

WINE OF CARDUI

For Mothers!

THE discomforts and dangers of child-birth can be almost entirely avoided. Wine of Cardui relieves expectant mothers. It gives rest to the genital organs, and puts them in condition to do their work perfectly. That makes pregnancy less painful, shortens labor and hastens recovery after child-birth. It helps a woman bear strong healthy children.

McELREE'S Wine of Cardui

has also brought happiness to thousands of homes barren for years. A few doses often brings joy to loving hearts that long for a darling baby. No woman should neglect to try it for this trouble. It cures nine cases out of ten. All druggists sell Wine of Cardui. \$1.00 per bottle.

For advice in cases requiring special directions, address, giving symptoms, the Ladies' Advisory Department, The Chattanooga Medicine Co., Chattanooga, Tenn.

Mrs. LOUISA HALE, of Jefferson, Ga., says: "When I first took Wine of Cardui we had been married three years, but could not have any children. Nine months later I had a fine girl baby."

A Narrow Escape.

Thankful words written by Mrs. Ada E Hart, of Groton, S. D.: "Was taken with a bad cold which settled on my lungs; cough set in and finally terminated in Consumption. Four doctors gave me up, saying I could live but a short time. I gave myself up to my Savior, determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for Consumption, Coughs and Colds. I gave it a trial, took in all night bottles. It has cured me, and thank God I am saved and now a well and healthy woman." Trial bottles free at P B Fetzler's drug Store. Regular size 50c. and \$1. Guaranteed or price refunded.

"Give me a liver regulator and I can regulate the world," said a genius. The druggist handed him a bottle of DeWitt's Little Early Risers, the famous little pills.—J P Gibson.

The Evil Growing Less.

The following from the New York Sun bears us out in our observations on the question, says the Lutheran Visitor:

"As men have come to look on the whole question of alcoholic drinking more rationally they have become more temperate. Drunkenness has decreased proportionately. At public and private dinners the consumption of wine is very much less than it used to be, and even in the saloons themselves the tendency to excessive indulgence shows a marked decrease. People are learning from scientific investigation that the craving for drink, once acquired, leads to a nervous disease very difficult to cure, and of destructive consequences morally and intellectually. The growth of the drinking habit in a man is regarded anxiously both by his friends and himself. The exhibition of intoxication, once viewed tolerantly, is now accounted disgraceful, or pitted, as indicative of a deplorable disease. Modern life requires sobriety in all workers more and more.

Sweet Oil for the Toilet.

Did you ever suffer torment from a shoe tight in one spot? Here is a remedy for it. Apply sweet oil to the stockings where the rub comes. It is better than applying it to the boot, because it softens the inside of the boot, where it is needed, instead of the outside.

Sweet oil is an excellent household companion. It heals burns and bruises. Used in the form of baths it feeds the skin, prevents colds and gives flexibility to the muscles.

Delicate people derive the greatest benefit from being rubbed with olive oil, and for fragile children it is invaluable, especially where there is any tendency to weakness of the chest.

A soft corn can be cured by placing a tuft of cotton, saturated with olive oil, between the toes and renewing it every day. The corn will very soon disappear.

When the hair is dry and brittle and easily breaks off when brushed, a little olive oil well rubbed into the scalp every night will give nutriment to the hair glands and strengthen and increase the growth.—Ex.

Some More Good Farming.

One John Robinson says in the News and Observer that with one old mule he raised, last year, 15 bales of cotton on 17 acres of land and 500 bushels of corn on between 10 and 12 acres of land. We would not be surprised if this needs verification in the minds of some. It looks a little large. It is right encouraging farming if accurately stated.

Want to Raise \$7,000,000 More.

A plan by the Cuban officials now is to get the sanction of the United States for floating \$7,000,000 worth of bonds to be added to the \$3,000,000 offered by the United States with which to pay off the Cuban soldiers and help them to start off in civil life.

To Pay the \$20,000,000.

The House Committee of Congress has reported favorably the bill to pay the \$20,000,000 to Spain agreed upon in the treaty.
