in the City Hall.

A Mr. Roberts and family, claiming to have come from Kansas, arrived here Sunday night on their way to Greensboro. The group consisted of a man and woman and three children. They could find no place to stay during the night and Chief Boger allowed them to stay in the mayor's office during the night. When morning came they journeyed on their way.

A remedy for Nasal Catarrh which is drying and exciting to the diseased membrane should not be used. What is needed is that which is cleansing, soothing, protecting and healing. Such a remedy is Ely's Cream Balm. To test it a trial size for 10 cents or the large for 50 cents is mailed by Ely Brothers, 56 Warren Street, New York. Druggists keep it. The Balm when placed into the nostrils, spreads over the membrane and is absorbed. A cold in the head vanishes quickly.

**NERVOUS** Troubles are due to impoverished blood. Hood's Sarsaparilla is the One True Blood Purifier and TONIC.

## PERSONAL POINTERS.

—Mr. Geo. W Brown returned home last night from Salisbury.

—Mr. Will Powe, of Greensboro, spent yesterday here.

—Mrs. S F Stephens, of Charlotte, came over this morning.

### A Cotton Mill Rumor at Mt. Pleasant

This week's issue of the Textile Excelsior contains the following squib from Mt. Pleasant:

"There is a rumor of another cotton mill being built here this spring, some of the same company interested but could not speak definitely about it just yet."

### Wants Colored Weavers.

We notice in the last issue of the Textile Excelsior that Superintendent R F Coble wants "6 or 8 colored weavers." For fear our friend, Mr. Coble, might have some trouble with some sable applicants, we will say that the word "colored," we think, refers to the goods and not to the complexion.

### To Begin a Series of Meetings.

Beginning Wednesday night, Rev. C F Rankin will hold a series of meetings in the Cannonville Presbyterian church. Rev. T M Lowery, of Shelby, will assist him after next Sunday.

### A Surprise Probably to Some.

On last Saturday night, Rev. T W Smith was called to the Mrs. McLelland boarding house at Cannonville to tie the matrimonial knot for Mr. Ran Sills and Miss Janie Scarborough. Some parties intimately related knew nothing of the affair until afterwards.
